

Newbury Park High School

School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

The Mission at Newbury Park High School is to provide an opportunity for each student to experience, learn the skills of, and demonstrate Nobility, Potential, Humanity, and Scholarship. Our four Student Learner Objectives (SLOs) state: All NPHS Graduates will be critical thinkers, effective communicators, problem solvers, and active community members. The SLOs are monitored annually for relevance and serve, along with the four pillars of our Mission, as overarching guides for daily interaction on campus.

Nobility

We expect Panthers to challenge themselves and each other to show the world their best character traits. On the field, in the classroom, in the world, we expect students to learn about and value diverse opinions, values, and cultures; and to demonstrate their respect for themselves and others.

Potential

We expect Panthers to understand that every difficulty presents both risk and opportunity. Panthers are expected to access and evaluate resources as needed, develop the capability to rise to challenges, and the resiliency to recover from failure.

Humanity

We expect Panthers to contribute and interact responsibly in the community and in the world. We expect students to be kind to and respectful of others from all walks of life, to cooperate with adults and peers, to assist others in need, and to recognize that two people holding differing opinions can both be right.

Scholarship

We expect Panthers to learn the skills and core knowledge they need to be successful in life: how to think inductively, deductively, and reflectively; how to communicate; how to gather, analyze, and evaluate information and media; and how to rely on their academic skills, common sense, and creativity to solve problems.

We are Panthers!

SCHOOL DESCRIPTION

Community: Newbury Park High School stands nestled against the hills at the northern end of the Conejo Valley in Ventura County, CA, approximately sixty miles north of Los Angeles. Built in 1967, the site is one of three comprehensive high schools in the Conejo Valley Unified School District. Much of Newbury Park is located within the boundaries of the City of Thousand Oaks. NPHS serves a suburban, middle- to upper middle-income community and provides a four-year comprehensive program. With a diverse and growing student population of 2,440, the campus is home to a wide variety of programs and activities developed to meet the expanding educational needs and interests of our students in a district that educates nearly 19,000 students.

Curriculum: All instruction is aligned with state and district content and performance standards. These goals are monitored continuously with benchmarks and standardized test data, amended as needed, and have three school-wide improvement goals for all students: (1) Provide appropriate access and support to all students, (2) Provide professional development focusing on differentiated instruction, inquiry teaching, and using technology throughout instruction, and (3) Foster a safe learning environment while maintaining academic rigor. Each year's site leadership team, School Site Council (SSC), and English Learner Advisory Committee (ELAC) vets the goals.

Newbury Park enjoys fierce community loyalty and a history of academic and co-curricular success. NPHS consistently had an Academic Performance Index in the top 5% of the high schools in California; as a result, we are a 2005 California Distinguished School and named an NCLB Blue Ribbon School in 2006. In addition, NPHS was one of only six schools recognized by the state of California for excellence in Career Technical Education in 2009. Panthers consistently earn awards in the areas of yearbook, choir, band, color guard, Academic Decathlon, Mock Trial, and athletics. Over 90 clubs provide opportunities for service and deepening interests for students.

Special Programs: NPHS is home to the oldest and largest International Baccalaureate program in the region, as well as a full complement of Advanced Placement courses, due to the high expectations of the community, the staff, and our students. A full-time Career Education Coordinator assists with coordinating DATA (our Digital Arts and Technology Academy), a school within a school that provides 21st century workplace skills and academic preparation for selected students; and the Majors Program, which offers students the opportunity for internships and exploration in career pathways. Extended Library Hours, Lunchtime tutoring Centers, Tutoring Center, Freshman Intervention, the Writing Center, and many other programs and courses challenge and support students to achieve at high levels. Each year, approximately 95% of NPHS graduates enter colleges and universities all over the world.

Culture: NPHS was once the smallest high school in the district; as a result, a culture of unparalleled individualized support is integral to NPHS. Counselors and teachers provide personal assistance to families with questions about courses, college, and private issues on a daily basis. We work especially hard to meet student needs, especially those who are at-risk or whose first language is not English. Community support takes many forms: input from all stakeholders led to the development of our block schedule, the creation of the Writing Center and Tutoring Center and many more. Now the largest school in the district, we continuously plan for program expansion, but we want to make sure growth does not mean the loss of personalized service and relationships that have become central to our identity. Because of parent, community, staff, and student collaboration, our students continue to prove Panther Pride is more than a catchphrase.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 9	579
Grade 10	627
Grade 11	632
Grade 12	601
Total Enrollment	2,439

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	1.6
American Indian or Alaska Native	0.6
Asian	10.7
Filipino	1.2
Hispanic or Latino	20.7
Native Hawaiian or Pacific Islander	0.3
White	62.6
Two or More Races	2.4
Socioeconomically Disadvantaged	17.1
English Learners	2.7
Students with Disabilities	9.1
Foster Youth	0

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	102	101	101	843
Without Full Credential	0	0	0	2
Teaching Outside Subject Area of Competence (with full credential)	3	3	10	32

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	1	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: July 2017

All K-12 students have current standards-based textbooks in Math, Science, History/Social Science, and English/Language Arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District Board of Education adopts textbooks within the timeline provided and approves standards-aligned books for Grades 9-12. In addition, the State Board of Education provides approved lists from which the local Board of Education selects books and materials for Grades K-8. We have purchased sufficient standards-based textbooks and instructional materials for all students in English, Math, History/Social Science, Science, Health, and Foreign Language. Each year, sites receive specific Science supplementary funds for consumable laboratory expenses and/or equipment.

The process of selecting textbooks and materials involves the formation of a committee comprised of teachers and administrators representing all targeted grade levels and charged with the responsibility of reviewing current state standards and frameworks. This includes analyzing student data, writing courses of study (as required), and selecting and maintaining current instructional materials. Their goal is to achieve high academic standards for all of our TK-12 students. In addition, they review each major subject area and adopt under the guidance of the California Department of Education and State Board of Education by submitting recommendations to the Board of Education for final approval. The recommendation to the Board includes basic textbook materials as well as supplementary materials within the subject. CVUSD is currently working within the adoption process for Math at Grades 9-12. On October 17, 2017, the CVUSD Board of Education approved a resolution for the 2017-2018 school year declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Each fall, a team that consists of all or many of the following personnel, inspects each school in the Conejo Valley Unified School District: Site Administrator, Director of Maintenance & Operations, Director of Planning & New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any observed condition that represents a threat to the health and safety of students and staff is annotated for immediate correction. Items noted which could improve the utility, appearance, or safety of the school are recorded and evaluated for potential placement on the District’s annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District school needs and the funds available to address those needs. The final list is approved by the Board of Education in the spring, with the majority of projects completed the following summer. Each year, the District participates in the State’s Deferred Maintenance Program and these funds have been a significant source of support for the annual Major Projects List in recent years. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction (OPSC). The District has not been required to make its normal contribution to the Deferred Maintenance Fund since the 2008-09 school year and the State’s annual contribution has been utilized for other “educational purposes”, with this flexibility continuing through the current year. Deferred Maintenance Program projects will be prioritized and funded with carryover funds from previous budgets or as augmented by future funding.

The District provides 7 full-time custodians at Newbury Park High School and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments. Newbury Park High School was opened in 1965. Sited on 38.7 acres of land, the school has 89 classrooms, a multipurpose room, a library, and an administration building. The campus underwent a modernization beginning in 1997 with the addition of a new Performing Arts Center. In 2000, the HVAC system was replaced. In 2004, construction of an all-weather, state-of-the-art track and field facility was completed and upgrades of underground utilities, restrooms, doors, and improvements to accessibility under ADA began. In 2005, unused shop areas were converted into additional state-of-the-art science labs. The current capacity at Newbury Park High School is 2,400 students. The District Site Inspection Team assessed the school on August 04, 2017

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: August 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			Condensate leak in Student Store; created work order for HVAC.
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			Debris in trash area; site staff will clean.
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/Fountains	X			Drinking fountains dirty; site staff will clean.
Safety: Fire Safety, Hazardous Materials		X		Electrical rooms have clutter leaning on transformers; site staff will clear.
Structural: Structural Damage, Roofs	X			Transition between bridges and upper classrooms are a trip hazard; site maintenance will fix.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: August 2017				
Overall Rating	Exemplary	Good	Fair	Poor
			X	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	52	76	66	67	48	48
Mathematics (grades 3-8 and 11)	38	54	58	59	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	630	599	95.08	75.79
Male	317	298	94.01	68.12
Female	313	301	96.17	83.39
Black or African American	11	11	100	72.73
American Indian or Alaska Native	--	--	--	--
Asian	64	63	98.44	95.24
Filipino	--	--	--	--
Hispanic or Latino	130	119	91.54	49.58
Native Hawaiian or Pacific Islander	--	--	--	--
White	401	382	95.26	80.1
Two or More Races	11	11	100	100
Socioeconomically Disadvantaged	108	97	89.81	46.39
English Learners	53	44	83.02	11.36
Students with Disabilities	52	48	92.31	27.08

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	630	607	96.35	53.54
Male	317	306	96.53	50.65
Female	313	301	96.17	56.48
Black or African American	11	11	100	63.64
American Indian or Alaska Native	--	--	--	--
Asian	64	64	100	85.94
Filipino	--	--	--	--
Hispanic or Latino	130	126	96.92	29.37
Native Hawaiian or Pacific Islander	--	--	--	--
White	401	382	95.26	55.76
Two or More Races	11	11	100	63.64
Socioeconomically Disadvantaged	108	105	97.22	19.05
English Learners	53	50	94.34	4
Students with Disabilities	52	50	96.15	14

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	80	77	80	77	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

The needs of students in Career Technical Education (CTE) programs are supported by administrators, counselors, the School-to-Career coordinators, teachers and the Student Study Team. The programs are voluntary and have a non-discriminatory recruitment and selection process. Teachers are provided with staff development, other resources, and time to develop instructional strategies that foster critical thinking, problem solving, leadership, and academic skills. Students receive support such as mentoring and tutoring. A high priority is also given to CTE programs, which have traditionally served at-risk students.

The District funds three full-time Career Education Coordinators at the comprehensive high schools and a part-time Career Education Coordinator at the continuation High School. One of their primary tasks is to increase our outreach to business, labor, and post-secondary education. In addition, information about local occupational needs is gathered from a variety of sources. District and school advisory panels include business partners, labor, post-secondary representation, teachers, counselors, and administrators. School-to-Career coordinators regularly attend Chamber of Commerce Education Committee meetings and the Area Coordinating Team (ACT) meetings. Labor Market Information for Ventura County is used to survey the fastest growing occupations for the period 2008-2018. All of this data and the Core Indicators generated for Carl Perkins reports are used by schools and the District to measure the effectiveness of their Career Technical Education programs and courses. The district also receives funding for our CTE pathways from the Carl Perkins grant and the California Career Pathways Trust grant.

Students at Newbury Park High School (NPHS) have the opportunity to explore their career-related strengths and interests by selecting from and participating in seven different pathways:

- Biotechnology (second class in development)
- Cabinetry, Millwork, & Woodworking (3 classes)
- Culinary Arts & Hospitality (3 classes)
- Design, Visual, & Media Arts (4th class in development)
- Patient Care (3 classes)
- Production & Managerial Arts (3 classes)
- Software & Systems Development (3 classes)

The classes in these pathways are largely UC A-G approved, and seven of the courses are articulated with VCCCD for dual credit opportunities. Teachers in five of the seven pathways are CTE credentialed.

A full-time Career Education Coordinator supports students and teachers to achieve a significant number of relevant Career Connections; including internships, job shadows, and field trips to job sites. Naviance surveys and research, resume writing, and workshops in the College and Career Center provide students with a foundation before they engage in Career Connections as juniors and seniors. Additionally, the Majors Program is in place to encourage students to engage in career exploration, and receive recognition for their efforts.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	627
% of pupils completing a CTE program and earning a high school diploma	45%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	37%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	96.11
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	56.87

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	12.4	25.3	56.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent and community groups on campus include the following:

- Parent Faculty Association (PFA), which offers vital support ranging from hospitality to fundraising to us.
- School Site Council (SSC), which governs special programs budget allocations and school improvement planning.
- Umbrella Boosters serves to coordinate all Boosters organizations, which support specific athletic and performance groups, raising much-needed funds.
- English Language Advisory Committee (ELAC), which supports our English Learners and assists their parents as well.

In addition, we welcome parent volunteers to informally assist with many key activities throughout the year. For more information, please call our office staff at (805) 498-3676, or consult the school website: www.nphs.org.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	1.6	1.2	0.9	2.3	1.8	1.2	11.5	10.7	9.7
Graduation Rate	97.76	97.66	97.94	97	97.36	97.7	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	98.74	97.81	87.11
Black or African American	83.33	91.18	79.19
American Indian or Alaska Native	100	100	80.17
Asian	98.39	98.68	94.42
Filipino	100	96.55	93.76
Hispanic or Latino	95	94.32	84.58
Native Hawaiian/Pacific Islander	100	90	86.57
White	100	99.08	90.99
Two or More Races	100	98.21	90.59
Socioeconomically Disadvantaged	100	100	85.45
English Learners	45.45	48.48	55.44
Students with Disabilities	96.83	88.17	63.9
Foster Youth	0	50	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	1.5	1.7	1.1	2.8	2.5	1.8	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.1	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Site specific District Disaster Preparedness Plans and School Safety Plans are developed, revised and updated each year through a collaborative process obtaining appropriate approvals. Safety plans address: a) child neglect and abuse reporting; b) disaster procedures; c) policies and procedures regarding dangerous students and bullying/harassment d) sexual harassment & nondiscrimination policies; e) dress code; f) safe ingress/egress; g) school rules related to discipline and safe schools. Likewise, all school sites routinely practice Fire, Earthquake and Lock Down drills throughout the school year. District policies and administrative regulations are reviewed and updated on a regular basis to remain present-day and consistent with current law. NPHS partnered with the VCSD to complete an inclusive active shooter training for all staff members in late October.

A well-planned communication equipment system consisting of intra-district two-way radios and walkie-talkies is located at all sites for daily use and in preparation for possible emergency use. Moreover, local bond dollars support needed physical and safety upgrades at all school sites.

The District’s Human Resources department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also installed Automated External Defibrillators in nearly all facilities. The District also has partnered with the City of Thousand Oaks, the Conejo Recreation and Park District and the Ventura County Sheriff’s & Fire Departments for coordinating response and resource allocations in major emergencies. Additionally, with the generous support of the City of Thousand Oaks each comprehensive high school enjoys the services of a full-time Student Resource Officer (TOPD).

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2010-2011
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	4
Percent of Schools Currently in Program Improvement	N/A	66.7

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	23	32	27	16	21	22	32	9	23	21	28	8
Mathematics	25	21	19	15	22	27	25	12	25	19	20	16
Science	29	6	21	17	27	12	15	16	29	8	12	19
Social Science	26	23	18	27	25	23	28	20	26	20	29	17

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	5.0	473
Counselor (Social/Behavioral or Career Development)	.9	N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)	0.9	N/A
Psychologist	1.0	N/A
Social Worker		N/A
Nurse	0.7	N/A
Speech/Language/Hearing Specialist	1.0	N/A
Resource Specialist	9.3	N/A
Other	24.1	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$6,251	\$810	\$5,442	\$64,161
District	N/A	N/A	\$5,923	\$78,911
Percent Difference: School Site and District	N/A	N/A	-8.5	-20.6
State	N/A	N/A	\$6,574	\$77,824
Percent Difference: School Site and State	N/A	N/A	-18.8	-19.2

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

Per pupil expenditures include funds expended for all instructional services. These include transportation, food services, health services, counseling services / mental health services, instructional materials and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI transportation (school choice) and Alternative Support Services (Six elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners / LEP and Immigrant (All Schools) and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the district. The Conejo Schools Foundation, PTA’s and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as: College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education – Ventura County Innovates (CTE) – (Middle Schools & High Schools).

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,318	\$48,522
Mid-Range Teacher Salary	\$73,732	\$75,065
Highest Teacher Salary	\$93,359	\$94,688
Average Principal Salary (Elementary)	\$112,121	\$119,876
Average Principal Salary (Middle)	\$114,880	\$126,749
Average Principal Salary (High)	\$126,794	\$135,830
Superintendent Salary	\$206,600	\$232,390
Percent of Budget for Teacher Salaries	43%	37%
Percent of Budget for Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2016-17)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	2	N/A
English		N/A
Fine and Performing Arts	1	N/A
Foreign Language		N/A
Mathematics	1	N/A
Science	2	N/A
Social Science	5	N/A
All courses	11	30.9

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

The Conejo Valley Unified School District is committed to providing professional development activities for all teachers and administrators. Both groups continue to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards and beyond. A robust professional development effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities.

Professional development strategies such as workshops, institutes and academies, as well as job-embedded activities relate to College and Career Readiness, Smarter Balanced Assessments, and other required proficiencies meeting the needs of all students. Professional development topics align with District and school site needs identified through and outlined within the District and schools' LCAP goals. Professional development for high school faculty and staff members align with each school's WASC action plan.

The District also provides a free New Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

The Ventura County Superintendent of Schools Office offers a professional development series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, literacy intervention technology, supervision, evaluation, and leadership.

In addition to professional development activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional development activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in full-day trainings to support instruction, including the opportunity to collaborate with their colleagues. In addition, the District provides all teachers with 18 hours per year of staff development completed outside of their workday related to curriculum, instructional technology, assessment, report cards, instructional strategies, and using data to close the achievement gap. These 18 hours are completed through a combination of resources including workshops, conferences, and online and virtual professional development.
