

Westlake High School

School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2016-17)

School Contact Information	
School Name	Westlake High School
Street	100 N. Lakeview Canyon Road
City, State, Zip	Westlake Village, Ca, 91362-3895

Phone Number	(805) 497-9511
Superintendent	Ann N. Bonitatibus, Ed.D.
E-mail Address	abonitatibus@conejouisd.org
Web Site	www.conejouisd.org

School Description and Mission Statement (School Year 2016-17)

MISSION STATEMENT

The mission of the Conejo Valley Unified School District is to meet the academic, cultural, social, and individual needs of students in order to prepare them to make a meaningful contribution to a democratic society. The Westlake High School mission reflects the District's mission through our Expected School-wide Learning Results (ESLRs).

The Westlake High School ESLRs are:

1. WHS Students will be inspired learners who demonstrate the ability to be passionate, independent, and self-directed.
2. WHS students will be effective communicators who are able to demonstrate proficiency in utilizing digital tools and media in order to articulate thoughts and ideas clearly.
3. WHS students will be informed and contributing members of the global community

SCHOOL DESCRIPTION

Westlake High School offers a full range of programs in academics, fine and performing arts, as well as athletics. In the academic arena, we offer 24 Advanced Placement courses, and a full range of college preparatory classes. During the 2015 - 2016 school year, WHS administered over 2200 Advanced Placement tests with an 88% pass rate and 95% of our graduating Seniors to continue their education at a college or university - a remarkable achievement for our students and staff. In conjunction with our academic offerings, our Westlake Information Technology Academy, which is a California Partnership Academy, provides students a school within a school experience with major emphasis on technology. In addition to our Academy, we have a full time Career Education Coordinator who oversees the development and sustainability of all Career Technical Education (CTE) programs including our CTE pathways in Biotechnology & Research, Health Services, and Video Game Development

With this strong push on academics, we provide academic and social-emotional support for our students and families. We are proud to offer academic support through our academic support centers in Math, Science, and Writing. These academic centers are peer-to-peer tutoring centers so all students can receive help at the level from peers that have been in the class before. In addition, our counseling department realizes the importance of supporting our students with the social-emotional aspects that our students face on a daily basis. Our counselors utilize their training along with district and county resources to help support our students and families through the ups and downs of high school.

In addition to our strong focus on academics and the support that our students and families need, we realize the benefits of well-balanced students that are participating in school outside of the classroom. We are proud the over 70% of Westlake students participate in co-curricular activities including athletics, ASG, clubs, community events, band, choir, drama, dance, and orchestra. Being involved in this outside activities allows our students to realize the positive benefits that come from working with others in various environments and situations.

Lastly, Westlake High School possesses a highly qualified and effective teaching staff, an active PTSA, and a high degree of parental involvement. All of these components add to the outstanding support and experiences that are created for our students on a daily basis and have allowed Westlake High School to be recognized as a 2016 Nation Blue Ribbon School for academic excellence!

Student Enrollment by Grade Level (School Year 2015-16)

Grade Level	Number of Students
Grade 9	567
Grade 10	558
Grade 11	673
Grade 12	572
Total Enrollment	2,370

Student Enrollment by Group (School Year 2015-16)

Student Group	Percent of Total Enrollment
Black or African American	2.5
American Indian or Alaska Native	0.4
Asian	12.8
Filipino	1.9
Hispanic or Latino	20
Native Hawaiian or Pacific Islander	0.4
White	58.1
Two or More Races	3.8
Socioeconomically Disadvantaged	15.9
English Learners	2.2
Students with Disabilities	8.2
Foster Youth	0.1

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	102	91	91	859
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	1	0	0	15

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	100.0	0.0
High-Poverty Schools in District	100.0	0.0
Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: November 2016

All K-12 students have current standards-based textbooks in math, science and history/social science and English/Language Arts. With each curricular cycle established by the State of California, the Conejo Valley USD Board of Education adopts textbooks within the timeline provided. Standards-aligned books for grades 9-12 are approved locally. Textbooks in Grades K-8 are selected from lists of books and materials approved by the State Board of Education. Sufficient standards-based textbooks and instructional materials have been purchased for all students in English, Math, History/Social Science, Science, Health and Foreign Language. In addition, annually, sites receive specific science supplementary funds to be used for consumable laboratory expenses and/or equipment.

The process of selecting textbooks and materials involves the formation of a committee charged with the responsibility of reviewing state current standards and frameworks, analyzing student data, writing courses of study, as required, and selecting and maintaining current instructional materials. The goal of such district-wide committees, comprised of teachers and administrators representing all targeted grade levels, is to achieve high academic standards for all of our TK-12 students. Each major subject area, such as math, science, history/social science, foreign language and English/language arts, is reviewed and adopted under the guidance of the California Department of Education and State Board of Education. The committee submits its recommendations to the Board of Education for final approval. The recommendation to the Board includes the basic textbook materials as well as supplementary materials within the subject. CVUSD is currently working within the adoption process for Math and ELA at grades 6-12. On October 18, 2016, the CVUSD Board of Education approved a resolution for the 2016-2017 school year declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Each Fall, all schools in the Conejo Valley Unified School District are inspected by a team which consists of all or many of the following personnel: Site Administrator, Executive Director of Maintenance, Planning and Technology, Director of Maintenance & Operations, Director of Planning, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas, including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any condition observed that represents a concern to the health and safety of students and staff is annotated for immediate correction. Items noted which could improve the utility, appearance or safety of the school are recorded and evaluated for potential placement on the District’s annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District school needs, and the funds available to address those needs. The final list is approved by the Board of Education in the Spring, with the majority of projects completed the following Summer.

The District has been fortunate to have strong support from the community. A recently passed \$197 million bond measure is currently in place to address safety and security, upgrade instructional technology and modernization of the facilities, including updating of science, math, and career prep labs. Projects are on-going and will continue for the next 10 years. The District provides 8 full-time custodians at Westlake High School, and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy and attractive learning environments.

Westlake High School was opened in 1978 on a 55.9 acre site and has a capacity of 2,310 students. The school has 104 classrooms, a multipurpose room, a library and an administration building, a Performing Arts Center, a Swim Center and tennis courts. In 2007, underground utilities, air conditioning, restrooms doors, were replaced and upgraded and ADA was improved.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts/Literacy	86	83	64	66	44	48
Mathematics	69	62	57	58	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	659	599	90.9	83.1
Male	11	346	317	91.6	79.8
Female	11	313	282	90.1	87.0
Black or African American	11	14	12	85.7	63.6
American Indian or Alaska Native	11	--	--	--	--
Asian	11	90	85	94.4	94.1
Filipino	11	--	--	--	--
Hispanic or Latino	11	126	119	94.4	66.7
Native Hawaiian or Pacific Islander	11	--	--	--	--
White	11	388	348	89.7	86.1
Two or More Races	11	26	20	76.9	89.5
Socioeconomically Disadvantaged	11	110	99	90.0	65.6
English Learners	11	--	--	--	--
Students with Disabilities	11	44	32	72.7	32.1
Foster Youth	11	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded

Science (grades 5, 8, and 10)	83	82	74	81	80	77	60	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in Science by Student Group
Grades Five, Eight, and Ten (School Year 2015-16)**

Student Group	Total Enrollment	# of Students with Valid Scores	% of Students with Valid Scores	% of Students Proficient or Advanced
All Students	551	518	94.0	73.6
Male	273	262	96.0	73.7
Female	278	256	92.1	73.4
Black or African American	12	12	100.0	58.3
Asian	76	75	98.7	92.0
Filipino	11	11	100.0	90.9
Hispanic or Latino	126	117	92.9	41.0
White	300	277	92.3	81.2
Two or More Races	25	25	100.0	84.0
Socioeconomically Disadvantaged	96	90	93.8	38.9
English Learners	16	14	87.5	14.3
Students with Disabilities	47	40	85.1	27.5

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Career Technical Education Programs (School Year 2015-16)

The needs of students in Career Technical Education (CTE) programs are supported by administrators, counselors, the School-to-Career coordinators, teachers and the Student Study Team. The programs are voluntary and have a non-discriminatory recruitment and selection process. Teachers are provided with staff development, other resources, and time to develop instructional strategies that foster critical thinking, problem solving, leadership, and academic skills. Students receive support such as mentoring and tutoring. A high priority is also given to CTE programs, which have traditionally served at-risk students.

The District funds three full-time Career Education Coordinators at the comprehensive high schools and a part-time Career Education Coordinator at the continuation High School. One of their primary tasks is to increase our outreach to business, labor, and post-secondary education. In addition, information about local occupational needs is gathered from a variety of sources. District and school advisory panels include business partners, labor, post-secondary representation, teachers, counselors, and administrators. School-to-Career coordinators regularly attend Chamber of Commerce Education Committee meetings and the Area Coordinating Team (ACT) meetings. Labor Market Information for Ventura County is used to survey the fastest growing occupations for the period 2008-2018. All of this data and the Core Indicators generated for Carl Perkins reports are used by schools and the District to measure the effectiveness of their Career Technical Education programs and courses. The district also receives funding for our CTE pathways from the Carl Perkins grant and the California Career Pathways Trust grant.

Westlake High School offers five Career Pathways; Computer Science: Software & Systems Development, Computer Science: Game Design and Computer Simulation, Health Science & Medical Technology: Patient Care, Energy & Utilities: Environmental Resources, and Arts, Media & Entertainment: Production & Managerial Arts

The courses in a Career Pathway transition from participant (introductory) courses to concentrator (intermediate) courses, to a capstone (completion) course. The capstone courses allow students to master employment readiness standards in order to prepare for entry level employment or post-secondary education. Some of the pathway courses offer industry certification to allow students to demonstrate mastery of entry level job skills before graduating from high school. Students may wish to also become active in one of the co-curricular programs offered; Future Business Leaders of America (FBLA), Health Occupation Students of America (HOSA) or one of the Junior Achievement business programs.

Westlake High School supports one California Partnership Academy. The Westlake Innovative Technology (WIT) Academy is based on the "school-within-a-school" model and is offered to students in grades 10-12 that are interested in a career focus in Game Design & Computer Simulation. Each grade level cohort of students enroll in three college preparatory academic core courses and one career technical course. Students completing the 3-year program meet the A-G college entrance requirements along with participation in valuable job shadows, mentorships, and internships. Students are able to gain industry certification in several Adobe Software programs.

Career Technical Education Participation (School Year 2015-16)

Measure	CTE Program Participation
Number of pupils participating in CTE	97
% of pupils completing a CTE program and earning a high school diploma	29%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	98.58
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	67.8

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	12.8	29.6	47

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Westlake High School has many opportunities for parental involvement. A very active and involved School Site Council (SSC) meets the fourth Tuesday of every month at 3:00 pm. The highly supportive Parent Teacher Student Association (PTSA) meets the second Thursday of every month at 9:00 am. Our PTSA contributes hundreds of volunteer hours that directly benefit students and staff. They provide support for student testing, registration, schedule pick up, WOW week, College Night, Toys for Tots, Many Mansions Food drive, Red Ribbon Week, staff appreciation events, and award ceremonies. In addition, the PTSA donates monies directly to teachers for their instructional programs via the Warrior Wishes donations. Last year over \$30,000 was donated to WHS. For information check the PTSA website (www.whsptsa.com).

The parents and/or guardians of English Learners (ELs) are invited to participate in the English Learner Advisory Committee (ELAC). Parents have the opportunity to advise the School Site Council (SCS) and recommend services that directly impact the education of ELs. The ELAC committee reviews the school’s EL Program components, language attainment goals, and the EL budget. ELAC committee members are encouraged to engage in the education of their children by being part of the decision-making process.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Dropout Rate	0.50	1.10	0.90	2.20	2.30	1.80	11.40	11.50	10.70
Graduation Rate	98.43	98.71	98.45	96.32	97.00	97.36	80.44	80.95	82.27

Completion of High School Graduation Requirements - Graduating Class of 2015 (One-Year Rate)

Group	Graduating Class of 2015		
	School	District	State
All Students	100	98	86
Black or African American	95	95	78
American Indian or Alaska Native	0	70	78
Asian	100	99	93
Filipino	100	100	93
Hispanic or Latino	100	96	83
Native Hawaiian/Pacific Islander	100	100	85
White	99	99	91
Two or More Races	100	100	89
Socioeconomically Disadvantaged	95	89	66
English Learners	100	48	54
Students with Disabilities	100	100	78

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Suspensions	4.0	3.1	3.1	3.1	2.8	2.5	4.4	3.8	3.7
Expulsions	0.1	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2016-17)

Site specific District Disaster Preparedness Plans and School Safety Plans are developed, revised and updated each year through a collaborative process obtaining appropriate approvals. Safety plans address: a) child neglect and abuse reporting; b) disaster procedures; c) policies and procedures regarding dangerous students and bullying/harassment d) sexual harassment & nondiscrimination policies; e) dress code; f) safe ingress/egress; g) school rules related to discipline and safe schools. Likewise, all school sites routinely practice Fire, Earthquake and Lock Down drills throughout the school year. District policies and administrative regulations are reviewed and updated on a regular basis to remain present-day and consistent with current law.

A well-planned communication equipment system consisting of intra-district two-way radios and walkie-talkies is located at all sites for daily use and in preparation for possible emergency use. Moreover, local bond dollars support needed physical and safety upgrades at all school sites.

The District's Human Resources department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also installed Automated External Defibrillators in nearly all facilities.

The District also has partnered with the City of Thousand Oaks, the Conejo Recreation and Park District and the Ventura County Sheriff's & Fire Departments for coordinating response and resource allocations in major emergencies. Additionally, with the generous support of the City of Thousand Oaks each comprehensive high school enjoys the services of a full-time Student Resource Officer (TOPD).

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2010-2011
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	4
Percent of Schools Currently in Program Improvement	N/A	14.8

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2013-14				2014-15				2015-16			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	23	36	47	23	23	29	58	17	28	13	46	23
Mathematics	28	18	23	42	28	18	19	43	31	5	29	39
Science	32	9	15	51	33	7	13	50	33	4	29	49
Social Science	29	13	15	42	29	13	11	49	37	2	16	42

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2015-16)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	5.0	467
Counselor (Social/Behavioral or Career Development)	0.9	N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)	0.9	N/A
Psychologist	1.0	N/A
Social Worker	0.6	N/A
Nurse	0.2	N/A
Speech/Language/Hearing Specialist	0.5	N/A
Resource Specialist	9.8	N/A
Other	25.1	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$5,903	571	\$4,332	\$65,033
District	N/A	N/A	\$5,542	\$76,224
Percent Difference: School Site and District	N/A	N/A	-21.8	-14.7
State	N/A	N/A	\$5,677	\$74,216
Percent Difference: School Site and State	N/A	N/A	-23.7	-12.4

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2015-16)

Per pupil expenditures include funds expended for all instructional services. These include transportation, food services, health services, counseling services / mental health services, instructional materials and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI transportation (school choice) and Alternative Support Services (Six elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners / LEP and Immigrant (All Schools) and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the district. The Conejo Schools Foundation, PTA’s and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as: College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education – Ventura County Innovates (CTE) – (Middle Schools & High Schools).

Teacher and Administrative Salaries (Fiscal Year 2014-15)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,131	\$44,958
Mid-Range Teacher Salary	\$71,801	\$70,581
Highest Teacher Salary	\$90,881	\$91,469
Average Principal Salary (Elementary)	\$113,041	\$113,994
Average Principal Salary (Middle)	\$115,934	\$120,075
Average Principal Salary (High)	\$124,276	\$130,249
Superintendent Salary	\$192,503	\$218,315
Percent of Budget for Teacher Salaries	43%	38%
Percent of Budget for Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2015-16)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	3	N/A
English	9	N/A
Fine and Performing Arts	8	N/A
Foreign Language	5	N/A
Mathematics	10	N/A
Science	15	N/A
Social Science	26	N/A
All courses	73	45.4

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

The Conejo Valley Unified School District is committed to providing professional development activities for all teachers and administrators. Both groups continue to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards and beyond. A robust professional development effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities.

Professional development strategies such as workshops, institutes and academies, as well as job-embedded activities are related to College and Career Readiness, Smarter Balanced Assessments and other proficiencies required to meet the needs of all students. Professional development topics are aligned with District and school site needs identified through and outlined within the district and schools' LCAP goals. Professional development for high school faculty and staff members are also aligned with each school's WASC action plan.

The District also provides, at no cost to teachers, an induction program (New Teacher Induction) for first year and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

The Ventura County Superintendent of Schools Office offers a professional development series that is specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, literacy intervention technology, supervision, evaluation, and leadership.

In addition to professional development activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional development activities to every educator to improve the instructional process and enhance student achievement. The District provides all teachers with 18 hours per year of staff development related to curriculum, instructional technology, assessment, report cards, instructional strategies and using data to close the achievement gap.
