

Westlake High School

School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Contact Information	
School Name	Westlake High School
Street	100 N. Lakeview Canyon Road
City, State, Zip	Westlake Village, CA, 91362-3895

CDS Code	56 73759 5630116

District Contact Information	
District Name	Conejo Valley Unified School District
Phone Number	(805) 497-9511
Superintendent	Mark W. McLaughlin, Ed.D.
E-mail Address	mmclaughlin@conejousd.org
Web Site	www.conejousd.org

School Description and Mission Statement (School Year 2017-18)

The mission of the Conejo Valley Unified School District is to meet the academic, cultural, social, and individual needs of students in order to prepare them to make a meaningful contribution to a democratic society. The Westlake High School mission reflects the District's mission through our Expected School-wide Learning Results (ESLRs).

The Westlake High School School-Wide Learning Outcomes (SLOs) are that our students be:

1. Informed and independent learners who use their knowledge and passion to practice critical thinking.
2. Effective communicators who can articulate their ideas through written and non-written expression using technology.
3. Informed, actively engaged members of their local and global communities.
4. Innovative, career, and college ready.

SCHOOL DESCRIPTION

Westlake High School offers a full range of programs in academics, fine and performing arts, and athletics. In the academic arena, we offer 24 Advanced Placement courses and a full range of college preparatory classes. During the 2016-17 school year, WHS administered over 2100 Advanced Placement tests with an 86% pass rate and 93% of our graduating seniors continue their education at a college or university. This is a remarkable achievement for our students and staff. In conjunction with our academic offerings, our Westlake Information Technology Academy, which is a California Partnership Academy, provides students a school-within-a-school experience with major emphasis on technology. In addition to our Academy, we have a full time Career Education Coordinator who oversees the development and sustainability of all Career Technical Education (CTE) programs, including our CTE pathways in Biotechnology & Research, Health Services, and Video Game Development.

With this strong push on academics, we are proud to offer academic support through our academic support centers in Math, Science, and Writing. These are peer-to-peer tutoring centers so all students can receive help from peers that have been in the class before. In addition, our counseling department realizes the importance of supporting our students with the social-emotional aspects that our students face on a daily basis. Our counselors utilize their training along with district and county resources to help support our students and families through the ups and downs of high school.

In addition to our strong focus on academics and the support that our students and families need, we realize the benefits of well-balanced students that are participating in school outside of the classroom. We are proud that over 70% of Westlake students participate in co-curricular activities including athletics, ASG, clubs, community events, band, choir, drama, dance, and orchestra. Being involved in these outside activities allows our students to realize the positive benefits that come from working with others in various environments and situations.

Lastly, Westlake High School possesses a highly qualified and effective teaching staff, an active PTSA, and a high degree of parental involvement. All of these components add to the outstanding support and experiences that is created for our students on a daily basis and allow Westlake High School recognition as a 2016 Nation Blue Ribbon School for academic excellence and a 2017 California Gold Ribbon award!

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 9	568
Grade 10	564
Grade 11	537
Grade 12	651
Total Enrollment	2,320

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	2.3
American Indian or Alaska Native	0.3
Asian	13.5
Filipino	1.3
Hispanic or Latino	21.9
Native Hawaiian or Pacific Islander	0.2
White	55.7
Two or More Races	4.6
Socioeconomically Disadvantaged	17.4
English Learners	2.6
Students with Disabilities	8.2
Foster Youth	0

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	91	91	90	843
Without Full Credential	0	0	0	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	5	32

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: July 2017

All K-12 students have current standards-based textbooks in Math, Science, History/Social Science, and English/Language Arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District Board of Education adopts textbooks within the timeline provided and approves standards-aligned books for Grades 9-12. In addition, the State Board of Education provides approved lists from which the local Board of Education selects books and materials for Grades K-8. We have purchased sufficient standards-based textbooks and instructional materials for all students in English, Math, History/Social Science, Science, Health, and Foreign Language. Each year, sites receive specific Science supplementary funds for consumable laboratory expenses and/or equipment.

The process of selecting textbooks and materials involves the formation of a committee comprised of teachers and administrators representing all targeted grade levels and charged with the responsibility of reviewing current state standards and frameworks. This includes analyzing student data, writing courses of study (as required), and selecting and maintaining current instructional materials. Their goal is to achieve high academic standards for all of our TK-12 students. In addition, they review each major subject area and adopt under the guidance of the California Department of Education and State Board of Education by submitting recommendations to the Board of Education for final approval. The recommendation to the Board includes basic textbook materials as well as supplementary materials within the subject. CVUSD is currently working within the adoption process for Math at Grades 9-12. On October 17, 2017, the CVUSD Board of Education approved a resolution for the 2017-2018 school year declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	<p>Grade 9: Pearson myPerspectives (2017) Core Literature: Of Mice and Men by John Steinbeck, Romeo and Juliet by William Shakespeare, To Kill a Mockingbird by Harper Lee; and one of the following: The Effect of Gamma Rays on...by Paul Zindel, A Tale of Two Cities by Charles Dickens, Bean Trees by Barbara Kingsolver, House on Mango Street by Sandra Cisneros, I Know Why the Caged Bird Sings by Maya Angelou, Princess Bride by William Goldman, The Hunger Games by Suzanne Collins, The Odessy by Homer, Mythology by Edith Hamilton, Our Town by Thornton Wilder, Penelopiad by Margaret Atwood, Absolutely True Diary of a Part-Time Indian by Sherman Alexie</p> <p>Grade 10 CP/10 H: Pearson myPerspectives (2017) Core Literature: Antigone by Sophocles, Lord of the Flies by William Golding, and either Julius Caesar/MacBeth by William Shakespeare and one of the following: A Separate Peace by John Knowles, A Thousand Pieces of Gold by Ruthanne Lum McCunn, Bless Me Ultima by Rudolfo Anaya, Bless the Beasts and the Children by Glendon Swarthout, Cyrano de Bergerac by Edmond Rostand, Ender's Game by Orson S. School Facility Conditions and Planned Improvements (Most Recent Year)

Each fall, all schools in the Conejo Valley Unified School District are inspected by a team which consists of all or many of the following personnel; Site Administrator, Director of Maintenance & Operations, Director of Planning & New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas, including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any condition observed, that represents a threat to the health and safety of students and staff, is annotated for immediate correction. Items noted which could improve the utility, appearance or safety of the school are recorded and evaluated for potential placement on the District's annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District school needs, and the funds available to address those needs. The final list is approved by the Board of Education in the Spring, with the majority of projects completed the following Summer. Each year the District participates in the State's Deferred Maintenance Program, and these funds have been a major source of support for the annual Major Projects List in recent years. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction (OPSC). The District has not been required to make its normal contribution to the Deferred Maintenance Fund since the 2008-09 school year, and the State's annual contribution has been utilized for other "educational purposes", with this flexibility continuing through the current year. Deferred Maintenance Program projects will be prioritized and funded with carryover funds from previous budgets, or as augmented by future funding.

The District provides 7 full-time custodians at Westlake High School and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments.

Westlake High School was opened in 1978. Sited on 55.9 acres of land, the school has 66 classrooms, a multipurpose room, a library, and an administration building. The campus underwent a modernization beginning in 1998 with the construction of the stadium bleachers. In 2002, the Swim Center was built and additional tennis courts were built. In 2007, replacing and upgrading of underground utilities, air conditioning, restrooms doors, and improving accessibility under ADA was completed. Reconstruction and expansion of the swimming pool was completed in 2005. In 2009, the renovation of the Performing Arts Center began and the conversion of a shop class to a Band Room was completed. The current capacity at Westlake High School is 2,656 students. The school was inspected by the District Site Inspection Team on October 26, 2017.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: October 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Sewer root intrusion; shut-off valve issues.
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			Pest control recommendations need to be implemented per inspections.
Electrical: Electrical		X		Building 4 needs breaker removal and replacement
Restrooms/Fountains: Restrooms, Sinks/Fountains	X			
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs		X		Upper deck has water intrusion.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			Fencing inspection needed.

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: October 2017				
Overall Rating	Exemplary	Good	Fair	Poor
			X	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	83	80	66	67	48	48
Mathematics (grades 3-8 and 11)	62	59	58	59	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	526	500	95.06	80.2
Male	266	256	96.24	73.83
Female	260	244	93.85	86.89
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	76	74	97.37	97.3
Filipino	--	--	--	--
Hispanic or Latino	115	107	93.04	56.07
White	290	277	95.52	85.92
Two or More Races	24	23	95.83	86.96
Socioeconomically Disadvantaged	77	73	94.81	46.58
English Learners	34	32	94.12	31.25
Students with Disabilities	44	39	88.64	28.21

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	526	498	94.68	59.15
Male	266	257	96.62	57.81
Female	260	241	92.69	60.58
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	76	74	97.37	85.14
Filipino	--	--	--	--
Hispanic or Latino	115	106	92.17	33.96
White	290	275	94.83	61.82
Two or More Races	24	23	95.83	65.22
Socioeconomically Disadvantaged	77	73	94.81	26.03
English Learners	34	33	97.06	12.5
Students with Disabilities	44	39	88.64	15.38

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	82	74	80	77	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

The needs of students in Career Technical Education (CTE) programs are supported by administrators, counselors, the School-to-Career coordinators, teachers and the Student Study Team. The programs are voluntary and have a non-discriminatory recruitment and selection process. Teachers are provided with staff development, other resources, and time to develop instructional strategies that foster critical thinking, problem solving, leadership, and academic skills. Students receive support such as mentoring and tutoring. A high priority is also given to CTE programs, which have traditionally served at-risk students.

The District funds three full-time Career Education Coordinators at the comprehensive high schools and a part-time Career Education Coordinator at the continuation High School. One of their primary tasks is to increase our outreach to business, labor, and post-secondary education. In addition, information about local occupational needs is gathered from a variety of sources. District and school advisory panels include business partners, labor, post-secondary representation, teachers, counselors, and administrators. School-to-Career coordinators regularly attend Chamber of Commerce Education Committee meetings and the Area Coordinating Team (ACT) meetings. Labor Market Information for Ventura County is used to survey the fastest growing occupations for the period 2008-2018. All of this data and the Core Indicators generated for Carl Perkins reports are used by schools and the District to measure the effectiveness of their Career Technical Education programs and courses. The district also receives funding for our CTE pathways from the Carl Perkins grant and the California Career Pathways Trust grant.

Westlake High School offers five Career Pathways; Computer Science: Software & Systems Development, Computer Science: Game Design and Computer Simulation, Health Science & Medical Technology: Patient Care, Energy & Utilities: Environmental Resources, and Arts, Media & Entertainment: Production & Managerial Arts

The courses in a Career Pathway transition from participant (introductory) courses to concentrator (intermediate) courses, to a capstone (completion) course. The capstone courses allow students to master employment readiness standards in order to prepare for entry level employment or post-secondary education. Some of the pathway courses offer industry certification to allow students to demonstrate mastery of entry level job skills before graduating from high school. Students may wish to also become active in one of the co-curricular programs offered; Future Business Leaders of America (FBLA), Health Occupation Students of America (HOSA) or one of the Junior Achievement business programs.

Westlake High School supports one California Partnership Academy. The Westlake Innovative Technology (WIT) Academy is based on the "school-within-a-school" model and is offered to students in grades 10-12 that are interested in a career focus in Game Design & Computer Simulation. Each grade level cohort of students enroll in three college preparatory academic core courses and one career technical course. Students completing the 3-year program meet the A-G college entrance requirements along with participation in valuable job shadows, mentorships, and internships. Students are able to gain industry certification in several Adobe Software programs.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	405
% of pupils completing a CTE program and earning a high school diploma	29%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	40%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	98.92
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	61.1

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	16.5	28.3	44.3

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Westlake High School has many opportunities for parental involvement. A very active and involved School Site Council (SSC) meets the fourth Tuesday of every month at 3:00 pm. The highly supportive Parent Teacher Student Association (PTSA) meets the second Thursday of every month at 9:00 am. Our PTSA contributes hundreds of volunteer hours that directly benefit students and staff. They provide support for student testing, registration, schedule pick up, WOW week, College Night, Toys for Tots, Many Mansions Food drive, Red Ribbon Week, staff appreciation events, and award ceremonies. In addition, the PTSA donates monies directly to teachers for their instructional programs via the Warrior Wishes donations. Last year over \$50,000 was donated to WHS. For information check the PTSA website (www.whsptsa.com).

The parents and/or guardians of English Learners (ELs) are invited to participate in the English Learner Advisory Committee (ELAC). Parents have the opportunity to advise the School Site Council (SSC) and recommend services that directly impact the education of ELs. The ELAC committee reviews the school's EL Program components, language attainment goals, and the EL budget. ELAC committee members are encouraged to engage in the education of their children by being part of the decision-making process.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	1.1	0.9	0.5	2.3	1.8	1.2	11.5	10.7	9.7
Graduation Rate	98.71	98.45	98.6	97	97.36	97.7	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	98.43	97.81	87.11
Black or African American	94.44	91.18	79.19
American Indian or Alaska Native	100	100	80.17
Asian	100	98.68	94.42
Filipino	87.5	96.55	93.76
Hispanic or Latino	97.87	94.32	84.58
Native Hawaiian/Pacific Islander	83.33	90	86.57
White	98.61	99.08	90.99
Two or More Races	95.24	98.21	90.59
Socioeconomically Disadvantaged	100	100	85.45
English Learners	40	48.48	55.44
Students with Disabilities	89.47	88.17	63.9
Foster Youth	100	50	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	3.1	3.1	1.6	2.8	2.5	1.8	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.1	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Site specific District Disaster Preparedness Plans and School Safety Plans are developed, revised and updated each year through a collaborative process obtaining appropriate approvals. Safety plans address: a) child neglect and abuse reporting; b) disaster procedures; c) policies and procedures regarding dangerous students and bullying/harassment d) sexual harassment & nondiscrimination policies; e) dress code; f) safe ingress/egress; g) school rules related to discipline and safe schools. Likewise, all school sites routinely practice Fire, Earthquake and Lock Down drills throughout the school year. District policies and administrative regulations are reviewed and updated on a regular basis to remain present-day and consistent with current law.

A well-planned communication equipment system consisting of intra-district two-way radios and walkie-talkies is located at all sites for daily use and in preparation for possible emergency use. Moreover, local bond dollars support needed physical and safety upgrades at all school sites.

The District’s Human Resources department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also installed Automated External Defibrillators in nearly all facilities.

The District also has partnered with the City of Thousand Oaks, the Conejo Recreation and Park District and the Ventura County Sheriff's & Fire Departments for coordinating response and resource allocations in major emergencies. Additionally, with the generous support of the City of Thousand Oaks each comprehensive high school enjoys the services of a full-time Student Resource Officer (TOPD).

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2010-2011
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	4
Percent of Schools Currently in Program Improvement	N/A	66.7

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	23	29	58	17	25	29	46	23	24	27	49	21
Mathematics	28	18	19	43	28	16	25	39	31	9	17	43
Science	33	7	13	50	32	7	15	48	31	9	18	38
Social Science	29	13	11	49	31	10	16	42	32	7	12	45

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	5.0	429
Counselor (Social/Behavioral or Career Development)	0.9	N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)	0.9	N/A
Psychologist	0.8	N/A
Social Worker		N/A
Nurse	0.6	N/A
Speech/Language/Hearing Specialist	2.6	N/A
Resource Specialist	5.3	N/A
Other	23	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$6,049	\$682	\$5,367	\$62,610
District	N/A	N/A	\$5,923	\$78,911
Percent Difference: School Site and District	N/A	N/A	-9.8	-23.0
State	N/A	N/A	\$6,574	\$77,824
Percent Difference: School Site and State	N/A	N/A	-20.2	-21.7

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

Per pupil expenditures include funds expended for all instructional services. These include transportation, food services, health services, counseling services / mental health services, instructional materials and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI transportation (school choice) and Alternative Support Services (Six elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners / LEP and Immigrant (All Schools) and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the district. The Conejo Schools Foundation, PTA’s and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as: College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education – Ventura County Innovates (CTE) – (Middle Schools & High Schools).

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,318	\$48,522
Mid-Range Teacher Salary	\$73,732	\$75,065
Highest Teacher Salary	\$93,359	\$94,688
Average Principal Salary (Elementary)	\$112,121	\$119,876
Average Principal Salary (Middle)	\$114,880	\$126,749
Average Principal Salary (High)	\$126,794	\$135,830
Superintendent Salary	\$206,600	\$232,390
Percent of Budget for Teacher Salaries	43%	37%
Percent of Budget for Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2016-17)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	2	N/A
English	2	N/A
Fine and Performing Arts	3	N/A
Foreign Language	2	N/A
Mathematics	2	N/A
Science	5	N/A
Social Science	5	N/A
All courses	21	46.9

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

The Conejo Valley Unified School District is committed to providing professional development activities for all teachers and administrators. Both groups continue to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards and beyond. A robust professional development effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities.

Professional development strategies such as workshops, institutes and academies, as well as job-embedded activities relate to College and Career Readiness, Smarter Balanced Assessments, and other required proficiencies meeting the needs of all students. Professional development topics align with District and school site needs identified through and outlined within the District and schools' LCAP goals. Professional development for high school faculty and staff members align with each school's WASC action plan.

The District also provides a free New Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

The Ventura County Superintendent of Schools Office offers a professional development series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, literacy intervention technology, supervision, evaluation, and leadership.

In addition to professional development activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional development activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in full-day trainings to support instruction, including the opportunity to collaborate with their colleagues. In addition, the District provides all teachers with 18 hours per year of staff development completed outside of their workday related to curriculum, instructional technology, assessment, report cards, instructional strategies, and using data to close the achievement gap. These 18 hours are completed through a combination of resources including workshops, conferences, and online and virtual professional development.
