RFO Process

KEEP CALM & FOLLOW THE RULES

And the winner is...
Supportable technology

Distributed to sites for budgeting and planning

Includes all chosen categories of hardware
What do the listed prices include?
What is “white glove” service?
What do the listed prices NOT include?
I can go to [insert big box store here] and buy the same thing, but cheaper. Why is that?
What is “Enterprise” equipment?
What is the process for installing interactive boards and panels?
Why are only certain brands featured? What was the process for the decision?
Can Measure I Funds be used to purchase off-lease /refurbished equipment?
What if I want to purchase something using Measure I funds that is not on the menu?
Orders and Receiving

- Bulk district-wide orders placed in July and August, 2015
- Most items include white-glove service.
Site Technology Plans

- Due June 30, 2015
- Includes:
  - Curricular goals for years 1–3
  - Device orders for year 1
- Reviewed by the Curriculum, Instruction, and Assessment office and Technology Services
Next Steps

- Stakeholder discussions
- Evaluation of process
- Professional Development
