BUS PASSES

Elementary and middle school students will be issued a bus pass that they will be **required to show the driver both morning and afternoon**. In most cases, passes will be given to them by the school. Bus passes will be issued only once each year. They will be validated to remain current for the remainder of the school year after fees are paid in January. There will be a fee of \$10.00 to replace lost bus passes. There will be a hole punched in the pass - this will allow your child to attach it to their back pack.

Students will be required to show a bus pass to the bus driver both morning and afternoon to ride the bus. Replacement passes will cost \$10.00.
