If you wish to address the Special Education District Advisory Council (SEDAC), then it is necessary to complete a speaker form (salmon) and hand it to the secretary. If you would like to make comments about items not on the agenda, a speaker form should be completed and turned in prior to the Public Comments section of the agenda. If you wish to address an agenda item, please submit your form prior to the Action portion of the agenda.

Pursuant to the Greene Act, members of the public have an opportunity to speak during Public Comments only. The Special Education District Advisory Council cannot enter into formal discussion nor can a decision be made in regard to public comments. However, the Special Education District Advisory Council may briefly respond to comments or questions from the public, and ask clarification questions or make announcements. The Special Education District Advisory Council may provide a reference to District staff or other resources of information; request District staff to report out at a subsequent meeting or may request the Special Education District Advisory Council Executive Board to place an item on a future agenda.

PLEASE NOTE: Public Comments will be limited to three minutes. On those occasions where there are 5 or more speaker cards, the Chairperson of the Special Education District Advisory Council may make the decision to decrease the time.

Please present your comments in a factual, respectful, and dignified manner that models how we expect our members to participate in the democratic process.
