CVUSD State of GATE Report

GATE Identification:

- Follow-up/Make-up assessments are in full swing! All teachers with students that were eligible or needed additional follow-up/make-up testing should have received individual correspondence from me. If you have any questions (or parents with questions) please send them my way. Student GATE placements will be finalized prior to class placement meetings for next year...stay tuned. 😊
- Do you have a potentially unidentified GATE student? It's never too late to advocate for GATE! Completing the [teacher referral](#) will kick start the identification process for next year.

Fostering High-Level Thinking Strategies with Bloom's Taxonomy:

- Depth of Knowledge ([DOK](#)) Level Wheel

Registration is open for the 3rd annual Teen Tech Convention for 6th grade students! Event takes place on Thursday, May 30th from 12-3 PM providing an afternoon of STEAM at the Teen Center! Bus space is limited to the first 60 students that register from each middle school campus.

"It is not the answer than enlightens, but the question."
