

GATE *at a Glance*

November 2018

CVUSD State of GATE Report

- Your GATE students are done...now what? Check out this easy [menu](#) for quick and simple ideas for students to take their learning to the next level!
- Creative ways to [Show What You Know](#)
- [100 things](#) students can *create* to demonstrate new learning
- Project-Based Learning [Ideas](#)
- Collection of [End Products](#) for Project Based Learning
- Is your team brainstorming creative differentiation strategies/extensions to enhance your grade level lessons? Email [me](#) and we can collaborate together in person or through email. Let me know how I can help. ☺
- Professional Development – If there is something you (or a group of you) would like to learn more about, that I can help facilitate, let your principal know or email [me](#). We can set something up for a small group of you at your site, an entire staff PD on campus, or I can put together something in the District Office for others to join.
