♥ AWARD ♥

NOMINATE YOUR FAVORITE TEACHER AND TELL US ABOUT THEIR SUPERPOWERS!

Let's honor our teachers that demonstrate the meaning of having a "heart of gold." At **Los Robles Health System**, we are big advocates for giving back to our community, which is why we will be honoring one Elementary School Teacher, one Middle School Teacher and one High School Teacher with our Hero's Heart Award.

ABOUT THE CONTEST: As first responders and healthcare heroes, we are grateful for the support and commitment that our teachers have had for our youth since the start of the pandemic. As a "**THANK YOU**" we are excited to give-back to our local educators. Nominating a teacher for our Hero's Heart Award is easy, simply visit our website, www.LosRoblesHospital.com, and tell us why the teacher you are nominating should be selected as this year's hero. An ideal candidate should be a teacher that goes above and beyond, is actively involved in mentoring their students and is involved within the community. All teachers must be employed by a public or private school within Ventura County and **nominations must be submitted by Friday, October 15th**. Winners will be announced in November by Los Robles Hospital's Healthcare Heroes.

\$1,000 PRIZE: Each Hero's school will be awarded \$750 to go towards their classroom or to help purchase an item on their "wish list" and \$250 will be donated to a local non-profit organization that the teacher and their students select.
