School-related organizations requesting transportation shall be fully responsible for the costs of their trips unless funding has been approved by the Governing Board.

(cf. 1230 - School-Connected Organizations)

The Superintendent or designee shall ensure that the district has sufficient liability insurance when field trips or excursions involve either transportation by district vehicles or travel to and from a foreign country. Transportation by Private Vehicle

Note: According to the California Department of Motor Vehicles (DMV), nonresidents on active military duty in California must have either a California driver's license or a valid driver's license from their state of residence. Vehicle Code 12814.6 provides that any person under age 18, during the first 12 months of issuance of a provisional license, cannot transport individuals under age 20. Districts may contact the DMV to determine if a driver has a record of reckless driving. Sample driver registration and instruction forms are provided in the accompanying exhibits.

The Superintendent or designee may authorize the transportation of students by private vehicle when the vehicle is driven by an adult age 21 or older who possesses a valid California driver's license or, if he/she is a nonresident on active military duty in California, possesses a valid license from his/her state of residence. To be approved, a driver shall have a good driving record and possess at least the minimum insurance required by law. Any person providing transportation to district students in a private vehicle shall register with the district for such purposes.

(cf. 1240 - Volunteer Assistance)

All student passengers shall submit permission slips signed by their parents/guardians. *Teachers shall ensure that each driver has a copy of the permission slip for each student riding in his/her vehicle.*

The number of passengers, including the driver, shall not exceed the capacity for which the vehicle was designed. Motor trucks may not transport more persons than can safely sit in the passenger compartment. The driver shall ensure that the manufacturer's recommendations for his/her vehicle are followed regarding the seating of children in seats equipped with airbags.

The driver or any other person shall not smoke or have in his/her immediate possession a lighted pipe, cigar, or cigarette containing tobacco or any other plant when there is a minor in the motor vehicle, whether the motor vehicle is in motion or at rest. (Health and Safety Code 118948)

Passenger Restraint Systems

All drivers shall wear safety belts in accordance with law. In addition, drivers shall ensure that: (Vehicle Code 27315, 27360, 27360.5, 27363)
