Each school year, Aspen PFA helps to fund these enriching programs and activities, above and beyond those provided by the school district:

- Salaries for P.E., Dance and Computer Specialists, Instructional Support Staff
- Art Masters Program
- Seasonal school festivity events (e.g., Harvest Fest, Valentine’s Dance)
- Science Fair and Assemblies
- Instructional fund/Supplemental classroom materials
- Hospitality events for students and families (e.g., End of Summer Ice Cream Social)

Based on expected enrollment for Fall 2016, PFA would be able to cover the entire 2016-2017 academic year’s expenditures if every family donates \$140.00 per student. However, **any amount that your family can contribute to our school would help so very much!**

What is Aspen Elementary PFA?

Aspen PFA (parent faculty association) is a 501(c)(3) non-profit, completely volunteer-run organization. Its mission is “to assist in making our children’s educational experience the best it can be by creating an atmosphere of community, family volunteerism and teacher/parent communication, through funding that will augment a fully rounded learning experience while inviting all people in our community to be an active part of the learning experience.”

Why join Aspen PFA?

Parent and faculty PFA members become more deeply involved in the educational experience of our students. Coming to PFA meetings helps you to stay updated on what’s happening at our school and gives you a voice in your child’s educational experience. Monthly meetings are held on the 2nd Tuesday per month at 7pm in the school library, and the agenda includes a variety of topics including funding and fundraising for our school’s many special programs, equipment and activities. While PFA members can vote on agenda items, everyone is welcome to attend PFA meetings. Our school principal provides monthly updates on school- and district-related topics, and our teacher-representative provides input and updates from our faculty.

How much time commitment does PFA require?

It is up to you! We have a variety of responsibilities within PFA, including school-based activities, but also duties that can easily be done from home after hours. Any amount of involvement is greatly appreciated – your effort will help all Aspen students to thrive, and it will hopefully be fulfilling for you, too!

How to get involved:
