

## How to access the Q Parent Connection website

Access Q Parent Connection at <https://conejo.vcoe.org/parentconnect/>

The screenshot shows a web browser window with the URL <https://conejo.vcoe.org/parentconnect/>. The page header includes the ParentConnection logo and the text 'Conejo Valley USD'. Below the header is a 'ParentConnection Login' section with fields for 'PIN:' and 'Password:', a 'Log In' button, and a link labeled 'Need Your Login Information?'. The link is circled in black, and an arrow points from it to the right-hand text instructions.

Enter your PIN number and password

Once in the system, your student's ID number and other school information will be available to you.

If you do not know your PIN and/or password, click on the "Need Your Login Information" link.

The next screen will ask you to enter your email address (this should be the email where you receive notifications from the school that you child attends), then click the "Submit" button.

If the email matches, your PIN and password will be emailed to you (be sure to check your spam folder). If it doesn't match, or if there is any problem, you will see a message that asks you to contact your child's school.
