

# **ANNOUNCEMENT 12-18-19**

## **MORNING REMINDERS:**

Cell phones need to remain off and in your locker at all times...not in your pocket, pencil pouch, or binder!

## **TEACHER TRACKER:**

Good morning LC – It's time for Teacher Tracker! Today we asked "Which one do you like better, cat or dog?" They answered "Dog."

## **FICTION WRITING CLUB:**

Come to the Fiction Writing Club at Ms. Garcia's room (P-2) every Friday at lunch to write your own exciting literature! There are multiple writing opportunities and the thoughtful criticism of Ms. Garcia. Creative freedom for all!

## **SUSTANABLE EARTH CLUB:**

The average person replaces their phone every 2.5 years, so imagine how many phones you will throw away in your life. Less than 20% of these are recycled properly, the other 80% are releasing harmful chemicals into the environment that severely damage the atmosphere. But you can do something to help recycling. Save your old electronics over the break so Sustainable Earth Club can collect them and make sure they are recycled right.

## **DRESS UP DAY:**

This Friday is holiday wear day! Bust out your best holiday outfits for the last day of school before winter break.
