

ANNOUNCEMENT 12-5-19

SANTA LETTER WRITING:

Ho Ho Ho, what have we got to show?

For the Santa Wish letters, we're talking about. I'd say we are coming close to our goal of 1,000, but a whole classroom quick assignment would really boost our numbers. It doesn't matter the size of paper – even a drawing will suffice. And all our letters will be turned in to Macy's on Friday. Macy's is donating DOUBLE the letters on Friday. So...LCMS... if we turn in 1000 letters, we will have earned a whopping \$2,000 for Make-A-Wish Foundation! Come, write a letter, and make the world feel better!

MORNING REMINDERS:

Cell phones need to remain off and in your locker at all times...not in your picket, pencil pouch, or binder!

BOYS VOLLEYBALL TRYOUTS:

Boys Volleyball team tryouts and practices will be TODAY at lunch.

TEACHER TRACKER:

Hey LC – time for a Teacher Tracker recap. The first question we asked them was "What was your first job?" The teacher answered a babysitter. The second question we asked them was "If you became a multi-millionaire overnight, what would you buy?" They answered a beach house. The last question we asked them was "Would you rather be a genius with no friends or a goofball with a lot of friends?" The teacher answered a goofball with lots of friends.

BEHAVIOR AFTER SCHOOL:

Students need to be on their best behavior at all times, especially after school in the Von's shopping center and other stores. Be respectful to others as we have received reports of students cursing at coffee store next to Vons.
