

Birthday Locker Decorating

- Students wishing to decorate a friend's locker MUST check in to the front office.
 - You will be asked to sign in and let us know whose locker you will be decorating.
- Only two students at a time may decorate.
- The decorator must clean up the locker by the end of the following day.
- Locker decorations should be kept simple.
 - No balloons, food, candy, tinsel, streamers, or anything that blocks lockers nearby or causes a mess in the hallway.
- Administration reserves the right to remove decorations if they do not follow these rules.
- Thank you, in advance, for your cooperation.
