

Dear LCMS Leopard Families:

My name is Monique O'Neill and I am the Box Tops for Education Coordinator for Los Cerritos Middle School. Our PTSA is proud to support our school community.

We have funded Campus Outdoor Artwork & Signage, Classroom & Program Enhancements, Hydration Station, Leadership Retreats, Parent Information & Discussion Seminars, Reflections Program, Teacher & Staff Appreciation & Luncheons, Wi-Fi Enhancements, Workout Equipment, and Upcoming Programs like Robotics & 3-D Printing. This year, our goal is to raise \$500 in Box Top revenue. It may seem like a lot of little Box Tops, but they do add up fast! This goal will be easy to achieve with your help!

Also, you can go the website listed below and shop online to earn Box Tops, as well as receive valuable coupons to help our school.

Thank you in advance for all your help. Every little bit helps to improve the education of our students!
