

In addition to taking notes in class, you are expected to read each section covered that day (listed as the day's objective) in your text book before doing the exercises assigned.

1-A1 means Chapter 1, Assignment 1. Always start each problem by writing the problem as shown in the book, show all work steps below, then **box** your final answer. If the problem is a **word problem**, write the equation, or supporting work needed to solve the problem, show work, then give a **word answer**. (Remember *Word Problems* need *Word Answers!*)
