Dear Parent/Guardian:

Your child's class will soon have the opportunity to attend outdoor school in the mountains at Camp Bloomfield. Camp Bloomfield is located on Mulholland Highway, about 2 miles inland from Leo Carrillo State Beach. The camp provides comfortable and modern facilities including heated cabins with indoor flush toilets and showers, a fully equipped kitchen, and large central hall. This project has been carefully planned by teachers and administrators, and has received the approval of the Conejo Valley Unified School District's Board of Education.

This trip will be one of the highlights of your child's educational experiences. Students will participate in activities such as hiking, nature lore and conservation. The classes provide your child with hands on science instruction in the out-of-doors.

**LOCATION:** Camp Bloomfield, 35375 Mulholland Highway, Malibu, CA. 90265

**COST:** A check for your student's participation in this event of \$225.00, made payable to your student's school, is due one month prior to departure. *If paying after due date, must be in cash or cashier's check one week prior to departure.*

**SUPERVISION:** Students will be under the supervision of your school's teachers and the staff of Outdoor School.

**STAFF:** The staff at each session will consist of Mr. Stephen Sipes, Coordinator of the Outdoor Education Program, classroom teachers, Outdoor School instructors, and cabin counselors. The instructors include experienced teachers and college graduates with experience in environmental education. The counselors, most of whom are high school seniors, have been carefully selected, based on their qualifications and backgrounds. The children will be supervised 24 hours a day by Outdoor School staff members who are experienced in working with children and are knowledgeable in first aid.
