

Get Ahead PROGRAM

SUMMER 2022

getaheadsummer@
conejoschools.org

GAP courses will be held virtually utilizing one of the two learning styles to meet your students' needs:

ASYNCHRONOUS MODEL: students work independently on their own schedule

SYNCHRONOUS MODEL: students meet with instructors at assigned times for required instruction sessions

Check for updated course offerings!

conejoschools.org

SYNCHRONOUS LEARNING MODEL

(students meet virtually each day to receive instruction at an assigned time)
Estimated daily two-hour instructional sessions

- › Algebra 1 CP
- › Geometry H
- › Spanish 1 CP
- › Spanish 3 CP
- › Chemistry H
- › Health
- › Spanish 2 CP

Synchronous course meeting times will be scheduled on the following dates:

1st Semester Session: JUNE 14-17 | 20-23 | 27-30
(NO SCHOOL ON JUNE 24)

2nd Semester Session: JULY 5-9 | 11-14 | 18-21
(NO SCHOOL ON JULY 15)

SYNCHRONOUS LEARNING:

Those classes being taught within the Get Ahead Program in a Synchronous Learning environment will utilize a set schedule of class meeting times each day through a virtual online platform. During these meeting times, the instructor will provide direct instruction and learning opportunities for students to interact with the instructor and other students. In addition to these class meetings, the instructor will post assignments that students will be expected to complete and submit electronically. This learning environment will emulate a typical classroom environment while utilizing the virtual online platform to support the instruction and delivery of material by the instructor.

ASYNCHRONOUS LEARNING MODEL

(similar to GAP's previous online courses, students work independently with teacher support)

- › Health
- › PE
- › US History CP
- › US History H
- › World History CP
- › World History H

1st Semester Session:
JUNE 14-17 | 20-23 | 27-30
(NO SCHOOL ON JUNE 24)

2nd Semester Session:
JULY 5-9 | 11-14 | 18-21
(NO SCHOOL ON JULY 15)

ASYNCHRONOUS LEARNING:

Those classes being taught within the Get Ahead Program Asynchronous Learning environment will allow students to access, complete and submit course materials within a daily schedule that the students set for themselves. The instructor will post material and assignments each day and will be available for support and assistance through individual communication between the instructor and student. Students will be expected to compete and submit these assignments electronically. This learning environment relies on students being more independent in their learning opportunities.

REGISTRATION

OPENS March 1, 2022

Please log on to the Conejo Schools Foundation website at conejoschools.org and click the link for GetAhead Registration

TUITION

\$300 PER SEMESTER
\$600 YEAR-LONG COURSE

*Scholarships available, please contact your student's counselor

GetAhead PROGRAM

SUMMER 2022

THE BENEFITS OF THE GETAHEAD PROGRAM

- WASC-accredited supplemental program
- NCAA-approved courses that meet A-G and graduation requirements
- Taught by veteran faculty – highly qualified local teachers
- Flexible curriculum schedule
- Structured to meet local system and state requirements
- Daily communication to foster positive relationship with staff and peers
- 13 years of positive community feedback

PAYMENT

Must accompany registration. Acceptable forms of payment are checks, money orders, cash or credit card. (A nonrefundable fee of \$5 is charged for all credit card payments.) If paying by check, please make the check payable to Conejo Schools Foundation and put the student's first and last name and course in the memo section of the check. Please include your phone number on your check. There will be a \$25 charge for all returned checks (no exceptions), and the student will be removed from the class and placed at the bottom of the waiting list.

CONFIRMATION OF ENROLLMENT

Your receipt is your confirmation of enrollment. Final course confirmation will be emailed the first week of June. Please log on to the Conejo Schools Foundation website, www.conejoschools.org, and click on the link for GetAhead Registration. There is a nonrefundable charge of \$5 for the convenience of all online payments. Your original registration receipt – which indicates if your student was placed in a class or is on the waitlist – is your confirmation of enrollment status. If your student is on a waitlist, you will be notified as space becomes available. You will receive an email with more information about the particulars related to the GetAhead Program (such as classroom details and teacher information) in the beginning of June.

REFUND POLICY

Students that are placed on a waitlist that are ultimately unable to be accommodated will receive a full refund. Students that withdraw from summer school prior to June 1, 2022, will receive a partial refund of 50% of the tuition fee. No refunds will be issued after June 1, 2022. No exceptions. (The \$5 processing fee will not be refunded under any circumstances.)

COURSE ATTENDANCE POLICY:

Within our GetAhead Program, we utilize two different learning environments: **Asynchronous Learning** and **Synchronous Learning**. Attendance will be monitored through student participation each day that class is being held.

This participation will look different depending on the learning environment being utilized.

In the Asynchronous Learning environments, students are expected to login daily to the online platform being utilized by the instructor. In addition to log in, students are expected to access posted work/assignments, complete work/assignments, and submit work/assignments according to the schedule provided by the instructor. In this environment, a student may choose to work ahead to complete assignments but may not fall behind.

In the Synchronous Learning environments, students are expected to log in and participate in class lessons and activities during the scheduled time of the class. This schedule and timing will be established by the instructor of the course prior to the first day of the class. In addition to the "meeting time," students are expected to access, complete and submit posted work/assignments according to the schedule provided by the instructor.

COMMUNICATION

You will receive a confirmation of enrollment email upon registration, an updated information email toward the beginning of June and a welcome email from the course instructor a week before your course begins. The instructor will send daily emails or host online sessions to ensure open lines of communication between students and teachers. Teachers are available for course- and grade-related questions, and the principal is also available at the getaheadsummer@conejoschools.org address.

QUESTIONS

Please email:

getaheadsummer@conejoschools.org

It is the fastest way to reach our personnel. Once GAP 2022 starts, your student's teacher will indicate the best way to contact them directly.
