PEOPLE: 2. FACEBOOK PROFILES

Directions: Fill in each of the fields for EACH person listed in your coversheet. You can be funny, but remember, you MUST display your knowledge of the individual, so profiles that are only jokey will be graded harshly. You can find famous quotes and birthdays online, and you must include at least one person the individual would be friends with but they need not have lived at the same time in history. Facebook profile sheets will be available in class or online.
