

Westlake Hills Elementary
2019-2020
Student Supply Donation List

Welcome to Westlake Hills Elementary School! These supplies will help support students during the year. California law guarantees students a public education free of charge, and all materials, supplies, and equipment necessary for this class will be provided without charge. We may ask for donations of materials and supplies for our classroom, but all donations are strictly voluntary. However, parent support in this regard allows our school budgets to be used for additional instructional materials. We have also found that students often take better care of materials when they have been brought from home. Please contact the Principal of our school if you have any questions or concerns about school supplies and/or student fees. This is a voluntary donation to the school, and should not exceed \$25.00.

Kindergarten

Please do not purchase a backpack for your child. We recommend that students carry their supplies in a tote bag. You will be able to purchase the tote bag our kindergarten program uses at Kindergarten Orientation if parents wish to do so.

Crayons	1 box Crayola brand – 16 count 1 box Crayola brand , large – 8 count
