

# E-Mailing Weekly Newsletter

In our never ending quest to be green, the Lang Ranch office makes every attempt to go paperless with the school's main means of communication, the Weekly Newsletter. On the end of the year's needs assessment, 100% of the respondents requested that we maintain the e-mailing of Weekly Newsletters. With such a huge percentage of support, we have a certain degree of confidence that this format is working well for the Lang Ranch community.

If you **do not wish to participate** in the e-mailing of the Weekly Newsletter, please return the bottom slip on the **first day of school**. Arrangements will be made for your child to have a hard copy of the Weekly Newsletter delivered to his/her classroom. You can read all the newsletters on our website even if you don't have email ([www.langranchelementary.com](http://www.langranchelementary.com)).

## Weekly Newsletter

Our family is requesting to opt out of the weekly e-mailing and have the Weekly Newsletter sent home with our student.
