

New Parent Connect Password Process.

Good morning Sycamore!! Please see the new process for obtaining your log in information for Q Parent Connect below. This log in will allow you to access student information such as attendance, class schedules, grade book (5th – 8th grade), and other helpful information. A new feature to be aware of is you will not need to attend the annual class postings on Tuesday, August 23 at 5pm as you will be able to log into your account and see who your child's teacher is online. We hope this saves everyone some time by being able to access your information at home. If you have not done so, please make sure to download the new CVUSD App as well as follow us on Twitter. We look forward to seeing everyone soon.

The CVUSD will be enabling a new feature in Q Parent Connect, your parent portal into Q, our Student Information System. This will allow you to obtain your PIN and password on line. To start the process go to the Q Parent Connect website which is q.conejousd.org and click on the [Q Parent Portal Connection](#) link and then the [Need Your Login Information?](#) Link. Enter the email address you provided on your student's emergency card. You should receive an email with your PIN and Password. If there is a problem you will get an error message. If this happens, please contact the school office so we can help resolve the issue.
