

Create your own super hero!

Learn Digital Art @ Sycamore Canyon

Explore cool new features of ArtRage 5, and bring your art to life. Natural painting software, combined with the most popular pen tablet for artists, makes it fun & easy to design realistic artwork on your computer! Use pressure-sensitive pen to sketch, ink and color your characters. You love drawing on paper, then take your art to the next level!

Tools: Wacom Pen & Touch Tablet, **ArtRage Techniques:** Sketch, Trace, Color, Oil Paint
