

SYCAMORE CANYON SCHOOL
STUDENT SCHOOL SUPPLY DONATION LIST
2017- 2018

*Welcome to **Sycamore Canyon School!** These supplies will help support students during the year. California law guarantees students a public education free of charge, and all materials, supplies, and equipment necessary for this class will be provided without charge. We may ask for donations of materials and supplies for our classroom, but all donations are strictly voluntary and should NOT exceed \$25.00. However, parent support in this regard allows our school budgets to be used for additional instructional materials. We have also found that students often take better care of materials when they have been brought from home. Please contact the Principal of our school if you have any questions or concerns about school supplies and/or student fees.*
