

MARINE SCIENCE TIDE-POOLS

Returns To: Sycamore Canyon School -
Thursdays, 2:45 to 3:45: 9/28, 10/5, 10/12, 11/2, 11/9, 11/16

Have you ever touched a live STARFISH? Did you know that a SEA CUCUMBER lives in the ocean? Is an OCTOPUS as slimy as it looks? Come experience Marine Science in a fun and exciting way as students use interactive and hands-on activities. Each day students will have the opportunity to touch and hold real animals from the marine tide pools of the California coast. A craft project or science activity is also included in this creative exploration program each week. This class is open to all K through 5th graders. Class will meet at classroom #25 and finish at outside lunch tables.

**Space is limited and will fill quickly. To reserve your child's space go to WWW.YOUTHPEAK.COM to register or complete and return the form below with \$110(payable to YOUTH PEAK ENRICHMENT PROGRAMS) to the school front office. For any further information call our office at: 805-375-2267
