

To our new families, I would like to express a warm welcome to Sequoia Middle School! To our returning students and families, welcome back and I am looking forward to a great school year! My name is Hallie Chambers and I am thrilled to be your principal at Sequoia! I began my educational career in our district seventeen years ago as an elementary school teacher where I taught at both Weathersfeld Elementary School and Maple Elementary School. I then made the jump to administration where I served as the dean and assistant principal at Sequoia Middle School and then a principal at Madroña Elementary School. While I loved my time in elementary school, when the position at Sequoia became available, I knew it was time to come home! I am excited to work together with our staff and with our parent community to support all of Sequoia's students and to reinforce a culture where we recognize how important it is to, "Take care of yourself, take care of each other and take care of this place."

-Hallie Chambers
