

WESTLAKE HIGH SCHOOL DAILY ANNOUNCEMENTS

Apr 23, 2024

Hey Warriors, it's Anthony and Sydney, and it's time for your daily announcements!!

Juniors! Do you have the ability to keep an audience engaged, have an interest in reading off announcements, and would like to orchestrate rallies next year? It sounds like being an MC is just right for you! Go to room 31F at lunchtime for the mandatory MC Interest meeting. Attending this meeting is required for your consideration, so make sure to be there!

This week is permanent schedule week. Please see your counselor during nutrition and lunch if you want to make any changes to your course request, with the exception of dual enrollment courses. This will be your last opportunity to change your schedule request for the next school year.

Attention all students! Are you passionate about singing? Do you have a desire to showcase your vocal talent? Well, we've got exciting news for you! Auditions for the award-winning Westlake High School Choir Department are next week! If you're interested in auditioning, stop by room 21 N and see Mrs. Rolniak for more information. This year, we're offering auditions for three choirs, two of which offer honors credit. Want to do choir but not interested in auditioning, just see your counselor about adding Concert Choir to your schedule. Whether you're a seasoned singer or just starting out, we welcome everyone to our department. Don't miss out on this incredible opportunity to be a part of something special.

ATTENTION SENIORS!!! Listen up, as we have a few announcements for you!
