

Weathersfield Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

MISSION STATEMENT

The mission of Weathersfield Elementary School is to provide innovative academic and co-curricular programs that give students a lifelong love of learning and the opportunities to develop their interests, talents and abilities. In addition, we provide a variety of fine and performing arts and activities programs designed to enhance our students' academic experience and to develop the "whole child".

SCHOOL DESCRIPTION

Weathersfield Elementary is a 2020 National Blue Ribbon School and is also a 2014 California Distinguished School award winner. We are located in the north end of Thousand Oaks, in the Conejo Valley. We are very proud of our state test score gains which have earned us high marks with GreatSchools.com. The school currently serves 320 students in TK-5th grade who are attending our Blended and Remote Learning Models. We also have a number of students attending SHINE, our district homeschool program. Although the SHINE students are not counted in our numbers this year, they are still our Eagles and we expect that they will return to us after Covid 19 has ended.

Weathersfield Elementary School is staffed with a dedicated group of professionals who are committed to providing a rich learning experience for our students. We expect students to maintain high standards of citizenship and scholarship. Our teachers are a cohesive group who share ideas, seek advice and attend professional development to continuously enhance their teaching strategies. The unique quality of Weathersfield is that we have a warm and welcoming school environment, and a school community that cares deeply for our children and their academic and social emotional growth.

We are very proud of our school-wide Intervention Program which is designed to target all levels of learners, in small group settings. Our strong academic focus is enhanced by technology supports in every classroom including Promethean Boards, iPads/laptops and a myriad of educational software to enhance our educational programs. We also have two computer labs for full class use.

For social emotional support, our School Counselor provides both individual and group guidance. In addition, for our students with special needs, we have a Special Education Teacher, School Psychologist and Speech Therapist on staff. To provide extra assistance to our English Learner families, we have a part time Bilingual Facilitator and Bilingual Outreach Coordinator for school to home connections.

In typical school times at Weathersfield (not during COVID-19), we have a myriad of engaging programs for our students. Some of these programs are still in place for our students and families during this COVID-19 school year. Our Character Education program emphasizes the importance of making positive choices and decisions through our Mindfulness programs, which ultimately leads our children to being good citizens and respectful, responsible classmates. We offer a variety of rewards programs, including; "Caught Being Good" slips, Golden Tickets for exemplary actions and behavior, classroom motivational incentives, Principal Awards, Student-of-the-Month assemblies; including Star Students and Teacher Choice Awards. In addition, we have an active Student Council which sponsors many creative activities and engaging events. Students in grades three through five can join our Community Outreach program which provides the children with opportunities to work and connect with a variety of community service projects, both within the Conejo Valley and beyond. In addition, our students are provided with a stellar music program, creative Arts program and physical education twice weekly. We have a number of extra curricular offerings such as our highly acclaimed chorus(TK-5), and band and strings programs. After school, we offer a number of sports, art, coding and dance activities. School events, activities and updates are regularly communicated through the use of our weekly newsletter (Eagle Flyer), classroom websites, indoor/outdoor marquees, All Call phone messages/emails, Twitter (@GoWeathersfield). PTA text messages (REMIND), school and PTA websites, PTA Facebook and PTA Instagram.

Student Enrollment by Grade Level (School Year 2019-2020)

Grade Level	Number of Students
Kindergarten	93
Grade 1	54
Grade 2	47
Grade 3	65
Grade 4	38
Grade 5	42
Total Enrollment	339

Student Enrollment by Student Group (School Year 2019-2020)

Student Group	Percent of Total Enrollment
Black or African American	1.2
Asian	3.8
Filipino	1.2
Hispanic or Latino	38.1
Native Hawaiian or Pacific Islander	0.3
White	50.7
Two or More Races	4.7
Socioeconomically Disadvantaged	26.3
English Learners	16.2
Students with Disabilities	8.8
Homeless	

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	17	17	18	844
Without Full Credential	0	0	0	1
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	5	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: December 2020

All TK-12 students have current standards-based textbooks in math, science, history/social science, and English/language arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District (CVUSD) Board of Education adopts textbooks within the timeline provided. Standards-aligned books for grades 9-12 are approved locally. Textbooks in grades TK-8 are selected from lists of books and materials approved by the State Board of Education. Sufficient standards-based textbooks and instructional materials have been purchased for all students in English, math, history/social science, science, health and foreign language. In addition, annually, sites receive specific science supplementary funds to be used for consumable expenses and/or equipment. The process of selecting textbooks and materials involves the formation of a committee charged with the responsibility of reviewing current state standards and frameworks, analyzing student data, writing courses of study (as required) and selecting and maintaining current instructional materials. The goal of such district-wide committees (comprised of teachers and administrators representing all targeted grade levels), is to achieve high academic standards for all of our TK-12 students. Each major subject area, such as math, science, history/social science, foreign language, and English/language arts, is reviewed and adopted under the guidance of the California Department of Education and State Board of Education. The committee submits its recommendations to the Board of Education for final approval. The recommendation to the Board includes the basic textbook materials as well as supplementary materials within the subject. On October 6, 2020, the CVUSD Board of Education approved a resolution for the 2020-2021 school year, declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

School Facility Conditions and Planned Improvements

Each fall, all schools in the Conejo Valley Unified School District are inspected by a team which consists of all or many of the following personnel: Site Administrator, Director of Maintenance and Operations, Director of Planning and New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of area including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any condition observed that represents a threat to the health and safety of students and staff, is annotated for immediate correction. Items noted which could improve the utility, appearance, or safety of the school are recorded and evaluated for potential placement on the District’s annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District school needs and the funds available to address those needs. The final list is approved by the Board of Education in the Spring, with the majority of projects completed the following Summer. Each year the District participates in the State’s Deferred Maintenance Program and these funds have been a major source of support for the annual Major Projects List in recent years. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction (OPSC). The District has not been required to make its normal contribution to the Deferred Maintenance Fund since the 2008-09 school year and the State’s annual contribution has been allowed to be used for other “educational purposes”, with this flexibility continuing through the current year. Deferred Maintenance Program projects will be prioritized and funded with carryover funds from previous budgets or as augmented by future funding.

The District provides 2 full-time custodians at Weathersfield Elementary and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments. Weathersfield Elementary was opened in 1962. Sited on 8.76 acres of land, the school has 26 classrooms, a multipurpose room, a library, and an administration building. The campus underwent modernization in 2000, replacing and upgrading underground utilities, restrooms, doors, and improving accessibility under ADA. The current capacity at Weathersfield is 480 students. The District Site Inspection Team assessed the school on 12/2/2020

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 12/2/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	

System Inspected	Rating	Repair Needed and Action Taken or Planned
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Poor	12: Asphalt needs seal coat and re-stripe
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	79	N/A	66	N/A	50	N/A
Mathematics (grades 3-8 and 11)	68	N/A	58	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2019-2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and High School

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
Science (grades 5, 8 and high school)	50	N/A	49	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

There are numerous opportunities for classroom volunteers at Weathersfield Elementary School. Our teachers utilize parent volunteers to assist with supporting student learning, help with materials, and chaperone field trips. In addition, parent volunteers assist in our computer labs and library. * We love our volunteers!

We have an extremely active and highly supportive Parent Teacher Association (PTA). Our PTA Executive Board meets monthly, we have at minimum of two annual General Association membership meetings and numerous sub-committee activities/meetings throughout the school year. Together with our Eagle Flyer newsletter, our PTA provides weekly information to our families. This creates excellent school to home communication for all. In addition, our school to home correspondence is translated into Spanish for our English Learner families. Our amazing PTA funds many important programs and supports for our students, including: academic intervention, community outreach, technology/computer software programs, music, art, classroom supplies, and staff appreciation. Weathersfield's PTA provides our students with educational assemblies, our Abilities Awareness event, Science Night, VIP lunch and a variety of activities including: Red Ribbon Week, Trunk or Treat, Movie Night, Fun Run and Spring Carnival.

All parents have the opportunity to participate on our School Site Council (SSC) where they can be involved in making decisions and recommendations that directly impact the education of their children.

Parents of English Learners (ELs) are strongly encouraged to participate in the English Learner Advisory Committee (ELAC). The ELAC committee reviews the school's EL Program components, language attainment goals, and the EL budget. ELAC committee members are encouraged to engage in the education of their children by being part of the decision-making process.

We have parent reps serving on District Advisory Committees: SEDAC (Special Education) DELAC (English Learner) GATEDAC (Gifted and Talented) and DAC (District Advisory). Our Reps meet with the Principal each month to discuss school programs. In addition, our Reps provide their Advisory Committee reports to our School Site Council Committee at our monthly meetings.

For information on volunteering at Weathersfield Elementary School, please contact the school office at: (805) 492-3563

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.6	0.3	2.3	1.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	1.3	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Site-specific Comprehensive School Safety Plans covering school site facilities are updated each year and reviewed with site council and school staff. Safety plans include SEMS assignments, emergency response teams and contact information, emergency supply inventory, specific school site information (layouts, schedules etc.), school rules related to discipline and safe schools, staff rosters, and identification of emergency assembly areas. Related District policies and administrative regulations are reviewed and updated on a regular basis to remain current and consistent with new law.

A communication system consisting of alternate powered and mobile two-way radios has been assigned to each site and tested at least annually. Each classroom and office has a phone with dial out and 9-1-1 capability.

The District's Human Resources Department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also employed an Automated External Defibrillator program at each location.

The District is working in collaboration with the Ventura County Department of Health and the Ventura County Office of Education to ensure that our school Reopening and COVID-19 Mitigation Plans and COVID-19 Safety Plan are in compliance with health department directives.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2017-18 Average Class Size	2017-18			2018-19			2019-20				
		# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$9,180	\$1,229	\$7,951	\$91,310
District	N/A	N/A	\$6,693	\$84,606
Percent Difference - School Site and District	N/A	N/A	17.2	7.6
State	N/A	N/A	\$7,750	\$84,577
Percent Difference - School Site and State	N/A	N/A	2.6	7.7

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2019-2020)

Per pupil expenditures include funds expended for all instructional services. These include transportation, Child Nutrition, health services, counseling services/mental health services, instructional materials, and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI (school choice) and Alternative Support Services (seven elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners/LEP, and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the District. The Conejo Schools Foundation, PTAs, and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education Incentive Grant.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Category	District Amount	State Average For Districts In Same Category

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Conejo Valley Unified School District is committed to providing professional learning activities for all classified and certificated staff members. Staff continues to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards. A robust professional learning effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities. The District's Local Control Accountability Plan (LCAP) prioritizes an entire goal with subsequent actions and services in order to "ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes."

Professional learning strategies such as workshops, virtual webinars, institutes and academies, as well as job-embedded activities relate to Universal Design for Learning, Social Emotional Learning, Educational Technology, College and Career Readiness, Positive Behavior Support, Smarter Balanced Assessments, and other required skills and competencies to meet the needs of all students. Professional learning topics align with District and school site needs identified through and outlined within the District's LCAP goals and the schools' School Plan For Student Achievement. Professional learning for high school faculty and staff members align with each school's WASC action plan.

The District also provides an accredited and free Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

Site administrators receive continuous training at weekly meetings and through a full-day training at the start of the school year. Furthermore, the Ventura County Office of Education offers a professional learning series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, social-emotional learning, supervision, evaluation, and leadership.

In addition to professional learning activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional learning activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in three full-day trainings to support curriculum, instructional technology, assessment, report cards, instructional strategies, and the use of data to teach all students.
