

Redwood Middle School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

MISSION STATEMENT

At Redwood Middle School, our mission is to develop lifelong learners who communicate, collaborate, and think critically, creatively, and independently. We encourage students to embrace the challenges that are necessary to become outstanding citizens and scholars. Redwood is a community that strives to maintain a safe, nurturing, and academic environment where there is a place for everyone.

SCHOOL DESCRIPTION

Redwood Middle School is in the heart of Thousand Oaks with approximately 800 students enrolled in Grades 6, 7, and 8. Redwood is committed to making sure that each student feels comfortable and safe before, during, and after school each day. Our campus supervisors, administrators, and counselors work together throughout the day to ensure the safety of each student. Student safety is and will continue to be a top priority at Redwood. Redwood believes that the values that are essential to a school's success are mirrored in the school community and that a strong school/community connection supports the standard of excellence that has been achieved at Redwood. We value our relationships with the community and with each Viking family. We encourage parents to communicate with staff via phone or email at any time. Parents are also encouraged to stay active in PTSA, SSC, and the many volunteer opportunities that come up throughout the year. With the help and involvement of the entire Redwood community, we will continue with our longstanding tradition of excellence.

Redwood's Single School plan goals for the 2020-2021 school year include the following:

Goal #1- By June 2021, Redwood will optimize learning for all students, specifically our target populations including SWD, SED, and EL by increasing their engagement with Common Core State Standards in English Language Arts. Students will increase academic achievement in English Language Arts as evidenced by a 2% increase in the overall mean score in all grade levels and target populations on the California Assessment of Student Progress and Performance (CAASPP).

Learning loss Goal- Due to the Spring 2020 COVID-19 school closure, the argumentative essay received the least amount of practice. The structured plan to remediate writing learning loss included all students (EL, SWD, SED, GATE) in 6th, 7th, and 8th grade writing an in-class argumentative essay in the fall of 2020. In the Spring of 2020, students will write an additional in class argumentative essay and teachers will assess, based on identified weaknesses and developed goals, if students made progress.

Goal #2- By June 2021, Redwood will optimize learning for all students, specifically our target populations including SWD, SED, and EL by increasing their engagement with Common Core State Standards in Mathematics. Students will increase academic achievement in Mathematics as evidenced by a 2% increase in the overall mean score in all grade levels and target populations on the California Assessment of Student Progress and Performance (CAASPP).

20-21 Learning Loss Math Goal- Due to the Spring 2020 COVID-19 school closure, an online platform will be implemented with each grade level and for all student groups including EL, SWD, SED, and GATE in order to diagnose and address current levels of learning loss. Teachers will monitor progress and keep track of student gains throughout the year as well as supplement the online platforms as appropriate.

Goal #3- Parent involvement and community outreach at school events including but not limited to GATE, PTSA, ELAC, SEDAC, and ASB activities will increase by 5% as measured by attendance and participation rates in 2020-2021..

Goal #4- In an effort to support the social and emotional well-being of students, Redwood staff will build capacity and improve student connections to school as measured by student participation in school events, clubs, overall attendance at school, improved behavior, and reported student well-being on the LCAP as measured by a 5% increase in participation in school activities and reported overall well-being on the LCAP survey in 2020-2021.

This goal will be carried over to the 21-22 school year due to the continued need of building student connections to school during both remote learning and in person schooling.

Maintaining high expectations, we at Redwood are committed to providing all students with access to relevant and rigorous academic curricula. Recognized as a California Gold Ribbon School (2017) and a California Distinguished School (2013), Redwood offers outstanding academic as well as extracurricular opportunities including band, choir, strings, and leadership. In addition to our amazing Performing Arts Program, Redwood also strives to reach all learners including our creative, innovative and out of the box thinkers through our EDGE program where "Every Discovery Generates Empowerment." Students selected for this program are cohorted together and engage in critical thinking projects in Science/English Grade 7 and English/Social Studies Grade 8. Students who are successful in this program matriculate to the Thousand Oaks High School Center for Advanced Studies.

Student Enrollment by Grade Level (School Year 2019-2020)

Grade Level	Number of Students
Grade 6	266
Grade 7	252
Grade 8	255
Total Enrollment	773

Student Enrollment by Student Group (School Year 2019-2020)

Student Group	Percent of Total Enrollment
Black or African American	1.6
American Indian or Alaska Native	0.1
Asian	4.7
Filipino	1.6
Hispanic or Latino	34.5
White	52.3
Two or More Races	5.3
Socioeconomically Disadvantaged	34
English Learners	12.8
Students with Disabilities	11.9
Homeless	1.6

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	37	35	36	844
Without Full Credential	0	0	0	1
Teaching Outside Subject Area of Competence (with full credential)	4	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	5	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: December 2020

All TK-12 students have current standards-based textbooks in math, science, history/social science, and English/language arts. With each curricular cycle established by the State of California, the Conejo Valley Unified School District (CVUSD) Board of Education adopts textbooks within the timeline provided. Standards-aligned books for grades 9-12 are approved locally. Textbooks in grades TK-8 are selected from lists of books and materials approved by the State Board of Education. Sufficient standards-based textbooks and instructional materials have been purchased for all students in English, math, history/social science, science, health and foreign language. In addition, annually, sites receive specific science supplementary funds to be used for consumable expenses and/or equipment. The process of selecting textbooks and materials involves the formation of a committee charged with the responsibility of reviewing current state standards and frameworks, analyzing student data, writing courses of study (as required) and selecting and maintaining current instructional materials. The goal of such district-wide committees (comprised of teachers and administrators representing all targeted grade levels), is to achieve high academic standards for all of our TK-12 students. Each major subject area, such as math, science, history/social science, foreign language, and English/language arts, is reviewed and adopted under the guidance of the California Department of Education and State Board of Education. The committee submits its recommendations to the Board of Education for final approval. The recommendation to the Board includes the basic textbook materials as well as supplementary materials within the subject. On October 6, 2020, the CVUSD Board of Education approved a resolution for the 2020-2021 school year, declaring that the Conejo Valley Unified School District has provided each pupil with sufficient standards-based textbooks and instructional materials consistent with the cycles and content of the curriculum frameworks.

School Facility Conditions and Planned Improvements

Each fall, a team that consists of all or many of the following personnel, inspects each school in the Conejo Valley Unified School District: Site Administrator, Director of Maintenance and Operations, Director of Planning and New Construction, and the Assistant Superintendent. A facilities evaluation is completed documenting the condition of the school in a variety of areas including the cleanliness of restrooms, condition of roofs, paving and walkways, HVAC systems, landscape maintenance, etc. Any observed condition that represents a threat to the health and safety of students and staff is annotated for immediate correction. Notes include items that could improve the utility, appearance, sustainable maintenance, or safety of the school and are recorded and evaluated for potential placement on the District’s annual Major Projects List. The projects included on the final Major Projects List are based upon a priority assessment of all identified District schools' needs and the funds available to address those needs. The Board of Education approves the final list in the spring, so the majority of the projects detailed are completed the following summer. Funds available through participation in the State’s Deferred Maintenance Program represent a significant source of support for the annual Major Projects List each year. The District revises and submits a Five-Year Deferred Maintenance Plan to the Office of Public School Construction and has had no required contribution to the Deferred Maintenance Fund since the 2008-09 school year. Therefore, the State’s annual contribution is available to use for other “educational purposes”. This flexibility continues through the current school year. Deferred Maintenance Program projects will be prioritized and financed with carryover funds from previous budgets or as augmented by future funds.

The District provides 2.5 full-time custodians at Redwood Middle School and they follow District-defined cleaning standards and schedules to ensure that the school provides our students and staff with clean, healthy, and attractive learning environments. Redwood Middle School was opened in 1966. Sited on 23.6 acres of land, the school has 47 classrooms, a multipurpose room, a library, and an administration building. The campus underwent modernization beginning in 2001 with the addition of a new gymnasium. In 2004, upgrades and replacements were made on underground utilities, restrooms, and doors. The District Site Inspection Team assessed the school on 12/23/2020.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 12/23/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Poor	Fascia and wood trim need painting.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	61	N/A	66	N/A	50	N/A
Mathematics (grades 3-8 and 11)	48	N/A	58	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2019-2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and High School

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
Science (grades 5, 8 and high school)	48	N/A	49	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Redwood is a parent-friendly environment. We recognize that parents are concerned about their children’s progress and development; therefore, we encourage all of our parents to keep in touch with staff via phone or e-mail and to access teacher websites and their online grade books. Our parent all-call system includes an email feature that currently communicates with over 1000 individuals at one time. Redwood has multiple Twitter accounts that can be accessed through our school website. Not only parents, but also community members, are invited to attend our Principal's Coffee sessions for informal question and answer gatherings. Our weekly Viking Voice shared via email informs our parents about upcoming activities and programs to ensure that all families have access to the events on campus.

Redwood believes that the values that are essential to a school’s success are mirrored in the school community. We further recognize that the collective talents, skills, contributions, and efforts of the entire school community help us to realize our vision of success for all students. Many parent volunteers give unselfishly of their time, energy, and resources to help to make Redwood an excellent school. Parents can also participate in our national award winning Parent Teacher Student Association (PTSA) or become involved in our School Site Council (SSC), Special Education Advisory Committee (SEDAC), Gifted and Talented Education (GATE), or English Learner Advisory Committee (ELAC). This strong school-to-community connection supports the standard of excellence that has been achieved at Redwood.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	4.0	2.6	2.3	1.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.1	1.3	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Site-specific Comprehensive School Safety Plans covering school site facilities are updated each year and reviewed with site council and school staff. Safety plans include SEMS assignments, emergency response teams and contact information, emergency supply inventory, specific school site information (layouts, schedules etc.), school rules related to discipline and safe schools, staff rosters, and identification of emergency assembly areas. Related District policies and administrative regulations are reviewed and updated on a regular basis to remain current and consistent with new law.

A communication system consisting of alternate powered and mobile two-way radios has been assigned to each site and tested at least annually. Each classroom and office has a phone with dial out and 9-1-1 capability.

The District's Human Resources Department provides training on an ongoing basis to certificated and classified staff. Each year, new employees are offered CPR and First Aid Training through organizations such as the American Red Cross and American Lung Association. The District has also employed an Automated External Defibrillator program at each location.

The District is working in collaboration with the Ventura County Department of Health and the Ventura County Office of Education to ensure that our school Reopening and COVID-19 Mitigation Plans and COVID-19 Safety Plan are in compliance with health department directives.

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselors*	401

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2.00
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	0.63
Psychologist	0.88
Social Worker	
Nurse	0.69
Speech/Language/Hearing Specialist	1.02
Resource Specialist (non-teaching)	12.06
Other	14.14

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2018-2019)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$8,100	\$1,782	\$6,318	\$89,012
District	N/A	N/A	\$6,693	\$84,606
Percent Difference - School Site and District	N/A	N/A	-5.8	5.1
State	N/A	N/A	\$7,750	\$84,577
Percent Difference - School Site and State	N/A	N/A	-20.4	5.1

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2019-2020)

Per pupil expenditures include funds expended for all instructional services. These include transportation, Child Nutrition, health services, counseling services/mental health services, instructional materials, and maintenance. The Local Control Funding Formula provides the bulk of funding for nearly all programs with the exceptions of federal categorical allocations and state and local grants.

Categorical funding provides support for Special Education Services – (All Schools), Title I Services - PI (school choice) and Alternative Support Services (seven elementary schools), Title IIA – Professional Development (All Schools) and Title III - English Language Learners/LEP, and Perkins – Career Technology Education (High Schools). Community and parent support groups bolster many programs and services across the District. The Conejo Schools Foundation, PTAs, and Booster Clubs contribute significantly to activities such as performing arts, athletics, academic competitions, etc.

Conejo Valley Unified also receives additional financial support through grant funding such as College Readiness Block Grant - Tobacco Use Prevention Education Program (TUPE) - (Middle and High schools) and Career Technology Education Incentive Grant.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$48,087	\$52,484
Mid-Range Teacher Salary	\$78,237	\$81,939
Highest Teacher Salary	\$99,064	\$102,383
Average Principal Salary (Elementary)	\$118,972	\$129,392
Average Principal Salary (Middle)	\$121,900	\$136,831
Average Principal Salary (High)	\$134,542	\$147,493
Superintendent Salary	\$239,292	\$254,706
Percent of Budget for Teacher Salaries	39.0	34.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits web page at <https://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Conejo Valley Unified School District is committed to providing professional learning activities for all classified and certificated staff members. Staff continues to enhance the skills necessary to deliver effective instruction through the implementation of Common Core Standards. A robust professional learning effort includes opportunities in researched-based instructional strategies, technological competencies, and Professional Learning Communities. The District's Local Control Accountability Plan (LCAP) prioritizes an entire goal with subsequent actions and services in order to "ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes."

Professional learning strategies such as workshops, virtual webinars, institutes and academies, as well as job-embedded activities relate to Universal Design for Learning, Social Emotional Learning, Educational Technology, College and Career Readiness, Positive Behavior Support, Smarter Balanced Assessments, and other required skills and competencies to meet the needs of all students. Professional learning topics align with District and school site needs identified through and outlined within the District's LCAP goals and the schools' School Plan For Student Achievement. Professional learning for high school faculty and staff members align with each school's WASC action plan.

The District also provides an accredited and free Teacher Induction Program to first and second year teachers, as well as both a voluntary and required Peer Assistance Review program.

Site administrators receive continuous training at weekly meetings and through a full-day training at the start of the school year. Furthermore, the Ventura County Office of Education offers a professional learning series specifically designed for district and site administrators. Administrators attend workshops in Common Core Standards, Multi-Tiered System of Supports, performance assessment, social-emotional learning, supervision, evaluation, and leadership.

In addition to professional learning activities offered to the District's teachers and administrators, classified employees receive training that is specific to their assignments.

The District is committed to providing professional learning activities to every educator to improve the instructional process and enhance student achievement. Teachers and administrators participate in three full-day trainings to support curriculum, instructional technology, assessment, report cards, instructional strategies, and the use of data to teach all students.
