

District Mission Statement and Philosophy

The Conejo Valley Unified School District provides a quality education in an environment where every child matters.

**Colina Middle School
Mission Statement and Goals**

The Colina Middle School mission is to prepare students for fulfillment in school and life. Colina transitions students from elementary school to high school on the way to becoming responsible and caring adults who are life-long learners. We serve a unique student age group, and we strive to achieve the maximum development of each student in accordance with his or her unique physical, mental, and emotional needs and potentials.

The educational program is designed to reinforce and extend basic skills, provide conceptual and content preparation for the high school core curriculum, and allow students to experience exploratory elective and co-curricular opportunities. Self-esteem and self-discipline are developed in challenging and engaging learning environments for all students. Colina also provides a safe, nurturing, and disciplined environment.

Working hard to achieve academic success, making friends, treating others with kindness, and celebrating successes together are keys to our positive school climate.

Goals:

- Students will develop positive attitudes toward the learning process.
- Students will develop skills and knowledge to maintain good physical and mental health.
- Students will be encouraged to prepare themselves for an increasingly complex future by learning to speak and write clearly and effectively. They also will be introduced to the value of literature and inspired to become life-long readers.
- Students will develop attitudes, skills and knowledge to gain, organize and communicate scientific information and to engage in critical thinking to make independent judgments.
- Students will develop attitudes and skills to appreciate the arts or other interests that promote the creative processes.
- Students will increase their knowledge of and appreciation for different cultures and the contributions each has made to the United States. Colina's goal is to create an environment of tolerance and respect for all people.
- Students will develop an appreciation of mathematics and learn to apply math skills that will allow for effective functioning in a more complex world.
- Students will be prepared to serve their community and family and to work toward improving the quality of life.
- The school community, having acknowledged the value of reading for pleasure, sets aside time daily for students to engage in reading for enjoyment.

- I. To focus on and emphasize excellence in your work habits, citizenship, and academic achievement
- II. To recognize and reward your achievement
- III. To recognize and reward staff achievement

You can qualify in one of the following three groups for special Renaissance celebrations and incentives.

(Note: Renaissance measures Grades, Work Habits, and Citizenship in all courses, including electives and PE.)

Gold	All A's & E's or S's		
Silver	All A's & B's & E's or S's		
Bronze	All A's, B's & C's & E's or S's	Or	A GPA improvement of .5 trimester to trimester to the 2.0 level or above & all E's & S's

You qualify at the end of each grading period (not progress reports), and your membership is good for one trimester.

CITIZENSHIP POINTS SYSTEM

Students must strive to demonstrate good citizenship both inside and outside of the classroom. We appreciate good behavior and want to reward our best citizens. Our goal with Citizenship Points is for you to develop self-discipline and learn the skills necessary to monitor your own progress and behavior. You will begin the school year with 100 points. ***If you lose points for any reason (see table below) it is your responsibility to make the points up as soon as possible.***

Important points to remember:

1. You **MUST SIGN** the points-off slip or log when you lose points. This indicates you are aware of the loss of points, and it becomes your responsibility to track your points and make them up.
2. Points can be made up at **lunch detention or by making arrangements to work with a teacher or custodian. Points are earned at the rate of 10 points per ½ hour at lunch or 5 points per ½ hour before or after school. Points MAY NOT be earned during class time or C.O.R.E time.**
3. Your points must be 80 or above by the Friday one week prior to a school activity, like an assembly, social or dance, to participate in that activity
4. Your points must be 80 or above by the Friday one week prior to scheduled Saturday Work Study (a.k.a., Saturday School, SWS, or SWAP), or you will be assigned to a **MANDATORY SWAP**. You will receive 40 points for satisfactory participation at each 4-hour SWAP.
5. A special end of year activity is planned for students who maintain good point status all year. This means you have:
 - **NEVER** fallen below 80 points.
 - Made up all lost points before the end of each trimester.
 - Lost **less than 40 points** all school year.
 - Not been suspended.
 - Not been truant more than 3 times.
 - Received no more than 1 referral all year.
 - Not been tardy more than 3 times.
 - Received only E's or S's in citizenship on your report cards (No N's or U's in Citizenship)

If you maintain these standards you will be eligible to attend the **SPECIAL ACTIVITY** at the end of the school year. **This event is free of charge for all students who earn it!**

What can you lose points for?

Offense	Points	Offense	Points
Locker violation	-10	Tardy (Unexcused)	-10
Gum Chewing	-10	Off task / not following directions	-10
Food, candy, drinks brought to class or beyond red lines	-10	Disrespect/ Harassment	-10
No materials/books	-10	Backpack left unattended on campus, or brought to class	-10
Dress code violation	-10	Profanity/vulgarity	-10

**Points carry over from trimester to trimester.
Make them up right away!**

Attendance Information

Attendance line: 495-7429

All day absences: x. 4001

Leaving Early or Late Arrival: x. 1005

Regular attendance is essential to successful school achievement. **You must make every effort to avoid being absent.** If it is necessary to be absent from school, you are responsible for all work assigned during your absence.

Excused Absences:

1. **Illness**
2. **Medical appointments**
3. **Attendance at a funeral of a family member**
4. **Court appearance by subpoena**

Parents **must** clear all absences by phoning the attendance line (**495-7429, press 4001**) either the morning of the absence or ahead of time if known. A note will also be accepted at the attendance window upon your return.

If you will be leaving school during the day, you must bring a note stating the time your parents will be picking you up and the reason for leaving. **Bring this note to the attendance window before school** and you will be given a pass to leave class at the correct time.

Truancy

If you are absent from school for reasons other than those listed above, you are truant. Truancy is against the law. When truant, a student may be cited by the police and mandated to appear in court. If you are truant you will not be allowed to make up any missed class work, tests or assignments. **Truancy directly affects your grade and your eligibility for activities at school.**

Special Excused Absences

When approved by the Principal, Assistant Principal or the Dean, special permission may be given for a student to make up tests and assignments after truancy, when the school has been notified **in writing** in advance of the absence.

Closed Campus

Remember, Colina is a closed campus. This means that when you arrive to school you must stay on campus at all times unless released by your parents. **This includes lunchtime.** Your parents must sign you out in the office when they are picking you up from school.

Guests, other than parents with permission, are not permitted to be on campus or attend classes with you during school hours or at school activities. This includes dances, carnival, luau and any other special events for Colina students.

If you have a 6th period dismissal, you should leave school grounds by 3:30 p.m. unless you are involved in a school-sponsored activity.

Colina Dress Standards – Dress Code

We all have different wardrobes for different purposes - going to the beach, gym, *Quinceañeras*, mall, dates, funerals, Halloween, the skate park, etc. To be safe, respectful, and effective in each of those settings, we need to dress appropriately. With the support of your ASB, PTSA, staff, School Site Council, and School Board, Colina has established a dress code that helps students be safe, respectful, and effective in our “Work Hard, Make Friends, Have Fun” middle school environment.

It’s a challenge sometimes with our growing bodies and minds, but our system works, even as fashions come and go and with our diverse population. We look as good as we are, and Colina is GREAT! Our dress code is one small piece of that success.

[If students are sent to the office for dress code violations, they are asked to change into PE clothing. Parents may be called and asked to bring other clothing to school if we are out of clothes to loan. Students leave their clothing in the office, until they return the laundered, borrowed clothes to the office. Multiple warnings may result in suspension. (See Discipline Standards for Dress Code Violations.)]

Students are not permitted to wear:

1. hats, beanie’s, bandanas of any type, except Colina hats, which are available at the student store.
2. clothing which names, advertises, or promotes products that are illegal for minors to buy or use (e.g., drugs, alcohol, tobacco).
3. clothing which features words, pictures, or drawings, that, either overtly or by implication, are offensive/vulgar, sexual, or violent.
4. clothing which includes words, phrases, or pictures that are derogatory regarding ethnic background, national origin, religious belief, gender, gender identity, sexual orientation or disability.
5. clothing that is revealing or distracts from the educational mission of the school, including **clothing that exposes cleavage or a bare midriff**. No crop tops/halter tops/strapless tops/visible spaghetti straps (the space between the bottom of the neck and shoulder should be covered with fabric at least 1½ inches wide on both sides), or clothing which allows undergarments to be visible. This includes clothing that resembles sleepwear, lingerie or undergarments (sheer tops and bottoms, sports bras worn as tops, skirts that resemble slips or nightwear, including pajamas). **Sheer and open-weave clothing is not considered adequate covering of straps, skin, or other dress code violations.**
6. pants which require a belt, suspenders, etc. to hold them up at the waist. Pants must not be excessively baggy at the waist or legs. Undergarments, including boxer shorts, must not be visible. **Shorts and skirts must be at “fingertip” length when the student’s hands are placed straight down with relaxed shoulders and fingers extended. Holes in pants should be covered, when they are above the fingertips. Spandex or tightly fitted stretch pants are not allowed, nor are pants with writing on the backside, unless they are fully covered with a top or bottom at fingertip length.**
7. formal clothing, high heels, or evening wear.
8. clothing with a “gang look” including drawings of gang like activity, violence or unlawful behavior, web belts, initial buckles, or any belt that hangs down.
9. backless shoes or sandals. For safety reasons, sandals must have a heel strap. Bare feet are not allowed.

The principal and staff of each school may establish reasonable additional regulations regarding student appearance and attire at any point in the school year.

General Information

Backpacks

Backpacks are not allowed in the classroom and should not be left unsupervised on campus. You should go to your locker between classes to retrieve the materials you need for each class. If your backpack is left on campus or in a classroom, you will lose 10 citizenship points.

Bikes and Skateboards

Walk your bike on school grounds, including the parking lots. A bicycle parking area is located on the West end of the campus. Lock your bike whenever it is left in the bike area. We cannot be responsible for bicycles parked on campus. **Skateboards are not allowed on campus at any time.**

Cafeteria

Complete hot lunches and a la carte items are available daily in the cafeteria. Various menus are featured on different days, but popular items are always available. Breakfast is available before school. Drinks and snacks are available to supplement your lunch brought from home.

You must have your ID card to use pre-purchased meals or to receive free or reduced lunch (if you qualify and are approved) in the cafeteria.

Cell Phones

Cell phones must be kept in your locker in off or silent mode. They may be used before or after school or during lunch on the blue benches near the attendance window. Parents will be called to retrieve confiscated phones. Multiple infractions result in Saturday School, loss of phone privileges for the year, and suspension.

Change of Address

If you move, **you must notify the office immediately.** Attendance at Colina is based on residency or special permission if you live outside of our attendance area.

Cougar Cards (ASB Card)

Colina's Associated Student Body cards (Cougar Cards) are sold at the beginning of the school year as a source of income to support the fabulous student activities here at Colina. With your cougar card purchase you receive free admission to **all** dances and socials. Support your student activities. Buy a Cougar Card!

Counseling

If you need to see a counselor, fill out a request form (green sheet) in the Counseling office. Counseling services may include program planning, assistance with classroom and school problems or personal matters, career information, or district test interpretation.

Emergency Drills

Regularly scheduled emergency preparedness drills are conducted at Colina. During evacuation drills, leave your room in an orderly manner and go to the designated area. Follow the directions of the person in charge and remain quiet until the drill is over. At that time return to your classroom. Parents must keep the office supplied with a current list of emergency contacts.

Fundraisers

The **Magazine Drive** is our kick off fundraiser, sponsored by ASB. All proceeds are used to support activities, dances, assemblies, and the Renaissance Program at Colina. Do your best in supporting this fantastic fund raiser. Parents can contact PTSA to help. We need all the support and help we can get to make this the successful fundraiser it has been through the years.

Gum Chewing

Because careless disposal of gum in drinking fountains, on furniture, on the floor, or on the sidewalks presents sanitation, cleaning, and repair problems, **gum chewing is not permitted on school grounds.**

Hall Pass

You may only leave your classroom with the permission of your teacher. Your teacher will give you a hall pass and it must be returned to him/her. Passes are given **only for urgent reasons.** If you receive an office summons please report immediately to the attendance window. **Do not dawdle on campus when given a pass.**

If you must use the restroom during class time, you must use the one in the Health Office, not the restrooms in the halls.

Harassment

Harassment is repeated, unwelcome and unwanted behavior from other students or staff members. Students may not embarrass others or make them feel uncomfortable, particularly with actions or remarks that are sexual, religious, or racial in nature. For example, no one can claim that another's grades or participation in any school activity depends on his or her willingness to cooperate in sexual activity. If you feel you are being harassed, tell a teacher, counselor or school administrator. **ANY REPORT YOU MAKE IS PRIVATE.** An investigation will be conducted and a solution or remedy will be developed. Students can be suspended for harassing, threatening, or intimidating someone who reports or witnesses a rules violation.

Heading (Required on all papers)

You are expected to use the following heading. Place it on the **upper right corner on the first 3 lines** of every paper you turn in.

Last Name, First Name
Subject, Period
Date

General Information

Health Office

If you become ill during the day you should get a pass from your classroom teacher and report to the Health Office. **During a passing period, report to your next period teacher and get a pass, if possible, before heading to the Health Office.** For safety and to minimize classroom disruptions, **students must call from the Health Office for pick up by their parents when they are sick, not from halls or classrooms.**

All students must have an up-to-date Emergency Card and a current immunization form on file. Students who cannot participate in a class for health reasons must bring a parent's note to the health clerk to obtain an excuse, **prior** to the activity. A note from a physician is required for an excuse of three or more days. **Under no circumstances may students carry or distribute medications on school grounds.** Medication may be brought to school only after arrangements to store it in the Health Office have been made with the Health Clerk.

There is no medical, accident or health insurance provided by the school district for students involved in accidents or illnesses on the school grounds.

Homework

Homework is assigned on a regular basis in almost every class. If you have no specific homework, you should plan to spend one hour in general study. You are to make up all homework that is assigned during an absence. If you are ill, you are entitled to full credit for make-up work. Generally, you are given the same number of days that you were absent to make up missed work. Your parents may request to pick up homework for you, if you have been absent for illness or injury for 3 or more days.

Get the phone numbers of at least 2 students in each class so that you can call them to get your assignments. (See Buddy System later in this book.)

Most teachers post their lesson plans, assignments, and/or gradebooks online, or they send them by email.

ID Cards

You will be provided with an ID card at the start of the school year. You must carry this ID card with you at all times on school campus or at school related activities (including teen center or sports events) and show it when asked. **You must have your ID card to be admitted to dances or special school events.** If you lose your ID card, you must purchase a replacement at the Student Store.

Library

The library will be open according to a schedule, which is established each year. Conduct yourself in a quiet manner and follow instructions for checking out books and magazines. Computer use may be available in the Library Computer Lab. ID cards are necessary to check out books or use library computers.

Lockers

You must use the locker to which you are assigned. **There is ABSOLUTELY no sharing of lockers or combinations.** Keep your locker locked at all times, and do not leave

valuables or personal belongings in the lockers overnight. The school does not assume responsibility for items missing from your locker. Unauthorized locks may be cut off at the discretion of the administration without reimbursement to the owner. School officials may open and search any locker for reasonable suspicion, or in the event of an emergency.

Lost & Found

Check the library for lost books, notebooks, and school supplies. Check the bin by the Friendship Room for lost clothing. P.E. clothing may also be found in the P.E. "cage." Check the office for lost money, wallets, phones, keys, jewelry, and other valuables.

Lunch Area Standards

You must eat in designated areas. Red lines have been painted to mark the boundaries for food. You need to finish eating and deposit trash in containers before you go to the athletic fields or other areas of the campus. Points will be lost for having food past the red lines.

Materials Needed

To be successful, you should have the following basics. Teachers may also suggest materials specific to their classes.

- Large, hardbound 3-ring notebook
- White, ruled paper
- Assignment Notebook
- Subject dividers
- Two No. 2 pencils & an eraser
- Two blue or black ballpoint pens
- Highlighter & colored pencils
- Zipper pencil pouch
- SURE reading book
- Calculator with memory & square root functions

Permanent Markers

Permanent markers, such as Sharpies, may only be used at school under the supervision of a teacher and stored in classrooms. Permanent markers found elsewhere on campus or without teacher supervision will be confiscated.

Physical Education (PE) Uniforms & Locks

PE clothes & locks may be purchased from the Student Store. Locks not purchased at the Student Store may be cut off at the owner's expense. Do not share clothes, combinations, lockers, or locks! Protect your property!

Promotion

Eighth Grade Students must meet the following requirements to be eligible for promotion activities (ceremony, dance, yearbook signing & Magic Mountain):

- Pass English and Math each trimester
- Pass 5 of 6 classes each trimester or all classes, if on a minimum day schedule
- Have no more than one U in Citizenship
- Satisfy school requirements for citizenship points, school fines, detentions, lost textbooks, discipline, etc.
- Have 80 or more points at the close of the Trimester 3 deadline

8th Grade students not meeting these requirements at the end of trimester 1 or 2 will be required to obtain parents' signatures stating they are aware of this policy.

General Information

Report Cards / Progress Reports

Report cards are issued 3 times per year at the end of each trimester. The three trimesters are mutually exclusive in terms of grading. Each trimester you get a fresh start. (Exception: Foreign Language CP courses are graded on a traditional semester system.) Progress reports are issued approximately midway through the trimester. Grades below "C" (B in Honors) and citizenship and work habits marks of "N" or "U" are indicated on Progress Reports. All grades and citizenship marks appear on end of trimester report cards. Report cards and Progress Reports are available online. Parents are encouraged to contact teacher(s) regarding concerns in individual classes. Broader concerns should be directed to your counselor.

C.O.R.E. Colina Organization Review Enrichment time

This time after lunch allows for increased quality teacher time with students to improve productivity and raise academic achievement for all students. This time is for all **Colina** students to work on **organizational** skills, receive guided homework help, **review** targeted academic areas and allow time for meaningful **enrichment** opportunities.

Retention Policy

Retention is a state law. All students must show sufficient progress in school. A student is at risk of being retained if he/she does not pass English and/or Mathematics each trimester, pass 5 classes each trimester, and satisfy school requirements for citizenship and behavior. 8th graders who fail both Math and English Trimester 3 will be referred to the retention program at Conejo Valley High School for the following year.

Saturday Work Adjustment Program (SWAP)

SWAP is designed to provide an additional disciplinary option between detention and suspension. If you exhibit unsafe conduct, defiant behavior, excessive tardiness, truancy, low points, or continued violation of school rules you will be assigned SWAP. This is a 4-hour program divided between study and campus beautification. You must arrive on time with work to do and follow instructions, or your parent may be contacted, and you may be sent home and/or given partial or no credit. Students may voluntarily sign up ahead of time for SWAP to earn points (40 citizenship points given per SWAP).

Student Store

The ASB Student Store is located next to room 14. It is open most days from 8:30 – 9:00 a.m. and during nutrition and lunch. You may purchase spirit and PE items, school supplies, snacks and drinks there. Proceeds benefit school activities.

Suspension

When a student violates the disciplinary guidelines of the school, district, or California Education Code, that student may be suspended from school. It is the decision of the administrator whether suspension will be used as a consequence for inappropriate behavior. **Students who are suspended from school may not attend school functions during the time of suspension or be on any other CVUSD campus**

For a complete explanation of suspendable offenses and the suspension policy refer to the CVUSD Discipline Handbook.

Textbooks

You will be issued textbooks in each of your classes. These books should be kept at home until your specific book return date in June. Colina provides class sets of books for use in the classroom. If you cover your books, do not use self-adhering book covers and/or contact paper, as they will destroy the cover of the textbook. You must pay for all damaged or lost books.

Transportation

There is a fee-based transportation program available for students who live 3 or more miles from the school. If you need information on transportation, stop by the office.

If you ride the bus to school, discipline standards are to be maintained. Bus citations will result in school discipline and possible loss of bus privileges.

Lost bus passes can be replaced for a fee in the Student Store.

Visitors

We welcome parents to visit our school. **State law requires that all visitors make arrangements with the Principal, Assistant Principal, or Dean before visiting any class.** All visitors must sign in with the office personnel and wear a badge on campus.

You are not permitted to bring friends or other young people to visit at school.

Activities

Assemblies

Several exciting and educational assemblies are scheduled this school year. These include spirit assemblies, music assemblies and guest presenters. Remember to enter the auditorium in an appropriate manner and always show courtesy to the presenter. We are proud of our students and our reputation for being an excellent audience.

Awards Nights

Awards Nights are held in the spring. You may receive awards for academic and other achievements.

Lunchtime Activities

Your ASB, WEB, and the Boys and Girls Club plan many lunchtime activities during the year. Get Involved! You will really enjoy being a part of these activities.

Expect to see:

- Class Competitions, which are held throughout the year. Winners earn points to be used towards parties.
- Friend Competitions, which are contest activities that you can enter and participate with a friend. Prizes are awarded.
- Sports Competitions, which are athletic tournaments sponsored by ASB and the PE Department. As always – winning teams receive prizes.

Renaissance Days

Bring your ID to claim rewards! **Renaissance Rocks!**

Student Involvement

Student of the Month

Approximately eight times a year we honor students nominated by each of our departments for academic or athletic achievement or for excellent citizenship. If you are selected as “Student of the Month” you will be interviewed by an administrator or counselor and then “toasted” at a special reception for you and your guests.

Student Rights and Responsibilities

A safe and pleasant school environment is the responsibility of every member of the school community, students, staff and parents. This obligation is an opportunity for you as a student to demonstrate your maturity, self-respect, and school pride. The pride of a COUGAR is shown by your willingness to be respectful as a spectator at sports and competitions, as a member of an audience at assemblies, and through courtesy to fellow students and visitors. **This pride demands excellence, instills integrity and obligates each of us to be honest in our relationships.**

Colina Middle School will provide an environment that helps you to benefit from the school's opportunities offered. The right to teach and the right to learn are essential guarantees to our school. To guarantee these rights we must all agree on behavior standards and consistently enforce them. These standards will provide a structured, pleasant atmosphere based on mutual respect. The responsibility to maintain these standards rests first with you as the student, then with parents, school, community and other government agencies.

Classroom discipline, when fully understood by teacher and student alike, is a partnership of learning in which discipline has a positive effect in changing thought and action. At Colina, we strive to establish a supportive atmosphere in the classroom. Teachers have established behavior standards within their classrooms.

Once a teacher has moved through the intervention steps with a student who chooses to disregard classroom standards, and the student's behavior continues to be unacceptable, a referral will be sent to the Assistant Principal or Dean. The following consequences are intended to serve as general guidelines in the interest of fairness and consistency. All students deserve individual consideration. Students have the right to appeal decisions to the principal.

Buddy System

When you are home sick, one of the best ways to get your work from each class is to telephone a reliable classmate. You want to make sure you get all of the assignments, so you should choose someone who will have everything written down. Choosing a “buddy” should be done carefully. You can return the favor when they are out. Please get the phone numbers of at least two classmates in each class. These numbers really will come in handy.
