If you would like to make comments about items not on the agenda, a speaker form should be completed and submitted prior to the Public Comments section of the agenda. If you wish to address an agenda item, please complete and submit your form prior to the Action section of the agenda. Pursuant to the Brown Act, the Committee cannot enter into a formal discussion nor can a decision be made in regard to public comments. Directors’ & Officers Insurance Quote
This quotation offers coverage for Insurer’s share of liability for loss caused by certified acts of terrorism as defined in the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA).

Coverage provided for losses resulting from certified acts of terrorism may be partially reimbursed by the United States government under a formula established by federal law. However, your policy may contain other exclusions which might affect coverage, such as an exclusion for nuclear events.

Under the formula, the United States government generally reimburses a specified percentage of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The percentage of covered terrorism losses exceeding the deductible paid by the insurance company providing the coverage for which such insurance company will be reimbursed by the United States government is:

- 85% for losses occurring in 2015;
- 84% for losses occurring in 2016;
- 83% for losses occurring in 2017;
- 82% for losses occurring in 2018;
- 81% for losses occurring in 2019;
- 80% for losses occurring in 2020

The premium charged for the coverage quoted herein does not include any charge for that portion of any terrorism loss to be paid by the United States government.

TRIPRA contains a USD100 billion cap limiting United States government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds USD 100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed USD100 billion, the coverage quoted herein may be reduced.

That part of the total premium amount quoted herein by Insurer that is attributed to coverage pursuant to TRIPRA is provided above in Premium section of quotation.

In the event that the Insured declines to purchase TRIPRA coverage, the policy will contain an Exclusion of Certified Acts of Terrorism.

General Liability Insurance Quote
This quotation offers coverage for Insurer’s share of liability for loss caused by certified acts of terrorism as defined in the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA).

Coverage provided for losses resulting from certified acts of terrorism may be partially reimbursed by the United States government under a formula established by federal law. However, your policy may contain other exclusions which might affect coverage, such as an exclusion for nuclear events.

Under the formula, the United States government generally reimburses a specified percentage of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The percentage of covered terrorism losses exceeding the deductible paid by the insurance company providing the coverage for which such insurance company will be reimbursed by the United States government is:

- 85% for losses occurring in 2015;
- 84% for losses occurring in 2016;
- 83% for losses occurring in 2017;
- 82% for losses occurring in 2018;
- 81% for losses occurring in 2019;
- 80% for losses occurring in 2020

The premium charged for the coverage quoted herein does not include any charge for that portion of any terrorism loss to be paid by the United States government.

TRIPRA contains a USD100 billion cap limiting United States government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds USD 100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed USD100 billion, the coverage quoted herein may be reduced.

That part of the total premium amount quoted herein by Insurer that is attributed to coverage pursuant to TRIPRA is provided above in Premium section of quotation.

In the event that the Insured declines to purchase TRIPRA coverage, the policy will contain an Exclusion of Certified Acts of Terrorism.

Questions and Answers Regarding Charitable Risk Pools and NIAC

What is NIAC's mission?

Our mission is to serve 501(c)(3) tax-exempt nonprofit organizations by providing a stable source of reasonably priced liability insurance tailored to the specialized needs of the nonprofit sector, and to assist these organizations to develop and implement successful loss control and risk management programs.

How is NIAC different?

NIAC is the first organization to qualify as a “charitable risk pool” under federal law. Such a designation confers on NIAC its own 501(c)(3) nonprofit tax-exempt status. We aren’t just a “program” of an insurance company that specializes in nonprofits, insuring nonprofits is our entire mission. We are the insurer and we are governed by nonprofits themselves. We cater to 501(c)(3) nonprofits' unique insurance needs with insurance for the wide range of nonprofit activities including special events (including liquor liability), volunteers, nonowned hired auto, counselors, social workers, and many others.

NIAC is governed by a board of directors elected by its member nonprofits. Eight board members are representatives of NIAC's member nonprofits, and other board members are elected for their expertise in insurance, finance, law or business.

Who qualifies for NIAC insurance?

NIAC provides liability coverage only for 501(c)(3) nonprofit organizations operating exclusively in California.

How is insurance obtained?

NIAC is charitable risk pool governed by 501(c)(3) nonprofit organizations. Applications for insurance from NIAC must be made through an insurance broker.

What coverages does NIAC offer?

NIAC offers liability insurance for nonprofits across California.
What is NIAC's A.M. Best Rating?

NIAC is rated A VIII (Excellent) by A.M. Best. According to A.M. Best, “The rating recognizes the Group’s excellent capitalization and operating performance, strong management, and effective niche market strategy. It also considers the companies’ strategic roles and the benefits they derive as part of the Nonprofits Insurance Alliance Group.”

Are NIAC’s financials available for review?

Yes. NIAC’s current audited financials are available for review at www.insurancefornonprofits.org.

How is NIAC organized?

Operating under Section 5005.1 of the California Corporations Code, NIAC is a nonprofit public benefit corporation, exempt from federal tax under section 501(c)(3). NIAC began operations in 1989. NIAC is rated, A VIII (Excellent) by A.M. Best.

NIAC is a member-governed nonprofit public benefit corporation. NIAC is part of a group of affiliated companies including the Alliance of Nonprofits for Insurance, Risk Retention Group (ANI) serving nonprofits outside California, the National Alliance of Nonprofits for Insurance, a captive reinsurer, and Alliance Member Services, a management company. All of these related organizations are 501(c)(3) tax-exempt charities with independent, but related, boards of directors which share financial information, and which retain governance authority for their individual organizations in the Nonprofits Insurance Alliance Group.

NIAC serves a broad array of 501(c)(3) nonprofit organizations such as boys and girls programs, animal rescue operations, group homes, senior organizations, theater groups, food banks, community groups and others. Today, nonprofits are facing cutbacks in government funding, grants and contributions while the need for their services is increasing. We are proud to be associated with the organizations that make up this important sector and do our best to support their efforts by providing them with appropriate insurance coverages and risk management tools to protect their organizations and their clients.

What is a charitable risk pool?

NIAC is part of the “alternative” insurance marketplace. The alternative market includes options such as self-insurance, risk pools, risk retention groups, captive insurance companies and others. A fast growing sector, it is estimated that more than fifty percent of total commercial property and casualty premiums are now part of the alternative insurance market. This sector has grown dramatically over the course of the past 27 years and the traditional insurance market sometimes causes unnecessary doubt about the viability of these organizations because we are a threat to the status quo. Below we have provided some answers to questions that we believe are appropriate to ask of any insurance company, whether traditional or alternative. We also have included a question specific to
What commission is paid to brokers?

Part of NIAC’s mission is to demystify the insurance purchase for nonprofit organizations and to help them better understand where their insurance dollars go. One part of the insurance transaction is the commission that NIAC pays to the insurance brokers. NIAC pays different commission rates to brokers based on the amount of premium they place with us. Why would we do this?

We do this because brokers who work with us more frequently are much more familiar with our special applications and the coverages we offer. Those brokers who work with us infrequently on a few small nonprofits, usually require significant additional time from our staff to answer questions and complete the application and renewal process. Some insurance carriers simply refuse to work with brokers unless they have a “book” of many hundreds of thousands or even $1 million in premium from nonprofit business. We believe it is in the best interests of our member-nonprofits for NIAC to work with a broad spectrum of local brokers so that nonprofits have a wide variety of choice. However, to work with these brokers efficiently, we find that we need to offer the brokers who are less familiar with our company a lower commission.

Despite these varying commission rates, the premium you pay to us will be the same regardless of the commission we pay the broker. The price will not be more because we are paying the broker 15% or be less because we are paying the broker 10%. The difference in the fees is simply to account for the different administrative burden on NIAC.

Are NIAC Members assessable?

No. NIAC is a nonassessable entity. This means that nonprofits will never be asked to pay special fees above and beyond the premium for their insurance.

Does NIAC have protection for large claims?

Yes. Like commercial insurance companies, NIAC maintains a conservative surplus ratio and purchases “reinsurance” to cover large claims. NIAC purchases reinsurance from a group of highly rated reinsurers for claims in excess of $700,000 (including defense and indemnity).

What special advantages does NIAC bring to the nonprofit sector?

NIAC has demonstrated that nonprofits are better than average liability risks but are often improperly evaluated and priced by the commercial insurance market. Because of NIAC extensive database about nonprofits’ insurance risks, we can price nonprofits appropriately for their individual risk. We have shown that, by working together, nonprofits can gain control of this important financial service, save money, stabilize product and pricing, and
develop and implement valuable risk management tools to the benefit of the entire nonprofit sector. Sometimes commercial carriers will compete for nonprofit business and offer cheap rates during “soft markets,” but commercial insurers do not have the same commitment that NIAC does to provide stable prices.

**So what do NIAC nonprofit insureds get by being insured by NIAC?**

As a 501(c)(3) tax-exempt nonprofit itself, NIAC brings to nonprofits the confidence of knowing that they are insured by a company that is exclusively dedicated to the well-being of the nonprofit sector. NIAC provides “inspired service” to nonprofits and their brokers—including full and fair coverage of claims and excellent loss control services. We represent the best of nonprofits working together. A member of the Nonprofits Insurance Alliance Group, whose companies together insure more than 15,000 nonprofits, NIAC is part of, and accountable to the nonprofits it insures. Its founder, president and CEO, Pamela Davis, takes this accountability seriously. Call her direct line at 831-621-6018 with any questions. She and her staff are passionate about the nonprofit sector and the work of the companies in the Nonprofits Insurance Alliance Group and available to answer any questions you have.
