

2021 Meaningful Notice Memo for all 403(b) and 457(b) Eligible Employees

Per Universal Availability requirements mandated by the IRS, we are required to inform you of your eligibility to participate in the 403(b) and/or 457(b) retirement plans. Generally, "Universal Availability" means that if an employer permits one employee to defer salary into a 403(b) plan, the employer must extend this offer to all employees, other than those whom the law allows to be excluded. Universal availability also requires the plan to give meaningful notice to employees of their right to make elective deferrals. At any time throughout the year, you can start, stop, or change elective deferrals.

As an employee of the Conejo Valley Unified School District, you may be eligible to participate in a 403(b) and/or 457(b) retirement plan. Participation in these plans is voluntary and allows you to contribute pre-tax and/or after-tax dollars are taken directly from your paycheck and deposit these funds into a retirement account with an investment provider of your choice.
