

Oversight Committee

Input Received as of 5/29

- Emphasize COVID-19 interim instructional model plans
- Pause on long-term instructional model plans temporarily to allow for clarity on the interim plans
- Need to account for individual students who may need to quarantine
- Think through inclusion opportunities for students with special needs even during remote learning
- Need to communicate additional detailed survey to staff & families regarding teaching and learning models for the start of the 20-21 school year
- Clarify terminology - names of the instructional models, instructional delivery, and setting
- Training to staff and parents will be essential to implement
- Clarifying discussion about the survey questions and data
- Consistent online platforms by grade level
- Continued need to emphasize supporting access and equity for all students and families
- Remain focused on the health and safety of students, staff and families
