Transitional Kindergarten Program Information

- TK is taught by credentialed teachers.
- Potentially all CVUSD neighborhood school sites will have a TK class in the 2022-2023. As enrollment occurs through the winter and spring, a final determination of which school sites will have TK classes in the 2022-23 School Year will be made and families will be notified of a final placement for their TK student.
- TK will be the same hours as Kindergarten.
- Before and after school child care may be applied for through CVUSD Child Care.
- Transportation must be provided by parent.

What’s Next?

- To enroll your student in TK, go to your neighborhood school and register, just as you would for K-5.
- The enrollment process for the 2022-2023 school year begins on January 18, 2022 with completing the pre-enrollment items available online at: https://conejo.vcoe.org/preenrollment/
- If you would like to apply for your student to attend TK at a school other than their neighborhood school, please complete the 2022-2023 School Choice Application which will be available online beginning November 1, 2021. The School Choice application must be completed by 5:00 p.m. on January 31, 2022, for inclusion in the lottery.
Conejo Valley Unified Transitional Kindergarten Program

- Transitional Kindergarten (TK) is the first year of a two-year Kindergarten program. Upon completion of TK students promote to Kindergarten at their neighborhood school.
- TK serves as a bridge connecting what students learned in Preschool to what they will master in Kindergarten.
- The focal point of a TK year is social-emotional development.
- Students learn to develop and maintain positive relationships, identify emotions, manage impulses, focus attention, learn to work both independently and cooperatively, learn school routines and expectations, and resolve social conflict.
- TK teachers promote meaningful connections across subject matter and involve students in integrated educational experiences.
