ONLINE PRE-ENROLLMENT INSTRUCTIONS

In an effort to assist parents and guardians in the process of enrolling their child/children, CVUSD has moved to an online pre-enrollment system. Follow the instructions below to begin the enrollment process. Please note, online pre-enrollment is only completed once required documentation is uploaded. All supporting documents must be received by your school site before your child/children may attend school.

If interested in School Choice, the application can be found here: https://www.conejousd.org/Enroll-CVUSD/School-Choice. At this time, all students new to CVUSD (including TK), please complete the online Pre-Enrollment process for your neighborhood school. All on-time school choice applicants will receive a School Choice email no later than March 16 indicating whether or not your student was approved via School Choice or is on a waiting list. If approved on school choice, your existing enrollment information will be transferred to the receiving school of choice.
