Teen Read Week is a national literacy initiative of the Young Adult Library Services Association (YALSA). The purpose of the event is to increase the number of teens who are regular readers and library users. This year's theme is Picture It @ your library, which encourages teens to read graphic novels and other illustrated materials, seek out creative books, or imagine the world through literature, just for the fun of it. Libraries across the world celebrate Teen Read Week with a variety of special events and programs aimed at encouraging teens to read for pleasure and to visit their libraries for free reading materials.

*This program is not affiliated with the school district.*
