IF YOU ARE LOOKING FOR...

HOMEWORK – Click “NEWS” on the right hand side and scroll down below the calendar.

GRADES – Click “ASSIGNMENTS” on the right hand side then click “Show All Assignments” to see the grades received on individual assignments and tests.

REPORT CARD/PROGRESS REPORTS – Click “Marks”. If you want to print a report card just click anywhere on the screen when the card is displayed and then print how you normally would on your computer.

HOW CAN I CHANGE MY PASSWORD? As soon as you log in go click on the word “Account” in the upper right hand corner and follow the directions.

I LOST MY PASSWORD OR PIN# or ZANGLE SAYS MY PIN/PASSWORD DOESN'T WORK – Make sure your caps lock button is off. Re-enter the information. Check the table above to see you're using the right letters/numbers. Are you in StudentConnect when you are supposed to be in ParentConnect? Did you forget that you changed your password? Did a family member change your password? Passwords should be kept private to avoid this situation. If none of this helps then come to or call the Counseling office at (805) 374-1168.

I CAN'T SEE ALL OF THE HOMEWORK – Teachers post their homework depending on the requirements of their class. Some post two days at a time, others post more or less. If you can't see any homework or have questions about their posting policies please contact the teacher.

I CAN'T SEE SOME OR ALL OF THE GRADES UNDER ASSIGNMENTS? Some teachers post their assignments differently and some teachers don't post on Zangle. Please contact the teacher directly. Their contact information can be found on colinamiddle.net

HOW CAN I PRINT INFORMATION? Click anywhere on the screen that you want to print then print as you normally would.

PLEASE DO NOT SHARE YOUR PASSWORD - Each parent and student gets their own, unique PIN # and password. Many, many problems arise when you share passwords with family members.

FYI: Your Parent ID/Password is only valid for Zangle. Student passwords may access Moodle and Computers at Colina.

For much more detailed information on how to use Zangle please go to <http://zangle.conejousd.org/> and click on [Parent Connection Documentation](#).
