Zangle Made Easy

Go to **zangle.conejousd.org** and you will see this near the top:

- **StudentConnect** - Web application for Students

Once you click StudentConnect you will get a screen with this:

PIN	
Password	

<u>**You MUST type your password in exactly as it is on your letter or sticker that we put in your assignment notebook.**</u>

Be careful! You might have trouble with the following letters:

<u>The letter **L** might be the number **one** OR the number **one** might be the letter **L**</u>
<u>The letter **O** might be a **zero** OR a **zero** might be the letter **O**</u>

IF YOU ARE LOOKING FOR…

HOMEWORK – Click **"NEWS"** on the right hand side and scroll down below the calendar.

GRADES – Click **"ASSIGNMENTS"** on the right hand side then click **"Show All Assignments"** to see the grades received on individual assignments and tests.

REPORT CARD/PROGRESS REPORTS – Click **"Marks"**. If you want to print a report card just click anywhere on the screen when the card is displayed and then print how you normally would on your computer.

I LOST MY PASSWORD OR ID# - Buy a new assignment notebook then come to the Counseling Office.

MY PASSWORD WON'T WORK – Come to or call the Counseling office (805) 374-1168.

I CAN'T SEE ALL OF MY HOMEWORK – Teachers post their homework depending on the requirements of their class. Some post two days at a time, others post more or less. If you can't see any homework or have questions about their posting policies please speak directly with the teacher.

I CAN'T SEE SOME OR ALL OF MY GRADES UNDER ASSIGNMENTS? Some teachers post their assignments differently and some teachers don't post on Zangle. Please contact the teacher directly. Their contact information can be found on colinamiddle.net

ZANGLE SAYS MY PIN/PASSWORD DOESN'T WORK – Make sure your caps lock button is off. Re-enter the information. Check the table above to see you're using the right letters/numbers. Are you in StudentConnect when you are supposed to be in ParentConnect? Did you forget that you changed your password? Did a family member change your password? Passwords should be kept private to avoid this situation.

FYI:
Your ID/Password is the same for Zangle, Moodle and for the Computers that you use at Colina.
