SUBJECT: Distance Learning - Online Tutoring Program

Dear CVUSD Elementary School Families,

We hope that this message finds you healthy and well. Some good news we are excited to share! CVUSD is launching a new distance tutoring/connection program for your elementary school children. A number of our high school students have generously volunteered their time to offer **free 30-minute virtual tutoring and support appointments** for our students. The platform we will be using for this service is Zoom. This is for CVUSD students only, and we ask that you do not book more than one appointment per student, per week at this point in time.

To schedule an appointment:

1. Go to: <http://conejousd.org/CVUSD-Student-Tutors/>
2. Be sure to input - **Username:** CVUSD **Password:** theconejoway
2. Review the Biography and choose a tutor.
3. Click **Book Now** and follow the prompts to select the date and time of your appointment and your CVUSD tutor.
4. A student tutor will connect with you at the email you provide with a Zoom link.

We ask that an adult is in the room nearby during the tutoring process. We are opening this system to elementary schools only as we work to build capacity and hopefully open to all of our schools in the near future.

We're so grateful that our high school students are giving so much of their time to give back to the community. We encourage families to take advantage of this special opportunity.

Be well and take care,
