## **CHILDREN HOSPITAL OF LA:**

Much of our time and resources are wasted on a daily basis. Just imagine having a life threatening illness for an hour, a day, a month, or a year. Unfortunately, some children have had to copy with these problems for multiple years, or even their whole lives. 20 seconds of your time does not seem much to you, however the children at CHLA believe otherwise. Every letter you write at lunch in the Jungle Hallway donates a dollar to the Children's Hospital of Los Angeles who try to help these poor children. The donation table will be right next to the Valentine's grams, so you can write to the person you secretly admire and save a life. The table will be open until Wednesday! Hope to see you there!
