Section 5 of Article IX of the State of California Constitution guarantees students a "free public education." This means that all educational activities carried on by public school districts, extra-curricular as well as curricular, must be without cost to the students who participate in such activities. Please contact Mr. Klinger if you have any questions regarding this policy.

Teen Center Programs:

Great news for teens looking for fun things to do this Winter – the Thousand Oaks Teen Center has plenty of opportunities. We have a large variety of classes in multiple categories such as Dance, Arts, Sports, and Computers, there is something for every teen – Winter programs are scheduled to begin the week of January 20th. Programs are nominally priced (around \$50-\$60) and meet an hour per week for 7 weeks.
