Section 5 of Article IX of the State of California Constitution guarantees students a "free public education." This means that all educational activities carried on by public school districts, extra-curricular as well as curricular, must be without cost to the students who participate in such activities. Please contact Mr. Klinger if you have any questions regarding this policy.

Returning to School after Illness:

If you called your student out ill due to any COVID-19 symptoms, they may return to school when:

They are symptom free (without medication) for 24 hours **AND** they have either a confirmed negative COVID-19 test OR a Doctor's note confirming that the illness was determined to be unrelated to COVID-19.

If they do not get tested for COVID-19 or see a doctor, your student must **isolate at home for 10 days** AND may return when they are symptom free (without medication) for 24 hours and their other symptoms have resolved.

Regreso a la escuela después de una enfermedad:

Si su estudiante no asiste a la escuela debido a algún síntoma de COVID-19, puede regresar a escuela cuando:

Esté libre de síntomas (sin medicación) durante 24 horas y con un comprobante médico confirmando la prueba negativa del COVID-19, o una nota del médico que confirme que se determinó que la enfermedad no estaba relacionada con COVID-19.

Si no se hace la prueba de COVID-19 o no va al médico, su estudiante debe guardar cuarentena en casa durante 10 días, y puede regresar cuando esté libre de síntomas (sin medicación) durante 24 horas y sus otros síntomas se hayan resuelto.
