On Mondays, Wednesdays & Thursdays between 3:00 – 5:00pm. Register at [libcal.tolibrary.org/calendar/kids](http://libcal.tolibrary.org/calendar/kids). See attached flyer for further details.

## Counseling Website:

The LCMS Counseling website (<https://www.lcmscounseling.org/>) is a fantastic place to find a variety of helpful information and resources:

- Academic support and tutoring information (inside and outside of school)
- Counseling Monthly Newsletter
- Social Emotional Handouts and Resources
- Parent Information Night Presentations
- Frequently Asked Questions
- Enrollment Information and Grade Level Course Request Forms
- Resources in the community (Boys and Girls Club, Teen Center, PTSA...etc)
- Links to connect with teachers and school staff
- Community mental health resources

Just to name a few!

We encourage our families to take some time to review our website and the various tabs to become familiar with all the helpful information. We update the website frequently and during various seasons throughout the year (Registration Season, Beginning of the Year, After Trimester 1...etc).

Counselors are available for students via ZOOM by appointment. Please see the front page of the LCMS Counseling website for more details on how your student can connect with their counselor this year!

## Tech Tip – Split Screen:

Did you know that your students can split their screen on their Chromebooks? A simple Alt + [ will make one screen go to the left and an Alt + ] will make another screen go to the right.
