Important School Info:

Arrival and Departure Times

Students should not be on campus more than 10 – 15 minutes before the start of their first class, and should leave the school grounds by 3:30 p.m., unless involved in a school activity. After school, students are not to use the front office to exit the building.

If a student is late to school, they MUST report to the Front Office to be checked-in. We will need a parent to verify reason for late arrival.

Students who will need to leave school before dismissal MUST be checked-out in the Front Office. A parent or guardian can call ahead of time to notify the office of departure time so that we can have student ready for pick up. Parent signature is required before student is released.

Before School Entrance

In the morning, students should report to the lunch area behind the main building. Students must enter the building from the back double doors by the Jungle Hallway, or through the 6th grade stairwell. Entering through any other entrance, including the office or the front double doors may result in disciplinary action.
