

Lang Ranch Elementary School 2021-2022 Suggested Student Supply Donation List

Welcome to Lang Ranch Elementary School! California law guarantees students a public education free of charge, and all materials, supplies, and equipment necessary for this class will be provided without charge. We may ask for donations of materials and supplies for our classroom, but all donations are strictly voluntary and not to exceed \$25.00. However, parent support in this regard allows our school budgets to be used for additional instructional materials. We have also found that students often take better care of materials when they have been brought from home. Please contact Dr. Sellers, Principal, if you have any questions or concerns about school supplies and/or student fees. www.langranchelementary.com
