THE COMMUNITY

This year marks Thousand Oaks High School's 61st anniversary and as the flagship school in the Conejo Valley Unified School District, we have a proud tradition of academic and athletic excellence.

Thousand Oaks is a family-oriented community with strong parent involvement and support. The community is rich with cultural, linguistic, and socioeconomic diversity.

Our school community holds high expectations for all students as they matriculate through TOHS and move on to college or career.

Of the four-year college bound students, 13% attend a California State university, 23% a University of California school, 17% out of state or private institutions, and 3% to trade tech schools or military academies.

OUR SCHOOL

TOHS serves grades nine through twelve and has a current student population of approximately 1700 served by a teaching staff of 71.

Our school spirit is legendary. So much so that even the Los Angeles Times has written about our student cheering section, the Green Hole led by four seniors nominated by the previous year's graduating class.

TOHS takes pride in educating the whole child by meeting each student's academic, social-emotional, and physical needs.

Over 900 students participate in athletics each year (more than 50% of our students) and an equal number enroll in one or more of our arts programs.

SPECIALIZED ON-CAMPUS OPPORTUNITIES

THE CENTER FOR ADVANCED STUDIES AND RESEARCH

Students in The Center represent the most academically rigorous college candidates on campus. We are one of two high schools in the country where students are trained to use our on-site High Performance Liquid Chromatography (HPLC) machines to conduct research.

ETHOS: ENTREPRENEURSHIP ACADEMY

As one of only four entrepreneurship California Partnership Academies, ETHOS targets students of all abilities who will be inspired from the instruction provided through an entrepreneurship lens and benefit from the reduced class size within a team atmosphere.

CAREER EDUCATION MAJORS PROGRAM

The Majors Program is an extra curricular opportunity that provides students with the experiences to understand, narrow, or expand career choices beyond high school.
