NPHS Course Selection Guidelines

Schedule changes will **not** be made to accommodate teacher requests, period requests, extracurricular or athletic activities.

A required schedule change will be made for a student who failed a course or who completed a pre-approved summer school course.

A requested schedule change will be made only if it improves the integrity of your schedule for graduation or college entrance requirements AND if there is space available. Schedule change requests can be addressed in August during Schedule Pick-Up Day.

Athletics

If you play a NPHS team sport, you will earn 5 credits each season toward your 20-credit PE requirement. Your sport will be added to your schedule (as a period 7 after your coach adds you to a team roster. For Athletic information, visit: www.nphsathletics.org. If you intend to play a NCAA/NAIA sport in college, it is **your** responsibility to review the following eligibility requirements:

Prerequisites

If a course requires a prerequisite or an audition, as indicated in the column next to the course title, make sure that you qualify BEFORE you select it. If you do not qualify, choose a different course! For more information about specific prerequisites/auditions:

Honors Placement

If you are CURRENTLY taking an honors course in your intended honors subject, and if you are earn a B or higher as your final grade, you may choose the next sequential honors course. If you are NOT currently taking an honors course in your intended subject, you must earn an A in all final marking periods. If you do not earn an A in all final marking periods, you need to complete an Academic Waiver Form .

CEC		

Most CEC classes are year-long, are off-campus, and require a free 5th and 6th period. To learn more about CEC classes:

Because you will not know if you are accepted into the CEC class for which you applied until after your course selections are due, choose your NP classes as if you are not in a CEC class. If/after you are able to register for a CEC class, let your counselor know so that he or she can adjust your NP schedule accordingly.

Seniors Who Want an Unscheduled Period MUST be enrolled in 50 credits for the school year and obtain parent/guardian signature.
