# School Plan for Student Achievement (SPSA) Template 

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
| :---: | :---: | :---: | :---: |
| Madroña Elementary School | 56737596055875 |  | XX-XX-2022 |

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Additional Targeted Support and Improvement
The purpose of the School Plan for Student Achievement (SPSA) is to create a cycle of continuous improvement of student performance, and to ensure that all students succeed in reaching academic standards. Site principals, staff, leadership team, and parents are actively involved in the process. All decisions are based on careful analysis and reflection and are a part of the on-going process of improving student learning.

The mission of Madroña Elementary School is to focus on all students' academic, social, physical, and psychological growth. Our values are defined by the consistent collaboration between our school, families, and community.

Madroña Elementary School has actively involved teachers, classified staff, and parents in the development of the SPSA. This plan directly aligns with the four district LCAP goals: implement targeted actions and services that support positive student outcomes; ensure highly qualified and effective staff are provided with targeted professional development, and have an understanding that all job responsibilities are structured to support positive student outcomes; provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes; and enhance the social, emotional and physical wellbeing for all students through targeted actions that support positive student outcomes.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.
EC Section 64001 requires the development of the SPSA to include the following:
A comprehensive needs assessment (pursuant to ESSA)

Analysis of verifiable state data, consistent with state priorities, including state-determined long term goals
May include local data
An identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals

All schools within the CVUSD complete a Comprehensive Needs Assessment as part of the SPSA development process. Part of this needs assessment includes the analysis of California State Dashboard data as well as local assessment data including benchmark assessments, attendance data, survey data, and grade mark reports. In the spring of 2021, based on state guidelines, CVUSD elected to use local data to monitor student progress and inform SPSA plans and site goals. School sites will include the 2021-22 and 2022-23- CAASPP data as an important reference, and they will also include local data from the 2022-23 school year.

The Comprehensive Needs Assessment and SPSA goals are developed in collaboration with school site stakeholder groups, including the School Site Council and English Learner Advisory Council, with the goal of improving student outcomes, including addressing the needs of all student groups. These goals are aligned to the CVUSD LCAP and are consistent with the 8 State Priorities. During the course of the year, School Site Councils and other site stakeholder groups evaluate and monitor the implementation of the SPSA and progress towards accomplishing the goals.

## Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the schoolyear, and a summary of results from the survey(s).
CVUSD conducted an annual feedback survey for the 2022-2023 school year. The results reflect the following: Students in grades 4-12, certificated and classified staff, and parents/guardians.
$83 \%$ of parents/guardians reported that their student(s) seem eager to attend school each day. $85 \%$ of parents/guardians reported that their student(s) school(s) were inclusive environments that value all people.
86\% of parents/guardians reported that their student's school was physically safe.
$92 \%$ of parents/guardians reported that they are informed regarding their student(s) academic progress.
84\% of parents/guardians reported that they are comfortable sharing their thoughts and ideas at their student's school.
$93 \%$ of parents/guardians reported that teachers and staff treat them respectfully.
$98 \%$ of elementary students reported they feel their teachers care about them.
$93 \%$ of elementary students reported that their school is inclusive.
$90 \%$ of middle and high school students reported feeling their teachers care about them.
$89 \%$ of middle and high school students reported that their counselors care about them.
$79 \%$ of middle and high school students reported feeling their school is an inclusive environment that values all people.
$73 \%$ of middle and high school students reported that they know an adult on campus that they can go to when they are feeling sad, upset, or worried.
$91 \%$ of staff reported that working for CVUSD is a positive experience.
$87 \%$ of staff reported that they are comfortable discussing workplace issues with their supervisors.
$92 \%$ of school site staff reported that students feel at school.
$83 \%$ of school site staff reported that students are engaged and motivated.
$95 \%$ of school site staff reported that their school site embraces diversity; and $94 \%$ reported that their school site embraces inclusion.

The site survey for Madrona Elementary results are compiled from 46 families in the school community.
$95 \%$ of respondents completing the survey agree or strongly agree that their student is eager to attend school
$91 \%$ of respondents completing the survey agree or strongly agree that Madrona creates an inclusive school environment
$91 \%$ of respondents completing the survey agree or strongly agree that Madrona supports socialemotional well being of students
$87 \%$ of respondents completing the survey agree or strongly agree the school environment is physically safe
$100 \%$ of respondents completing the survey agree or strongly agree they are informed about their student's academic progress
$87 \%$ of respondents completing the survey agree or strongly agree that their student is academically challenged
$93 \%$ of respondents completing the survey agree or strongly agree that their student receives academic support
$74 \%$ of respondents completing the survey agree or strongly agree that classroom materials are reflective of their students
$96 \%$ of respondents completing the survey agree or strongly agree that teachers and staff are respectful
$96 \%$ of respondents completing the survey agree or strongly agree that they are comfortable sharing ideas at Madrona
$93 \%$ of respondents completing the survey agree or strongly agree that Madrona meets the health and support needed for their students
$100 \%$ of respondents completing the survey agree or strongly agrees that the facility and school environment is appealing.

The Comprehensive Needs Assessment and SPSA goals are developed with consideration of improving student outcomes. The SPSA goals are aligned to CVUSD district LCAP goals. Stakeholder input was gathered through School Site Council (SSC) which is comprised of teachers, community members and Parent Teacher Association (PTA) members, as well as staff members. The careful consideration and input of these stakeholders helps determine the goals as stated in the SPSA.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.
CVUSD certificated personnel are observed over the course of the year as well as selected on and off schedule teachers receive an evaluation in the spring. Administrators meet with certificated and classified personnel to discuss observations, provide constructive feedback and to highlight areas of success.

CVUSD schools engage in both informal and formal classroom observations to provide feedback as well as guide instructional practices and professional learning. Following observations, administrators hold conferences with teachers to share reflections on the observations. Based on hire date, administrators conduct teacher evaluations including a key standards and elements conference based on the California Standards for the Teaching Profession (CSTP) within the first 60 days of school starting to set three goals. Progress on these goals is monitored both informally and formally throughout the year and culminates in a formal evaluation and conference. CVUSD continues to provide coaching and guidance with UDL practices in the classroom. Administrators also monitor and model best practices for considering Diversity, Equity, and Inclusion (DEI) in instructional planning and delivery. Teachers participating in the CVUSD Teacher Induction Program also meet regularly with support providers for goal-setting, observation, and reflection on alignment with the CSTP.

Informally, Principals along with the Superintendent, Assistant Superintendent, and Instructional Services Directors regularly walk through classrooms to observe student learning and instruction. School sites also engaged in UDL walkthroughs facilitated by site and district staff to observe best practices in classrooms. Teachers engaged in a sharing and unit planning activity using observed instructional practices from the UDL walkthroughs for planning. In grade levels, they conducted debriefing sessions about student connections with instruction, level of student engagement and student uinderstanding with a district teacher on special assignment (TOSA). Additionally, the 5th

Grade and Special Education teachers were able to observe same grade level classes at other CVUSD school sites where they conducted UDL walkthroughs.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA) CVUSD students in grades TK-5 are assessed utilizing district benchmark assessments for ELA and math. ELA assessments include: local standards-based reading assessments, Reading Inventory that generates a Lexile score, trimester writing assessments, unit tests, theme tests, and teachercreated unit and formative assessments.
Math assessments include: end of course exams, district benchmarks, unit tests, chapter tests and teacher created formative assessments. English Language Development assessments are also utilized to modify instruction and improve student achievement, including: English Language Proficiency Assessments for California (ELPAC) and curriculum-based unit and formative assessments.

Results from these assessments are used to inform instruction and establish schoolwide goals. Assessment data is analyzed by the site principal, leadership team, School Site Council, and teachers to engage in the continuous cycle of improvement. Local assessment data is also routinely analyzed through department/grade level Professional Learning Community (PLC) time. PLC's discuss local assessment alignment, student performance, best practices, and analyze student work, utilizing specific protocols and developing collective plans of action.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)
CVUSD TK-2 Teachers administer district trimester benchmarks in reading, writing and math to guide instruction and plan for differentiation. Grade 3-5 Teachers use a Lexile test, unit tests and theme tests as pre and post assessments for students to measure progress and determine areas for pre-teaching and reteaching. Principals and teachers analyze student benchmark assessment data at the end of each trimester. For the 2022-23 school year, principals will continue to track data using Mastery Connect, Canvas, ESGI, Report Card data, and teacher record keeping sheets for student groups, classes, and grade levels. Performance data will be disaggregated and reported out to provide teachers with the opportunity to closely monitor the performance of all student groups, including English Learners, Socio-economically Disadvantaged, Race/Ethnicity, Special Education, Homeless, and Foster Youth.

CVUSD expanded the use of ESGI to include all teachers in grades TK-2. ESGI allows teachers to determine targeted achievement towards standards and provide individualized reports to teachers and parents. In addition, teachers are able to provide these reports to parents and families. Benchmark assessments in ELA and Math have been revised to align with the standards and curricula for each subject.

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA) $100 \%$ of CVUSD teachers are credentialed and properly assigned.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)
CVUSD teachers are provided three (3) pupil-free work days dedicated to professional learning. These days are led and organized by district and school site leadership. CVUSD Local Control Accountability Plan (LCAP) Goal 2 is to "ensure highly qualified and effective staff are provided with targeted professional development, and have an understanding that all job responsibilities are structured to support positive student outcomes." Current LCAP actions/services focus on professional learning related to Universal Design for Learning (UDL), Diversity Equity \& Inclusion practices, Social Emotional Learning, Professional Learning Communities (PLCs and Impact Teams), 1:1 Technology implementation, Core Literature, inclusive practices such as co-teaching, and other curriculum based professional learning opportunities.

During the week of August 15 to 19, CVUSD teachers were provided with a range of optional, professional learning opportunities, including UDL, Social-emotional learning, Canvas, SeeSaw, trauma-informed classrooms, Math IXL, ESGI, Unique, DEI, social-emotional learning practices, and Special Education report writing. Additionally, secondary English teachers facilitated professional learning opportunities for colleagues, sharing curriculum and units built over the summer to provide continuity regarding diverse core literature titles.

CVUSD maintains 3 pupil-free professional learning days. Provided 2 days of all-district professional development on August 22nd and November 1st with the focus on Universal Design for Learning and the intersections with social-emotional learning and diversity, equity, and inclusion. Designated focus UDL Checkpoints for the year 7.2 (optimizing relevance, value, and authenticity) and 8.3 (fostering collaboration and community). Provided opportunities for teachers to engage in the practice of designing for equitable first instruction. Introduced strategies for optimizing student voice and choice. March 17th provided important training to all elementary students on positive behavior supports and understanding the key functions of behavior, while secondary teachers participated in in-depth discussions on the pillar of "accuracy" from Joe Feldman's book "Grading For Equity".

In addition, during the 2022-23 school year, a cohort of secondary English teachers participated in the UCLA Center X professional development series, (De)Normalizing Literature, to develop instructional strategies for the teaching of diverse core literature titles.

All elementary and secondary counselors participated in on-going professional development on social-emotional learning with a specific emphasis on the CASEL competencies: self-management, social-awareness, self-awareness, responsible decision-making, and relationship skills. In addition, all counselors and site administration are participating in the Hatching Results professional learning series to develop a comprehensive school counseling program (TK-12) that addresses students' academic, college and career, and social-emotional development.

Madrona staff engaged in UDL walkthroughs which coombined instructional observations, discussions, and debrief to determine levels of student engagement and undrestanding. Additionally, teachers reviewed benchmark data, both with grade levels and with the next grade level to determine academic areas to focus on for student developmen and understanding.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)
CVUSD's professional learning plan is rooted in addressing student performance for all students, including student groups, by best meeting the content standards. District-wide professional learning related to Universal Design For Learning (UDL) serves as the defined instructional framework across all grade-levels and content areas. While UDL implementation bolsters learning for all students, it specifically targets student groups, namely students with disabilities and English Learners, that have underperformed significantly compared to same age peers in the past. UDL supports all students' access to learning rigorous content standards.

CVUSD is committed to providing teachers with relevant training related to Diversity, Equity \& Inclusion, curriculum adoptions, content standards, technology, data management, and socialemotional learning.

CVUSD provides a new teacher Induction Program based on the California Standards For The Teaching Profession for all teachers with California Preliminary Teaching Credentials. All teachers are provided with professional learning on the intersection of UDL, DEI and SEL and the importance of focusing on student engagement and student voice.

Administrators engage in professional development related to DEI, UDL, PLCs, Restorative Justice, and trauma informed care to lead sites in using inclusive and supportive practices with students and families.

Additionally, English Learner Advisor Teachers and GATE Facilitators at each school site receive monthly professional development on meeting the needs of English Learners and GATE students in the classroom. These sessions include access to activities, resources and strategies. These facilitators present their resources and strategies at their recurring school site faculty meetings. Teacher representatives serve on CVUSD committees including subject area MTSS, SEL, Core Literature, report cards, curriculum and assessment, and technology.

Elementary school site reps will be trained this year on arts integration in the classroom using standards for drama/theater. These strategies also include social emotional learning and using instructional strategies for all learning modalities.

During Madrona staff meetings, teachers received staff delivered strategies to support English Learners (Kagan) as well as infusion of arts activities training with tableaus by staff members.PD is infused as a part of staff meetings to engage all teachers in new learning and professional development to support student achievement.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)
CVUSD provides a system of instructional assistance and support for teachers. CVUSD leads its own accredited New Teacher Induction program by utilizing Teachers on Special Assignment (TOSA) to support teachers with preliminary teaching credentials. A host of other TOSAs in the district provide focused support in the following areas: Assistive Technology, Inclusion, Educational Technology, Professional Learning, Visual and Performing Arts, Transitional Kindergarten, UDL and Intervention, and GATE. The TOSAs provide on-going professional development and consultation to teachers, as well as conducting a number of district-level tasks that serve all student groups.

Teacher collaboration by grade level (kindergarten through grade eight [K-8]) and department (grades nine through twelve) (EPC)
CVUSD schools engage in Professional Learning Community (PLC) practices on a regular basis. Grade-level or departments meet regularly for common planning time. All principals and numerous teacher teams across CVUSD have been provided formal training on PLCs. This time is used for a number of purposes: developing common assessments, curriculum development, identifying essential standards, assessing student work, and developing collective action that responds to student performance data. Through PLCs, teachers collaborate to focus on implementing the school site and district focus areas of Universal Design for Learning, Diversity, Equity, and Inclusion, and social-emotional learning.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA) CVUSD uses state-approved instructional materials in all subject areas including ELA and Mathematics. For the 2023-24 School Year, all TK-5 teachers are implementing the adopted ELA/ELD Wonders Program. In addition, CVUSD teachers and administrators created grade level pacing guides for ELA/ELD and Math for full implementation of standards based instruction. Teachers and administrators also developed and refined assessments to be used to monitor student progress toward state standards based on the consistent use of curriculum and instruction TK-5. Elementary teachers also focus on establishing learning routines and procedures to maximize students learning using the curriculum and materials at each grade level. In 2022-2023, CVUSD adopted new instructional materials for History/Social Science, which had not been updated since 2006.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)
CVUSD teachers adhere to Board approved instructional minutes for all subject areas. School staff adhere to uninterrupted instructional blocks for Language Arts and Math instruction. Math and Language Arts blocks are prioritized in teacher planning in order to maximize student focus.

Lesson pacing schedule ( $\mathrm{K}-8$ ) and master schedule flexibility for sufficient numbers of intervention courses (EPC)
CVUSD TK-5 teacher teams collaborated to create grade level pacing guides to include units, themes, lessons, and assessments within a timeline that allows for monitoring students progress. Based on student data, interventions will be provided in ELA and Math including technology based programs, 1:1 and small group intervention with academic specialists, and classroom based interventions such as teacher-led small groups.

Availability of standards-based instructional materials appropriate to all student groups (ESEA) All CVUSD students have access to appropriate California State approved curriculum in all content
areas. Students in special education use the same state adopted materials that are used in the
general education classrooms as well as supplemental materials and out of level materials when
needed and designated in a student's IEP. English Learners receive instruction in content areas
using standards-based instructional materials for designated and integrated teaching of the ELD
standards.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)
All CVUSD classroom curriculum is Board approved in all subject areas. During this process, general education and special education teachers review and pilot materials to evaluate them based on our local needs and their alignment to state standards. Intervention materials from the adopted curricula are utilized for students requiring additional support, along with additional research-based, state standards-aligned digital and print materials. Teachers receive training in the implementation of these materials with fidelity.

CVUSD teachers and schools employ Tier 2 interventions, in addition to Tier 1 instruction, for students who demonstrate a need for additional support. These intervention materials are aligned to the state standards. English learners are provided with intervention programs, including Smarty Ants and Imagine Learning designed for English Learners and EL instructional strategies for elementary and middle school students. Students with disabilities use various online programs (eg. Seesaw, Boom Cards, UNIQUE) to determine which one provides for the highest level of student engagement and access

At the elementary level, teachers implemented online supplemental intervention programs in literacy and math, such as: Lexia Reading and IXL Math. Elementary Academic Specialists support and provide small group instruction for students needing support in identified areas.

## Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)
CVUSD teachers employ a range of instructional strategies to engage all students in meeting the California State Standards. Using the UDL framework, teachers consider students' needs for engagement, representation and action and engagement. Teachers utilize whole group, small group and independent work times, as well as one-on-one student interventions during the instructional day to meet the individual instructional needs of students. Teachers incorporate scaffolding and differentiation into lessons in order to enable underperforming students to access the general curriculum. Targeted students also participate in scheduled intervention with classroom teachers and the credentialed intervention staff to receive targeted support in essential ELA and Math skills.

## Evidence-based educational practices to raise student achievement

The following research-based educational practices are utilized: Universal Design for Learning, Multi-Tiered Systems of Support (MTSS), PLC's, Designated and Integrated ELD, differentiated instruction, Webb's Depth of Knowledge, guided reading, academic language instruction, formative assessment, co-constructed rubrics, corrective feedback, learning goals, check for understanding, student investigations, inquiry-based learning, Science of Reading and cooperative learning.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)
Site Bilingual Facilitators, School Social Workers, and Title 1 Outreach Assistants provide support to parents/families to support student engagement. They provide training and support related to Canvas, Zoom, and Seesaw for families. In addition, they support families in creating a successful home learning environment, as well as trauma and mental health resources. English as a Second Language classes for parents are offered during the school year through Title 1 Outreach. Student Support Services department provides ongoing parent webinars to connect parents to school and to understand developing programs. In addition, parents are encouraged to participate in trainings provided by Project 2 Inspire staff where they present information about the US school system and other relevant topics.

A CVUSD team member reached out to all families experiencing homelessness in the month of August. The purpose of the outreach was to determine if the students had access to school supplies, clothing/toiletries and to provide any needed support with the return to school. This personal outreach was also intended to share the name and contact information of their student's school site foster and homeless liaison.

In September, the District foster and homeless liaison worked with each site liaison to reach out to foster and homeless student/family to check in on students attendance and to introduce themselves to their school liaison. The District liaison serves as a connection to community agencies that are able to provide additional support in the areas of temporary housing, rent assistance, and free meals. The District liaison personally connects families to the community agencies in the area of need. Throughout the school year, the school site foster and homeless liaisons will connect with foster and homeless students/families every month to assess attendance, general well-being, and any change in needs.

Madrona liaison worked directly with the district liaison to meet the needs of families. All families are connected with the resources needed to support their development within the local community and school environment.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)
Madroña Elementary has an active Parent Teacher Association (PTA), School Site Council (SSC), and English Language Advisory Council (ELAC). These leadership bodies help set the goals of the school and actively work to increase parent involvement on campus. SSC and ELAC oversee the creation, implementation, and evaluation of Madroña's SPSA during their regularly-scheduled meetings, all of which are open to the public. Parents have many involvement opportunities and representation through School Site Council (SSC), our English Language Advisory Council (ELAC) along with Parent Education classes facilitated by our Outreach Assistant and community partnerships, and our Parent Teacher Association (PTA). Parents are also encouraged to volunteer at school and attend events. Our Special Education District Advisory Council (SEDAC) representatives offer involvement and connection opportunities for parents. Madroña's parent DAC, GATE-DAC, and DELAC representatives participate in district-level meetings and report back to SSC and ELAC, enriching our district-site level communication.

At Madroña Elementary, the principal holds a Title 1 Meeting each year to inform parents of the Title 1 purpose, budget and programs designed to promote student success. At this meeting, the principal also obtains parent input for Parent and Family Engagement at Madrona for the school year including both the District and School Parent and Family Engagement Policies. GATE parent meetings inform parents of instruction and enrichment designed for our identified gifted and talented students, and the meetings also solicit parent involvement in programs.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)
Categorical Funds in CVUSD:
Title III/EIA funds are used to provide additional support and technology in the classroom.
Title II/EEF funds are used to provide professional development opportunities for teachers. ELAC has approved the use of these funds.
LCFF monies are all tied to LCAP goals and approved by our leadership team and school site council.
See goals and budget pages as part of SPSA.

## Fiscal support (EPC)

The site receives federal funding in the form of Title III, Title II, and Title I. All fiscal decisions are constructed through ELAC and EL team meetings. All other funds come from LCFF. See goals and budget pages as part of SPSA.

## Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update
ELAC Meeting September 19, 2022 Discussed Title 1 designation and data. Updated and reviewed CAASPP data. Reviewed how funds were being used to support our learners based on the SPSA goals.

SSC Meeting September 15, 2022 Review and discussed the most recent data and its impact on the SPSA goals. Approved SPSA.

Leadership Team Meeting October 18, 2022 SPSA Review
Staff Meeting October 25, 2022 updated SPSA progress.
ELAC Meeting December 5, 2022 reviewed SPSA goals and connections with district goals.
SSC Meeting December 15, 2022 Discussed and reviewed the budget resources within SPSA. Agreed to split resource between budget codes.

SSC Meeting February 8, 2023 Reviewed and discussed Goals 1-3.
SSC Meeting March 27, 2023 Reviewed and discussed Goal 4.
Leadership Team Meeting April 18, 2023 SPSA Review and discussion of goals for upcoming school year.

SSC Meeting April 20, 2023 Reviewed and discussed Goals 5 and 6.
Staff Meeting April 21, 2023 Review Goals and discuss new goals based on student progress.
Staff Meeting May 9, 2023 Review Goals and discuss new goals based on student progress.
SSC Meeting May 18, 2023 Review data and impact on SPSA goals. Discuss new goals for upcoming school year.

Staff Meeting August 28, 2023 Review SPSA goals.
SSC Meeting August 31, 2023 Review SPSA goals, and use of funding to support students, teachers, and programs.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.
As a result of COVID and the learning loss experienced over the past few years, this further compounded the impact of resource inequities on marginalized or disadvantaged student populations. The student groups identified
(ATSI) are EL Math and English-low academic performance, SWD, and Chronic absenteeism.
Additional inequities include language barriers, transportation, and a student population that includes stduents who experience high risk with health and wellness.

## School and Student Performance Data

## Student Enrollment <br> Enrollment By Student Group

| Student Enrollment by Subgroup |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Student Group | Percent of Enrollment |  |  | Number of Students |  |  |
|  | 20-21 | 21-22 | 22-23 | 20-21 | 21-22 | 22-23 |
| American Indian | \% | \% | 0\% |  | 0 | 0 |
| African American | 1.0\% | 0.36\% | 1.89\% | 3 | 1 | 5 |
| Asian | 3.9\% | 2.91\% | 4.17\% | 12 | 8 | 11 |
| Filipino | 0.7\% | 0.36\% | 0\% | 2 | 1 | 0 |
| Hispanic/Latino | 45.5\% | 46.18\% | 47.35\% | 140 | 127 | 125 |
| Pacific Islander | \% | \% | 0\% |  | 0 | 0 |
| White | 45.1\% | 44.36\% | 40.91\% | 139 | 122 | 108 |
| Multiple/No Response | 3.9\% | 5.82\% | 4.92\% | 12 | 16 | 13 |
|  | Total Enrollment |  |  | 308 | 275 | 264 |

## Student Enrollment

 Enrollment By Grade Level| Grade |  | Student Enrollment by Grade Level |  |  |
| :--- | :---: | :---: | :---: | :---: |
|  | Number of Students |  |  |  |
|  | $\mathbf{2 0 - 2 1}$ | $\mathbf{2 1 - 2 2}$ | $\mathbf{2 2 - 2 3}$ |  |
| Kindergarten | 68 | 55 | 52 |  |
| Grade 1 | 54 | 46 | 43 |  |
| Grade 2 | 43 | 49 | 46 |  |
| Grade3 | 38 | 39 | 48 |  |
| Grade 4 | 54 | 36 | 42 |  |
| Grade 5 | 51 | 50 | 33 |  |
| Total Enrollment | 308 | 275 | 264 |  |

Conclusions based on this data:

1. There is an increase in percentage of Hispanic/Latino group.
2. There continues to be a decline in overall enrollment.
3. Significant enrollment decline in grade level cohorts from the 19-20 school year to the 20-21 school year. This was a greater cohort drop from the 18-19 school year to the 19-20 school year.

## School and Student Performance Data

Student Enrollment
English Learner (EL) Enrollment

| English Learner (EL) Enrollment |  |  |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: |
| Student Group | Number of Students |  | Percent of Students |  |  |  |
|  | $\mathbf{2 0 - 2 1}$ | $\mathbf{2 1 - 2 2}$ | $\mathbf{2 2 - 2 3}$ | $\mathbf{2 0 - 2 1}$ | $\mathbf{2 1 - 2 2}$ | $\mathbf{2 2 - 2 3}$ |
| English Learners | 103 | 97 | 105 | $\mathbf{3 3 . 4} \%$ | $\mathbf{3 5 . 3} \%$ | $39.8 \%$ |
| Fluent English Proficient (FEP) | 17 | 14 | 7 | $5.5 \%$ | $5.1 \%$ | $2.7 \%$ |
| Reclassified Fluent English Proficient (RFEP) | 2 |  |  | $1.9 \%$ |  |  |

Conclusions based on this data:

1. There has been an increase in the percentage of ELs over the past three years.
2. There has been a decrease in the number of RFEP students the past three years.

| All Grades |  | 21.70 |  |  | 55.66 |  |  | 22.64 |  |

Conclusions based on this data:

1. Latinx, socio- economically disadvantaged, and English learners continue to fall behind the schoolwide average.
2. In Spring 2020, school districts were permitted to select their own end of year assessments aligned with California State Standards in lieu of traditional CAASPP testing. For Grades 3-8, the above "School and Student Performance Data" for 20-21 reflects CVUSD's administered and approved local assessments in English Language Arts and Mathematics. Overall and grade-level student performance data is available and reported above.
3. Overall decline in performance of the 2021-222 school year in comparison to the last CAASPP testing occurrence in 2018-19 school year. The effects of the pandemic may have contributed to this decline.

## Conclusions based on this data:

1. Overall, a drop in percentage of students who met or exceeded standards from the 2019 CAASPP assessment to the 2022 assessment. The effects of the pandemic may have contributed to this decline.
2. Latinx, socio- economically disadvantaged, and English learners continue to fall behind the schoolwide average.
3. In Spring 2020, school districts were permitted to select their own end of year assessments aligned with California State Standards in lieu of traditional CAASPP testing. For Grades 3-8, the above "School and Student Performance Data" for 20-21 reflects CVUSD's administered and approved local assessments in English Language Arts and Mathematics. Overall and grade-level student performance data is available and reported above.

| All Grades | 4.81 | 4.17 |  | 44.23 | 57.29 |  | 50.96 | 38.54 |  | 104 | 96 |  |

## Conclusions based on this data:

1. There was $16 \%$ increase in the number of students who scored an overall level 1 from the 2018-19 school year to the 2020-21 school year. There was $7 \%$ increase in the number of students who scored an overall level 2 from the 2018-19 school year to the 2020-21 school year. The impact of the pandemic may have contributed this this increase.
2. The number of student tested has remained fairly consistent through the years.
3. Basic initial conclusion is that the reading and writing domains have a higher percentage of students in the beginning level as compared to the domains of listening and speaking.

## School and Student Performance Data

## Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

## 2021-22 Student Population

| Total <br> Enrollment |
| :---: |
| 275 |

Total Number of Students enrolled in Madroña Elementary School.

| Socioeconomically <br> Disadvantaged |
| :---: |
| 46.9 |

Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

| English <br> Learners |
| :---: |
| 35.3 |

Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

| Foster <br> Youth |
| :--- |
| 0.4 |

Students whose well being is the responsibility of a court.

| 2021-22 Enrollment for All Students/Student Group |  |  |
| :--- | :---: | :---: |
| Student Group | Total | Percentage |
| English Learners | 97 | 35.3 |
| Foster Youth | 1 | 0.4 |
| Homeless | 12 | 4.4 |
| Socioeconomically Disadvantaged | 129 | 46.9 |
| Students with Disabilities | 46 | 16.7 |

| Enrollment by Race/Ethnicity |  |  |
| :--- | :---: | :---: |
| Student Group | Total | Percentage |
| African American | 1 | 0.4 |
| American Indian |  |  |
| Asian | 8 | 2.9 |
| Filipino | 1 | 0.4 |
| Hispanic | 127 | 46.2 |
| Two or More Races | 16 | 5.8 |
| Pacific Islander |  | 44.4 |
| White | 122 |  |

## Conclusions based on this data:

1. Madroña qualifies for schoolwide Title 1 status.
2. Madroña has a significant number of English learners.
3. Madroña has a significant number of students with disabilities.

## School and Student Performance Data

## Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the Dashboard Communications Toolkit.

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

## 2022 Fall Dashboard Overall Performance for All Students

| Academic Engagement |
| :---: |
| Chronic Absenteeism |
| High |

| Conditions \& Climate |
| :---: | :---: |
| Suspension Rate |
| Medium |

## Conclusions based on this data:

1. There is a need to address the area of chronic absenteeism and investigate the area further to get more information.

## School and Student Performance Data

## Academic Performance <br> English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). ## 2022 Fall Dashboard English Language Arts Equity Report

| Very Low | Low | Medium | High |
| :---: | :---: | :---: | :---: |
| 1 | 2 | 0 | 0 |

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3-8 and grade 11.

2022 Fall Dashboard English Language Arts Performance for All Students/Student Group

Foster Youth

Socioeconomically Disadvantaged

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

| English Only |
| :---: |
| 53.4 points above standard |
| 71 Students |
|  |

## Conclusions based on this data:

1. This data set is based on the 2019 dashboard data. Therefore it is more of a historical reference point rather than gaining insight towards current actionable outcomes. The following two conclusions are comments on the 2019 dashboard data set.
2. English Language Learners score declined by 6.6 points and are nearly 56 points below standard.
3. Hispanic students are 37.4 points below standard.

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes

## Goal 1

By June 2024,all students including the \% of EL students identified as "Low" (ATSI) will improve, as measured by at least a 3\% increase in ELA and Math overall benchmarks. Students in grades $3-5$ CAASSP overall performance will improve by $3 \%$.

## Identified Need

Overall benchmark performance data shows increasing performance in grades $\mathrm{K}-2$ and $3-5$. Students in $\mathrm{K}-5$ will increase overall student achievement by 3\% in both ELA and in Math on benchmark assessments.

The CAASSP results data revealed that subgroups in grades 3-5 improved during the 2022-2023, while overall performance results were consistent with the previous year. As a result, students will meet or exceed their overall performance in ELA and Math from 2023 to 2024.

## Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |

## Annual Review

## SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
Madroña will provide four intervention specialists to support both tier 1 and targeted tier 2 academic instruction in ELA and math. As a Title 1 school, Madroña will build upon our embedded structures to further develop our MTSS model and provide necessary supports for intervention. These tier 2 groups will be fluid so that students who have mastered a concept can return to tier 1 support. Students will utilize technology platforms to develop students' foundational learning skills, have access to written and auditory learning through interactive scholastic news, and utilize phonics readers. Teachers will engage in ongoing professional development to support student learning as well as engage in ongoing data discussions at the end of each trimester to coordinate instructional strategies for struggling stduents.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
Tier 2 targeted intervention will support not only targeted subgroups, but also those students who do not meet benchmarks and need additional academic support.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.
None expected at this time.

## Goals, Strategies, \& Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

## ELD Goal

## LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes
CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes

## Goal 2

Over the course of the 2023-24 school year EL students will maintain/increase their English Language Proficiency as measured by their ELPAC score.

Increase the number of reclassified fluent English proficient students by 10\% from 2022-2023.

## Identified Need

1. Close the achievement gap by increasing student achievement by $3 \%$ as measured by their ELPAC level.

## Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
| :--- | :--- | :--- |
| ELPAC assessment | For the 21-22 school year, 84\% <br> maintained/increased their ELPAC level | For the 2022-23 school year, 87\% will <br> maintain/increase their ELPAC level |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Annual Review

## SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
Smarty Ants and Imagine Learning programs will be utiized with a targeted group of English Learners based on their proficiency on the ELPAC. Intervention specialist will provide targeted ELD instruction for newcomers.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
None.
Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.
One School, One Book connects reading at school to reading at home and provides a book in the student's home language as well as English. School community will include all stduents and families to develop EL literacy skills.

## Goals, Strategies, \& Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Learning Loss and Instructional Support

## LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes
CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes

## Goal 3

Madrona teachers will work together to share best practices in instructional support strategies for learning loss, EL students and instructional technology. Teachers will continue UDL Walkthroughs to observe best practices. Additionally, they will attend a GLAD training to support instruction. Visual mapping and a kinesthetic appraoch to learning will support both learning loss and EL academic development.

## Identified Need

The identified need is evident in the ATSI EL low academic achievement scores as well as benchmark and CAASPP data. See Goals 1 and 2.

## Annual Review

## SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
Madrona began the process of site based learning walks in March 2023. The staff was able to conduct one grade level data analysis session in May. Madrona will continue Learning Walks for the 2023-24 school year and will hold grade level data chats to review trimester data so that adjustments can be made to instruction and levels of support based on the data. With academic engagement, students might increase attendance at school.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
UDL walkthroughs will continue and teachers will attend a PD through the GLAD program.
Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The addition of the GLAD Program will serve to support students who have experienced learning loss.

## Goals, Strategies, \& Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Family, Student, and Community Engagement

## LEA/LCAP Goal

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes

## Goal 4

Over the course of the 2023-24 school year, Madroña will increase family involvement by 5\% as measured by attendance at parent informational meetings, by the number of phone calls/recorded visits to families, and the number of attendees at school community events.

## Identified Need

Madroña is a Title 1 school. A number of students from targeted subgroups could benefit from additional communication and outreach to support positive student outcomes and well being. Communication and engagement with all families and stakeholders are vital to keep the community connected.

## Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
| :--- | :--- | :--- |
| Meeting attendance and number of <br> recorded phone calls and visits to families | This year will serve as a baseline for <br> recorded visits and phone calls | By the end of the school year, Madroña <br> will increase family involvement by $5 \%$ as <br> measured by attendance at parent |

Metric/Indicator $\quad$ Baseline/Actual Outcome

## Expected Outcome

informational meetings and by the number of phone calls/recorded visits to families.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
Madrona has made strides last year towards the effort in reaching out to our families through a school outreach assistant. More communication and support is needed to improve the home to school connection. In addition, families will need access to more information regarding community resources as the economy affects the employment and health of our families. The community liaison will help bridge this gap through in person support at the Conejo Creek Condominium Association.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
There are no major differences.
Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.
This goal is focused toward increasing engagement through the metric of attendance at meetings and documented phone calls and home visits.

## Goals, Strategies, \& Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

SEL, Enrichment, and Campus Culture

## LEA/LCAP Goal

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes

## Goal 5

Madrona will build a positive school culture and environment through targeted schoolwide spirit activities, continue the focus on social emotional learning through district provided site based elementary school counselors, create a wellness room on campus, implement the Circle of Friends, and enhance student engagement through the arts and sciences.

## Identified Need

School closures in March of 2020 and the hybrid/remote learning model of the 2020-21 school year left students with limited social interactions and limited opportunities for physical exercise. As the school continues to build a community environment, the implementation of school events, additional opportunities for field trips, specialists, and school wide events provides opportunities that enhance the school culture.

## Annual Measurable Outcomes

Metric/Indicator

Baseline/Actual Outcome Expected Outcome

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Annual Review

## SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
Enhance Science and art curriculum to increase student engagement throughout campus.
Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
Funding support will be provided to bring art, music, science and PE specialists to the campus. In addition, campus culture activities such as cultural recognition weeks and days as well as spirit day activities help bring forward a sense of belonging and pride to those who attend the school.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

## Goals, Strategies, \& Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Improve Attendance for SWD [ATSI targeted goal]

## LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes
CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes

## Goal 6

By June 2024, the \% of SWD identified as "Chronically Absent" (C.A. - absent more than $10 \%$ ) will improve, as measured by at least a $3 \%$ decrease in C.A for SWD.

## Identified Need

Madrona Elementary is identified under CDE criteria as needing to improve the \% of SWD who are Chronically Absent from school. This means that in 2023, a significant \% of SWD were absent more than $10 \%$ of the days of school. In 2022, the \% of SWD who were chronically absent was $28.56 \%$, up from 7.69 in 2021. In 2023, according to Q District Pulse, the number of SWD who were chronically absent, dropped to $23.87 \%$; this continues to be a high percentage of absenteeism.

## Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
| :--- | :--- | :--- | :--- |
| $2022-\%$ of SWD Chronically Absent 14 of 49 SWD were C.A. $-28.56 \%$ [per Q <br> (C.A.) <br> District Pulse] $25.56 \%$ |  |  |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
| :--- | :--- | :--- |
| 2023-\% of SWD C.A. | 18 of 67 SWD were C.A. $-26.87 \%$ [per Q <br> District Pulse] | $23.87 \%$ |

## Annual Review

## SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
This is an entirely new goal, with corresponding actions/strategies, which seeks to address the chronic absenteeism rates of SWD as required by ATSI. The addition of a school outreach assistant on campus will help to support the needs of families who have difficulty with attendance. Academic specialists help to support students in grades 1-5. Specialized program classes will be supported through specilaists during inclusion time. With growth observed in benchmark data, it is evident that students in grades 3-5 have made academic progress with the addition of the specialist team, with academic growth, (SWD) students wlll become more engaged and attend school.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
In its first year of implementation with academic specilaists, students in subgroups have made progress. Now that the system of support is in place, students (SWD) will have additional small group support along with one to one support to target barriers to learning. The community out reach is strong, one designated specialist is engaged with families to strengthen communication between school and home .

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.
This goal is focused toward increasing engagement through the student success in the class and reducing absences.Additionally, the specialist will help support the school to home connection reducing absences.

## Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

## Budget Summary

## School Site Council Membership and Assurances

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school.

The (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The current make-up of the SSC is as follows:

1 School Principal

3 Classroom Teachers
1 Other School Staff
5 Parent or Community Members
0 Secondary Students

## Name of Members

## Gina Mandell

## Kathryn Davies

## Jeni Berce

Karli Adkins

## Courtney Swink

## Chris Gray

## Laura Tribble

## Breanna Bartolucci

Renee McDonough
Laars Aagard

## Role

## Principal

## Other School Staff

Classroom Teacher
Classroom Teacher
Classroom Teacher

## Parent or Community Member

Parent or Community Member
Parent or Community Member
Parent or Community Member
Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Advisory Council Recommendations

While some CVUSD advisory council representatives may not be voting members of SSC, individuals from advisory councils provide an important voice to reflect the diverse needs of all students in CVUSD and at the school site. The SSC sought and considered all recommendations from the following representatives before adopting this plan::

Committee or Advisory Group Name

## District Advisory Committee Representative

## English Learner Advisory Committee Representative

Gifted and Talented Education Program Advisory Committee Representative

## Special Education Advisory Committee Representative

African American District Advisory Council Representative
Lesbian, Gay, Bisexual, Transgender and Queer or Questioning (LGBTQ+) Advisory Council Representative

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 8-31-23.
Attested:

## Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also
contains a notation of how to meet CSI, TSI, or ATSI requirements. contains a notation of how to meet Csi, Tsi, or ATSI requirements.
Educational Partner Involvement
Goals, Strategies, \& Proposed Expenditures
Planned Strategies/Activities
Annual Review and Update
Budget Summary
Appendix A: Plan Requirements for Title I Schoolwide Programs
Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning
Requirements

## Appendix C: Select State and Federal Programs

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

## Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

## Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

## Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.
[This section meets the requirements for TSI and ATSI.]
[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

## Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEAand school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.
[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

## Goals, Strategies, Expenditures, \& Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is Specific, Measurable, Achievable, Realistic, and Time-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal \#" for ease of reference.
[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.
[Completing this section fully addresses all relevant federal planning requirements]

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.
[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school's identification.]
[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school's identification.]

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the "Strategy/Activity \#" for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency's budgeting, its local control and accountability plan, and school-level budgeting, if applicable.
[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]
[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and schoollevel budgeting.]

## Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating "All Students" or listing one or more specific student group(s) to be served.
[This section meets the requirements for CSI.]
[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

## Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
[This section meets the requirements for CSI, TSI, and ATSI.]
[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

## Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.
[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.
From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.
[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

## Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

## Requirements for Development of the Plan

I. The development of the SPSA shall include both of the following actions:
A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.

1. The comprehensive needs assessment of the entire school shall:
a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
b. Be based on academic achievement information about all students in the school, including all groups under $\S 200.13(\mathrm{~b})(7)$ and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to-
i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

## Requirements for the Plan

II. The SPSA shall include the following:
A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
b. use methods and instructional strategies that:
i. strengthen the academic program in the school,
ii. increase the amount and quality of learning time, and
iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
i. strategies to improve students' skills outside the academic subject areas;
ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
2. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
3. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
4. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.
E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
5. Ensure that those students' difficulties are identified on a timely basis; and
6. Provide sufficient information on which to base effective assistance to those students.
G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).
Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

## Appendix B:

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

## Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).
The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseinvestment.pdf);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).
Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

## Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseinvestment.pdf.)
Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).
Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

## Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:
Programs included on the Consolidated Application: https://www.cde.ca.gov/fg/aa/co/
ESSA Title I, Part A: School Improvement: https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp Available Funding: https://www.cde.ca.gov/fg/fo/af/

Developed by the California Department of Education, January 2019
