## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

- Schoolwide Program
- Comprehensive Support and Improvement
- Targeted Support and Improvement
- Additional Targeted Support and Improvement

Newbury Park High School provides a well-balanced curriculum for every student. The high school offers an intensive block schedule that includes three 95-minute class periods plus two 55-minute class periods, one at the beginning and one at the end of the school day. Instructional levels include International Baccalaureate (IB), Advanced Placement (AP), Honors, College Preparatory (CP), Standard, Basic, and Foundations. IB, AP, Honors, and CP courses are all “a-g” approved. Basic and Foundations courses are Special Education courses with reduced rigor and additional academic supports. The unique needs of many students are met through English Language Development, Special Day, and Career Technical Education (CTE) programs (including seven CTE Pathways). Newbury Park enjoys fierce community loyalty and a history of academic and co-curricular success. NPHS has consistently earned high rankings in state performance indexes. As a result, NPHS has earned California Distinguished School recognition and was named an NCLB Blue Ribbon School in 2006. In 2009, NPHS earned the Exemplary Career Technical Education Award from the California School Recognition Program (CSRP). Panthers consistently earn awards in the areas of the yearbook, choir, band, drumline, color guard, dance, Academic Decathlon, Mock Trial, speech and debate, journalism, and athletics, as well as a commendation for volunteer service. NPHS offers more than 80 clubs and interest groups.

A culture of unparalleled individualized support developed during the years when NPHS was the smallest high school in the district, and although NPHS is now the largest comprehensive high school in CVUSD, such support continues to this day and is integral to our success. Counselors and teachers provide personal assistance to families with questions about courses, college, and private issues on a daily basis. We work especially hard to meet student needs, especially those who are at-risk or whose first language is not English. We continuously identify obstacles to

student achievement, implement action plans to address them and work with the community to overcome them. Community support takes many forms; for example, input from all stakeholders led to the development of our block schedule as well as tutorial/Homework Help, and intervention programs for at-risk students. With the growth in our school enrollment over the last decade, we continuously plan facilities and program expansion, while maintaining a focus on personalized services and relationships that have become central to our identity.

The current Mission Statement for NPHS is represented by the initials of the high school: Newbury Park High School is an inclusive community that provides an active and engaging learning environment that fosters passionate, open-minded, and inquisitive students. We encourage a healthy and balanced outlook on life while preparing our students to make meaningful contributions to their local and global communities.

#### GRADUATES OF NEWBURY PARK HIGH SCHOOL WILL:

**BE CRITICAL THINKERS** who think inductively to interpret raw facts and data for themselves.who identify, access, analyze, integrate and utilize a variety of resources and information.

**BE EFFECTIVE COMMUNICATORS** who are able to use written, oral and technological communication skills to convey, receive and interpret messages clearly. who work cooperatively with others by sharing responsibility and decision-making in the establishment and accomplishment of goals.

**POSSESS A CORE KNOWLEDGE** of basic facts, skills, and understanding of academics, arts, and culture.of a wide variety of subjects in order to make decisions and choices in life  
**UNDERSTANDING AND RESPECTFUL INDIVIDUALS** who acknowledge the diversity of opinions, values and cultures.who demonstrate personal responsibility and respect for themselves and others.

**BE PROBLEM SOLVERS** who use a variety of learning strategies and thinking skills. who demonstrate creativity in evaluating situations and making decisions.

**BE ACTIVE COMMUNITY MEMBERS** who are willing to contribute to and interact responsibly within their community and country who handle practical situations according to common sense and the laws of the nation.

NPHS administers intervention in various ways, as will be outlined in Chapter IV in reference to our ongoing goal of providing more access and support for students. The Organized Academic Support in School (OASIS) program is designed for freshman students who did not meet promotion requirements in middle school, were close to not meeting those promotion requirements, and/or those with past or present discipline issues. Non-freshman students can also join the program as needed. These students are placed in a class that integrates instruction in health, nutrition, tailored physical education, and study skills, as provided by a team of two teachers on rotating days. Students learn about how to maintain a healthy, active lifestyle while also receiving individualized help, as well as time to study, work on homework, and meet with academic teachers or tutors. The class is provided with student computers, a printer, and school supplies. Students have access to online resources such as Q (the online CVUSD grading system), and Cyber High. We also recently brought back the Advancement via Individual Determination (AVID) program, a global nonprofit organization dedicated to closing the achievement gap by preparing all students for college and other postsecondary opportunities. Finally, subject-specific tutoring centers are available at lunch and after school, Newbury Park has

a grading period every five weeks. Counselors, administrators, and teachers involved in intervention programs such as those described above review the Ds/Fs list to provide timely intervention strategies to students. Parents are mailed correspondence indicating Newbury Park's intervention support options. Parents may voluntarily request that their students be enrolled in an OASIS or AVID class. Sometimes, a student study team (SST), a measure which can be requested by a parent to evaluate a struggling student, will determine that a student should be placed in one of those classes mid-year.

The purpose of the School Plan for Student Achievement (SPSA) is to create a cycle of continuous improvement of student performance and to ensure that all students succeed in reaching academic standards. Site principals, staff, leadership team, and parents are actively involved in the process. All decisions are based on careful analysis and reflection and are a part of the on-going process of improving student learning. All school goals and actionable items are aligned with the four major CVUSD LCAP goals.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Newbury Park High School works closely each year with all stakeholders to review current data, identify current areas of strength and growth for the school and develop measurable goals each year. All goals identified focus on promoting positive student outcomes, ensuring highly qualified staff are provided targeted professional development, enhancing the social, emotional, and physical well-being of all students, and providing communication and targeted outreach that informs the community of opportunities that support positive student outcomes. Stakeholders include certificated and classified staff, students and parents.

EC Section 64001 requires the development of the SPSA to include the following:

? A comprehensive needs assessment (pursuant to ESSA)

? Analysis of verifiable state data, consistent with state priorities, including state-determined long-term goals

? May include local data

? An identification of the process for evaluating and monitoring the implementation of the SPSA and progress

towards accomplishing the goals

All schools within the CVUSD complete a Comprehensive Needs Assessment as part of the SPSA development process. Part of this needs assessment includes the analysis of California State Dashboard data as well as local assessment data including benchmark assessments, attendance data, survey data, and grade mark reports. In the spring of 2022, based on state guidelines, CVUSD elected to use local data to monitor student progress and inform SPSA plans and site goals. School sites will continue to include 2019-20 CAASPP data as an important reference, and they will also include the updated, local data from the 2021-22 school year.

The Comprehensive Needs Assessment and SPSA goals are developed in collaboration with school site stakeholder groups, including the School Site Council, with the goal of improving student outcomes, including addressing the needs of all student groups. These goals are aligned to the CVUSD LCAP and are consistent with the 8 State Priorities. During the course of the year, School Site Councils and other site stakeholder groups evaluate and monitor the implementation of the SPSA and progress towards accomplishing the goals.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Twice during the 2021-2022 school year, Newbury Park High School administered a Social Emotional Learning (SEL) Screener survey. The SEL Screener asked students to consider their social emotional needs and supports they felt they had access to at school.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

CVUSD certificated personnel are observed over the course of the year as well as selected teachers receive an evaluation in the spring. Administrators meet with certificated and classified personnel to discuss observations, provide constructive feedback and to highlight areas of success.

CVUSD schools engage in both informal and formal classroom observations to provide feedback as well as guide instructional practices and professional learning. Following observations, administrators hold conferences with teachers to share reflections on the observations. Based on hire date, administrators conduct teacher evaluations including a key standards and elements conference based on the California Standards for the Teaching Profession (CSTP) within the first 60 days of school starting to set three goals. Progress on these goals is monitored both informally and formally throughout the year and culminates in a formal evaluation and conference. CVUSD continues to provide coaching and guidance with UDL practices in the classroom. Administrators also monitor and model best practices for considering Diversity, Equity, and Inclusion (DEI) in instructional planning and delivery. Teachers participating in the CVUSD Teacher Induction Program also meet regularly with support providers for goal-setting, observation, and reflection on alignment with the CSTP.

Informally, Principals along with the Superintendent, Assistant Superintendent, and Instructional Services Directors regularly walk through classrooms to observe student learning and instruction.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CVUSD students in grades 6-8 took benchmark assessment in math during Semesters 1 & 2. Students in grade 6- 8 and 11 took the CAASPP summative assessments in both English and Math. Additionally, 11th and/or 12th grade students had the option to take the CAST exam in science. English Language Development assessments are also utilized to modify instruction and improve student achievement, including: English Language Proficiency Assessments for California (ELPAC) and curriculum-based unit and formative assessments. Results from these assessments are used to inform instruction and establish schoolwide goals. Assessment data is analyzed by the site principal, leadership team, School Site Council, and teachers to engage in the continuous cycle of improvement. Local assessment data is also routinely analyzed through department/grade level Professional Learning Community (PLC) time. PLC's discuss local assessment alignment, student performance, best practices, and analyze student work, utilizing specific protocols and developing collective plans of action.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

CVUSD began utilizing a new data management system, Mastery Connect, that allows staff to produce reports and analyze data for student strengths and weaknesses as well as item analysis for specific assessments. Students take assessments all online as part of the system. Performance data can be disaggregated and reported out by student groups, providing teachers with the opportunity to closely monitor the performance of targeted groups, including English Learners, Socio-economically Disadvantaged, Homeless, and Foster. The California Department of Education (CDE) provides a variety of data reports through their web site and DataQuest. This tool is used to produce data reports for our SPSA.

Teachers continued to use Canvas, our learning management system, to administer classroom assessments and monitor student progress. Canvas integrates with Mastery Connect to allow for administration, data analysis, and disaggregation of data. Canvas will continue to be the learning management system uniformly used moving forward.

# Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

100% of CVUSD teachers are credentialed and properly assigned

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

CVUSD teachers are provided three (3) pupil-free work days dedicated to professional learning. These days are led and organized by district and school site leadership. CVUSD Local Control Accountability Plan (LCAP) Goal 2 is to “ensure highly qualified and effective staff are provided with targeted professional development, and have an understanding that all job responsibilities are structured to support positive student outcomes.” Current LCAP actions/services focus on professional learning related to Universal Design for Learning (UDL), Diversity Equity & Inclusion practices, Social Emotional Learning, Professional Learning Communities (PLCs and Impact Teams), 1:1 Technology implementation, Core Literature, inclusive practices such as co-teaching, and other curriculum based professional learning opportunities.

CVUSD Elementary Teachers attended grade level professional development for grade level pacing guides in ELA and Math, building connections in the elementary classroom, and updated assessments and record keeping. Teachers in TK-2 were also offered refresher training on ESGI for assessing and record keeping to inform instruction, as well provide families with tools to understand their student’s current progress toward standards.

From August 14-18, 2021, CVUSD teachers were provided with a range of optional, professional learning opportunities, including UDL, Social-emotional learning, Canvas, SeeSaw, trauma-informed classrooms, Math IXL, ESGI, Unique, DEI, social-emotional learning practices, and Special Education report writing. Additionally, secondary English teachers facilitated professional learning opportunities for colleagues, sharing curriculum and units built over the summer to provide continuity regarding diverse core literature titles.

On August 22nd, certificated staff participated in a districtwide Professional Learning Day. Site leadership provided a professional development based on connecting DEI and UDL, specifically diving deeper into UDL and how it aligns with practices in DEI and SEL. On November 1st, 2021 staff engaged in video and follow up discussions regarding DEI. Elementary teachers participated in ELA curriculum PLCs, while middle and high school teachers engaged in grade span or site collaboration focused on SEL. At the completion of the 2021-22 school year, all sites have received training on Gender Diverse students and affirming and supportive practices for teachers.

During the 2021-22 school year, on-going professional learning was provided by district office staff, including the district’s Teachers on Special Assignment for Educational Technology, GATE, Inclusion, VAPA, SEL, UDL, and Alternative Programs. This training came in the form of weekly communications to all teachers, “virtual office hours”, opportunities for teachers to schedule appointments, and larger group training on specific topics.

Additionally, selected teachers from each school site participated in T3 training on utilizing technology for learning in the classroom. Sonny Magana provided teachers with Eduprotocols and other strategies for engaging students in demonstrating learning using technology. Elementary teachers participated in a breakout group focused on strategies for elementary students as well.

In addition, during the 2021-22 school year, a cohort of secondary English teachers participated in the UCLA Center X professional development series, (De)Normalizing Literature, to develop instructional strategies for the teaching of diverse core literature titles.

All elementary and secondary counselors participated in on-going professional development on social-emotional learning with a specific emphasis on the CASEL competencies: self-management, social-awareness, self-awareness, responsible decision-making, and relationship skills. In addition, all counselors and site administration are participating in the Hatching Results professional learning

series to develop a comprehensive school counseling program (TK-12) that addresses students' academic, college and career, and social-emotional development.

#### Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

CVUSD's professional learning plan is rooted in addressing student performance for all students, including student groups, by best meeting the content standards. District-wide professional learning related to Universal Design For Learning (UDL) serves as the defined instructional framework across all grade-levels and content areas. While UDL implementation bolsters learning for all students, it does specifically target student groups, namely students with disabilities and English Learners, that have underperformed significantly in the past. UDL supports all students' access to learning rigorous content standards. In addition, CVUSD is committed to providing teachers with relevant training related to Diversity, Equity & Inclusion, curriculum adoptions, content standards, technology, data management, and social-emotional learning. CVUSD provides a new teacher Induction Program based on the California Standards For The Teaching Profession for all teachers with California Preliminary Teaching Credentials.

Provide required professional learning for all secondary teachers in August 2021 on LGBTQ+ students through a consistent module of training provided by school site colleagues

Administrators engage in professional development related to DEI, UDL, PLCs, Restorative Justice, and trauma-informed care to lead sites using inclusive and supportive practices with students and families.

Additionally, English Learner and GATE Facilitators at each school site receive monthly professional development on meeting the needs of English Learners and GATE students. These sessions include access to activities, resources and strategies. These Facilitators present their resources and strategies at their recurring school site faculty meetings. Teacher representatives serve on CVUSD committees including subject area SCACs, MTSS, SEL, LGBTQ+, Core Literature, report cards, curriculum and assessment, and technology.

#### Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

CVUSD provides a system of instructional assistance and support for teachers. CVUSD leads its own accredited New Teacher Induction program by utilizing Teachers on Special Assignment (TOSA) to support teachers with preliminary teaching credentials. A host of other TOSAs in the district provides focused support in the following areas: Assistive Technology, Inclusion, Educational Technology, Professional Learning, Visual and Performing Arts, and GATE. The TOSAs provide ongoing professional development and consultation to teachers, as well as conducting a number of district-level tasks that serve all student groups.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

CVUSD schools engage in Professional Learning Community (PLC) practices on a regular basis. Grade-level or departments meet regularly for common planning time. All principals and numerous teacher teams across CVUSD have been provided formal training on PLCs. This time is used for a number of purposes: developing common assessment, curriculum development, identifying essential standards, assessing student work, and developing collective action that responds to student performance data. Through PLCs, teachers collaborate to focus on implementing the school site and district focus areas of Universal Design for Learning, Diversity, Equity, and Inclusion, and social-emotional learning.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

NPHS departments meet at least three times a month on Wednesdays during our early dismissal days. The schedule is being piloted by the staff this year. SPED teachers join content area departments in meetings and training during the year as well. Teachers create tasks and assessment tools that are co-constructed with students to ensure that students are learning and involved in the assessment process. Departments document the progress of activities by completing a collaboration document developed with department input. In addition, each department chair attends district articulation meetings and rotates through representing their department/school at SCAC (Secondary Curriculum Advisory Council) meetings.

CVUSD uses state-approved instructional materials in all subject areas. Each content area and grade level has a fully articulated course of study that designates the pacing and alignment of curriculum to the state standards. Teachers and administrators regularly ensure horizontal and vertical alignment of standards-based curriculum and instruction through quarterly content Articulation Meetings. SBAC interim assessments in ELA and Math are used in grades 6-8 & 11 to provide alignment to state standards and monitor student progress.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

CVUSD teachers adhere to Board-approved instructional minutes for all subject areas.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

CVUSD Secondary departments use curriculum pacing and formative assessments to monitor student progress and calibrate learning practices. Secondary schools are provided additional section allocation for reading and math intervention and class size reduction. Oasis and other guided studies courses are added to the master schedule to provide students with academic support and to address learning gaps. Additionally, the Newcomer Academy has been instituted at Newbury Park High School to serve and support our English Learner population who are new to the country.

### Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All CVUSD students have access to appropriate California State approved curriculum in all content areas. Students in special education use the same state adopted materials that are used in the general education classrooms as well as supplemental materials and out of level when needed and designated in a student's IEP. English Learners receive instruction in content areas using standards-based instructional materials for designated and integrated teaching of the ELD standards.

### Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All CVUSD classroom curriculum is Board approved in all subject areas. During this process, teachers review and pilot materials to evaluate them based on our local needs and their alignment to state standards. Intervention materials from the adopted curricula are utilized for students requiring additional support, along with additional research-based, state standards-aligned digital and print materials. Teachers receive training in the implementation of these materials with fidelity.

CVUSD teachers and schools employ Tier 2 interventions, in addition to Tier 1 instruction, for students who demonstrate a need for additional support. These intervention materials are aligned to the state standards. English learners are provided with intervention programs, including Smarty Ants, Imagine Learning, and Achieve 3000 designed for English Learners and EL instructional strategies for elementary and middle school students. Students with disabilities use various online programs (eg. Seesaw, Boom Cards, UNIQUE) to determine which one provides for the highest level of student engagement and access

Guided Studies classes are provided at the middle school level to support students in ELA and Math. At the high school level, various intervention strategies are implemented for students including academic academies, IXL Math, and Oasis classes for academic support in ELA, math, and other content areas. An online tutoring program has also been created for peer tutoring in various academic areas.

## Opportunity and Equal Educational Access

### Services provided by the regular program that enable underperforming students to meet standards (ESEA)

CVUSD teachers employ a range of instructional strategies to engage all students in meeting the California State Standards. District and school site staff regularly review, analyze, and develop actions based on data for "overall" student performance but also by the achievement of all student groups. Every secondary school employs forms of Professional Learning Communities (PLCs) to engage in on-going steps to support underperforming students in the regular program. CVUSD's LCAP Goal 1 provides secondary schools with funding to provide targeted academic intervention for any underperforming student before, during, or after-school.

## Evidence-based educational practices to raise student achievement

The following research-based educational practices are utilized: MTSS, PLC's, Universal Design for Learning, Designated and Integrated ELD, differentiated instruction, Webb's Depth of Knowledge, guided reading, academic language instruction, formative assessment, co-constructed rubrics, corrective feedback, learning goals, check for understanding, student investigations, inquiry-based learning, and cooperative learning.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

NPHS is fortunate to have access to a variety of community, district, and county resources that are designed to assist all students. Supports are focused in a variety of areas including social-emotional support, academic support, and school and area-based connectedness. The Thousand Oaks Teen Center provides outreach mentors who meet with individuals and small groups of students to discuss common challenges and provide resources and social/emotional support. The Thousand Oaks Police Department, the City of Thousand Oaks, and CVUSD have a long-standing partnership that results in the placement of a School Resource Officer for each cluster who serves as a liaison between law enforcement and the student body. Our SRO has an office on campus but serves all schools in the Newbury Park cluster. Our SRO assists the sites in presentations, conflict resolution, incident investigation, school safety evaluation, and attendance monitoring. This partnership has resulted in a very positive relationship that extends to accessing County resources including Child Protective Services (CPS) and the Crisis Team through Ventura County Behavioral Health. Our PFA provides financial assistance throughout the year allowing students to attend dances, pay for exams, and other important areas to ensure a positive learning environment.

Site Bilingual Facilitators, School Social Workers, and Title 1 Outreach Assistants provide support to parents/families to support student engagement. They provide training and support related to Canvas, Zoom, and Seesaw for families. In addition, they support families in creating a successful home learning environment, as well as trauma and mental health resources. Parent English as a Second Language classes are offered during the school year through Title 1 Outreach. Student Support Services department provides ongoing parent webinars to connect parents to school and to understand developing programs.

A CVUSD team member reached out to all families experiencing homelessness in the month of August. The purpose of the outreach was to determine if the students had access to school supplies, clothing/toiletries and to provide any needed support with the return to school. This personal outreach was also intended to share the name and contact information of their student's school site foster and homeless liaison.

In September, the District foster and homeless liaison worked with each site liaison to reach out to foster and homeless students/families to check in on students' attendance and to introduce themselves to their school liaison. The District liaison serves as a connection to community agencies that are able to provide additional support in the areas of temporary housing, rent assistance, and free meals. The District liaison personally connects families to the community agencies in the area of need. Throughout the school year, the school site foster and homeless liaisons will connect with foster and homeless students/families every month to assess attendance, general well-being, and any change in needs.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Newbury Park High School has an active Parent Teacher Association (PTA), School Site Council (SSC), and English Language Advisory Council (ELAC). These leadership bodies help set the goals of the school and actively work to increase parent involvement on campus. SSC and ELAC oversee the creation, implementation, and evaluation of Newbury Park High School's SPSA during their regularly-scheduled meetings, all of which are open to the public. Parents have many involvement opportunities and representation through School Site Council (SSC), our English Language Advisory Council (ELAC) along with Parent Education classes facilitated by our Outreach Assistant and community partnerships, and our Parent Teacher Association (PTA). Parents are also encouraged to volunteer at school and attend events. Our Special Education District Advisory Council (SEDAC) representatives offer involvement and connection opportunities for parents. Newbury Park High School's parent DAC, GATE-DAC, and DELAC representatives participate in district-level meetings and report back to SSC and ELAC, enriching our district-site level communication.

A variety of parent and community organizations and representatives are active at Newbury Park High:

**Umbrella Booster & Booster Clubs:** Parents participate in a variety of booster clubs for athletic teams, band, dance, and cheerleading. The mission of each booster club is to support and enhance the co-curricular programs

Newbury Park High School has an Umbrella Booster Club which provides a collective forum for all booster clubs on campus to discuss and review common objectives and concerns, to help support and guide the individual booster clubs, and provide a collective and direct line of communication with the school and its administration.

Our community is dedicated to supporting Newbury Park High School by providing guest speakers, job shadows, career presentations, mentorships, donations, and / or sponsoring our clubs. Some organizations include Sage Publications, Amgen, Ludington Institute, The Optimists' Club, Kiwanis, Cal Lutheran, and CA State University Channel Islands.

The Conejo Schools Foundation (CSF) is an independent non-profit managed by parents, community leaders and educators dedicated to improving and enriching the educational experience of all students in the District. CSF is dedicated to creating a sustainable funding source for all of our schools' critical needs and to increase the impact of resources for students and teachers. CSF provides teachers with individual teacher grants as well as a Get Ahead summer school program, with proceeds benefiting teachers and programs across the district.

**English Language Advisory Council (ELAC):** Our committee serves as a means to express concerns and needs, not only to Newbury Park High School, but also to the Conejo Valley Unified School District. In addition to quarterly evening meetings held at NPHS, one committee member represents NPHS at district-level ELAC meetings (DELAC). Starting in the 2018-2019 school year, NPHS will host 5 ELAC meetings each year.

**Parent-Faculty Association (PFA):** the NPHS PFA represents parents and faculty, working together to provide programs and services for our school that might not otherwise be available. PFA's purpose is to help create a positive working relationship between home and school by encouraging parental involvement in volunteer programs and school activities. PFA fundraisers, such as Core Lit book sales, After Prom, etc. provide NPHS additional funds for student programs.

The School Site Council (SSC) meets monthly to discuss all aspects of the school's budgets, the school's Single Plan for Student Achievement, and progress towards meeting the school goals. Members serve a two-year term.

NPHS has parents serve as representatives for all district level committees including DAC, SEDAC, ELAC, GATE DAC. Parents share reports from each meeting at school level meetings each month.

NPHS has an active Parent Teacher Association (PTA), School Site Council (SSC), and English Language Advisory Council (ELAC). These leadership bodies help set the goals of the school and actively work to increase parent involvement on campus. SSC and ELAC oversee the creation, implementation, and evaluation of the NPHS's SPSA during their regularly scheduled meetings, all of which are open to the public. Parents have many involvement opportunities and representation through School Site Council (SSC), our English Language Advisory Council (ELAC) along with Parent Education classes facilitated by our Outreach Assistant and community partnerships, and our Parent Teacher Association (PTA). Parents are also encouraged to volunteer at school and attend events. Our Special Education District Advisory Council (SEDAC) representatives offer involvement and connection opportunities for parents. NPHS's parent DAC, GATE-DAC, and DELAC representatives participate in district-level meetings and report back to SSC and ELAC, enriching our district-site level communication.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical Funds in CVUSD:

EIA funds are used to provide additional support and technology in the classroom.

EEF funds are used to provide professional development opportunities for teachers. ELAC has approved the use of these funds.

LCFF monies are all tied to LCAP goals and approved by our leadership team and school site council.

See goals and budget pages as part of SPSA.

## Fiscal support (EPC)

The site receives federal funding in the form of EIA, EE, and X if Title 1. All fiscal decisions are constructed through ELAC and EL team meetings. All other funds come from LCFF. See goals and budget pages as part of SPSA.

## **Stakeholder Involvement**

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### **Involvement Process for the SPSA and Annual Review and Update**

NPHS staff and community members participated in a series of meetings and activities as part of an extensive review and update to the school SPSA plan. The following are meetings and activities that have taken place:

9/7/22 SPSA Review Meeting

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA-and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

We are expecting updated reports to come from CDE in December 2022 and be available at [www.caschooldashboard.org](http://www.caschooldashboard.org)

# School and Student Performance Data

## Academic Engagement Chronic Absenteeism

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

We are expecting updated reports to come from CDE in December 2022 and be available at [www.caschooldashboard.org](http://www.caschooldashboard.org)

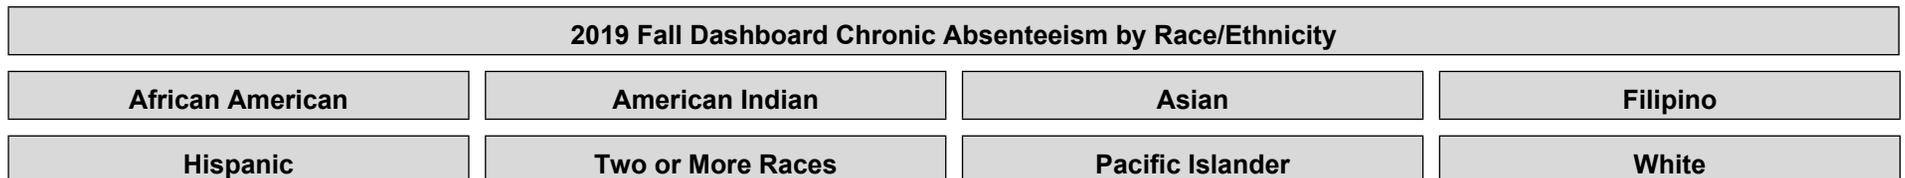

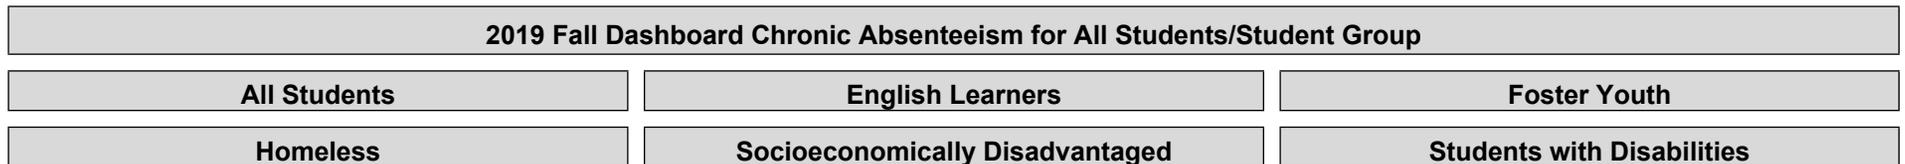

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance                      Red                      Orange                      Yellow                      Green                      Blue                      Highest Performance

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

## Academic Engagement Graduation Rate Additional Report

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

We are expecting updated reports to come from CDE in December 2022 and be available at [www.caschooldashboard.org](http://www.caschooldashboard.org)

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance

Red

Orange

Yellow

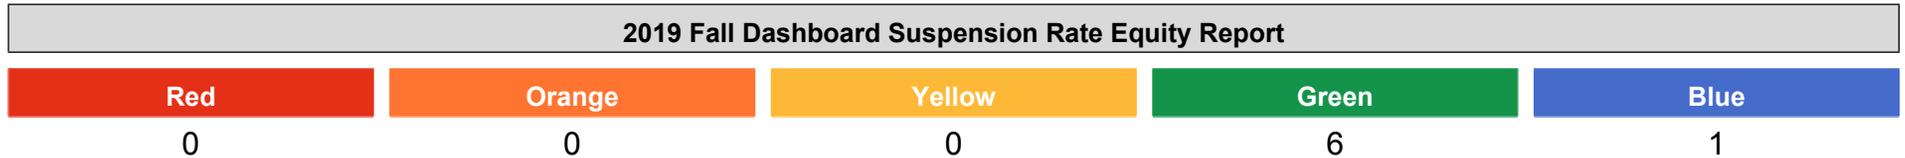

Green

Blue

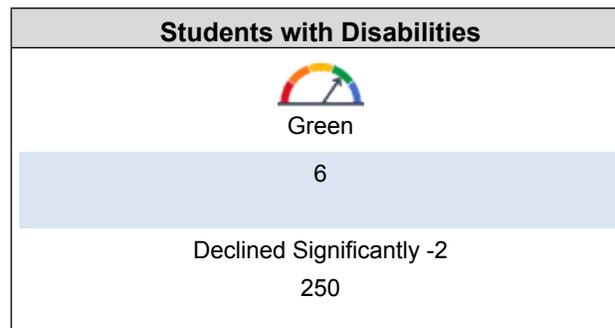

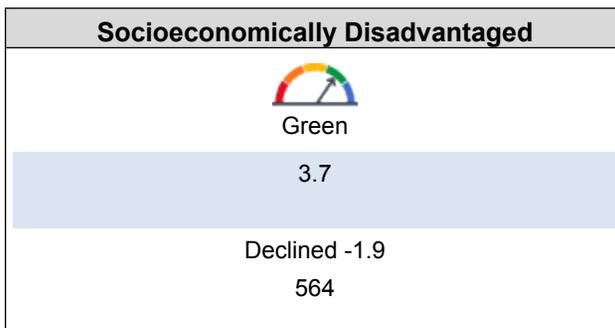

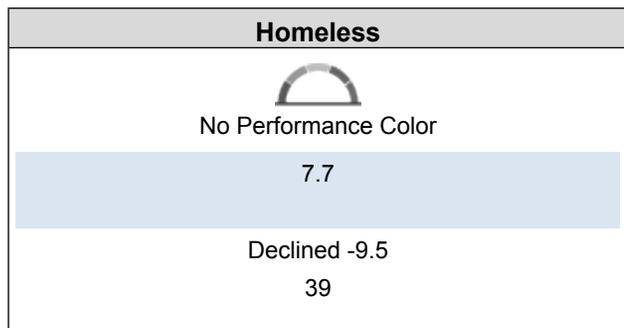

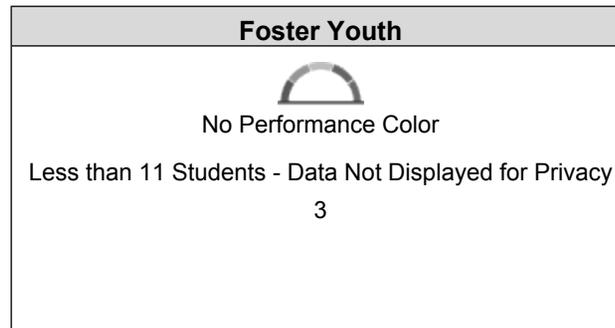

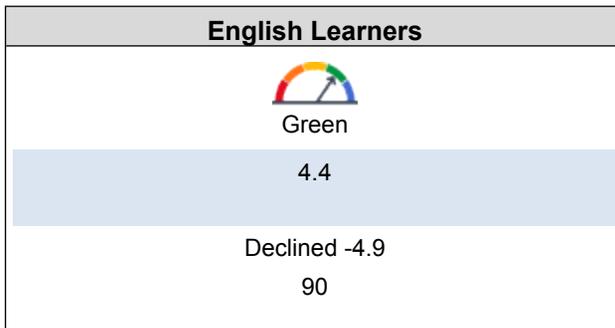

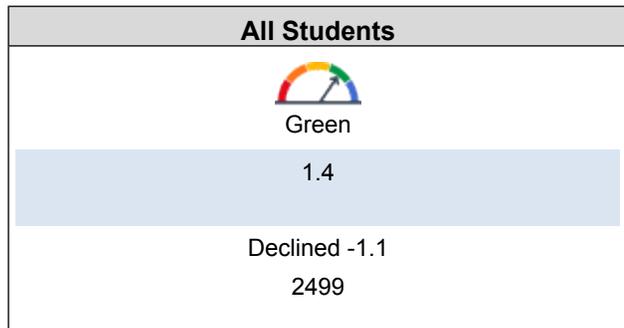

Highest Performance

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

## Annual Review

### SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Student Success Coordinator and Learning Center Coordinator continue to assist in the success of the learning centers. Teacher support for the centers to encourage and reward students to attend has increased.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Period allocations have allowed for creative scheduling and the implementation of co-teaching sections.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goals continue to be more specific and strategic with focused areas found under planned improvements for the band of goals identified.

## Goal Subject

School-Wide Instructional Strategies

## LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

## Goal 2

Identify and implement school-wide instructional strategies to support all learners.

## Identified Need

The current data indicates that our EL and SED students continue to fall behind in achievement scores. The closer students are to reclassification, or have been reclassified, increases the likelihood of EL students being more successful. SED students have shown some improvement, but there is much room for success available for them. This is an area of growth identified with WASC

## Annual Review

### SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

EL students did not perform well at all on CAASPP state assessments. Implementation of ELPAC led to a decrease in reclassification.

General goals for student test data being held at the same level.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

NPHS has experienced a major growth in EL newcomers and SIFE students.

SPSA made some changes in identified objectives and actions.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

More focused goal for student success has been identified. Changes can be found in goals and actionable items in goal 2.

Due to the pandemic, we adjusted our SBAC goals and expected metrics.

# Annual Review

## SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

School activities created continue to provide more opportunities for students to connect with the school. 5 Star program has increased staff participation from the previous year. The focus for this year is to continue to promote staff participation at school events as well as increase student participation.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Based on student and parent surveys, NPHS is making strong progress towards meeting identified goals and implementing actionable items. ASG continues to help drive the implementation of school wide programs that benefit all students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

More focus has been placed on creating a specific number of events/activities for staff and students for overall well-being. Changes can be found under planned improvements in Goal 3.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

PLC Teams and Data Analysis

## LEA/LCAP Goal

CVUSD LCAP GOAL 1: Implement targeted actions and services that support positive student outcomes -----

CVUSD LCAP GOAL 2: Ensure highly qualified and effective staff are provided with targeted professional learning and have an understanding that all job responsibilities are structured to support positive student outcomes -----

CVUSD LCAP GOAL 3: Provide communication and targeted outreach that informs the community of programs and opportunities that support positive student outcomes -----

CVUSD LCAP GOAL 4: Enhance the social, emotional, and physical well-being for all students through targeted actions that support positive student outcomes -----

## Goal 4

Continue to utilize the PLC teams to include the analysis of a variety of data to inform instruction.

## Identified Need

PLC teams will use data to inform changes or modifications to instructional practices in order to support all students. This is an area of growth identified with WASC

## Annual Measurable Outcomes

## Annual Review

### SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Professional Learning Communities will have additional time and structure to engage in meaningful reflection and collaboration in order to improve student success.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Several NPHS Staff members have been participating in the Grading for Equity book study and are actively trying innovative ideas in order to have better student outcomes.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goal is meant to organize staff collaboration in order to allow staff the time necessary to make the PLC process more meaningful and purposeful

# School Site Council Membership and Assurances

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school.

The (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 4 Other School Staff
- 7 Parent or Community Members
- 5 Secondary Students

| Name of Members  | Role                       |
|------------------|----------------------------|
| Stephen Lepire   | Principal                  |
| Subha Tholudur   | Parent or Community Member |
| Gisella Stanley  | Parent or Community Member |
| Jenny Crosby     | Parent or Community Member |
| Linda Eckelkamp  | Other School Staff         |
| Elizabeth Allen  | Parent or Community Member |
| Tami Taggert     | Parent or Community Member |
| Collette Simpson | Classroom Teacher          |
| Jill Magnante    | Classroom Teacher          |
| Derek Grimes     | Classroom Teacher          |
| Jenna Cirrillo   | Classroom Teacher          |
| Icela Sabory     | Other School Staff         |
| Edith Cortes     | Other School Staff         |
| Desmond Perez    | Other School Staff         |
| Sophia DiStefano | Secondary Student          |

|                  |                    |
|------------------|--------------------|
| Lindsey Friedman | Secondary Student  |
| Giovanni Albarez | Secondary Student  |
|                  | Secondary Student  |
|                  | Secondary Student  |
|                  | Other School Staff |
|                  | Other School Staff |
|                  | Other School Staff |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Advisory Council Recommendations

While some CVUSD advisory council representatives may not be voting members of SSC, individuals from advisory councils provide an important voice to reflect the diverse needs of all students in CVUSD and at the school site. The SSC sought and considered all recommendations from the following representatives before adopting this plan::

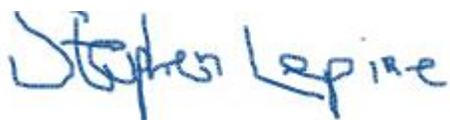

| Signature   | Committee or Advisory Group Name  |
|---|---|
|    | District Advisory Committee Representative  |
|    | English Learner Advisory Committee Representative   |
|    | Gifted and Talented Education Program Advisory Committee Representative                               |
|    | School Site Representative  |
|    | Special Education Advisory Committee Representative   |
|  | African American District Advisory Council Representative   |
|   | Lesbian, Gay, Bisexual, Transgender and Queer or Questioning (LGBTQ+) Advisory Council Representative |
|   | Other: School Site Council Chair  |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 12/6/19.

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
